Re: Notification of Resumption of Full Power Operation
Idaho State Board of Education (Boise State University)
NCE Station KBSW(FM), Twin Falls, ID (Facility ID 28250)

Dear Ms. Dortch:

On behalf of the Idaho State Board of Education (Boise State University), licensee of noncommercial educational radio Station KBSW(FM), Twin Falls, Idaho, we hereby inform the Commission that KBSW has resumed full power, licensed operation following a period of reduced power operation.

The licensee previously notified the Commission in FCC File No. BSTA-20140401AKL of KBSW's temporary reduced power status due to equipment problems, and requested Special Temporary Authority for the reduced power operation to continue for more than 30 days. The Commission granted reduced power STA for KBSW on April 2, 2014. The licensee now notifies the Commission that KBSW has resumed full power operation.

The licensee is a noncommercial educational licensee and operates KBSW on a noncommercial educational basis. Moreover, the licensee qualifies as a governmental entity. The licensee is therefore exempt from FCC filing fee and regulatory fee requirements for KBSW, pursuant to Sections 1.1116 and 1.1162 of the Commission's rules. Should any questions arise regarding this matter, kindly contact this office.

Very truly yours,

Barry Persh
