

## **EXHIBIT 14**

The proposed assignee is not the licensee of any other broadcast facilities. As indicated in Exhibit 11, Alta Communications (“Alta”) holds an attributable interest in ShootingStar Broadcasting of New England, LLC (“ShootingStar New England”), the proposed assignee, through its interest in Alta ShootingStar Corp. and its ability to appoint two of the three members of ShootingStar New England’s board of managers. As indicated in Exhibit 11, Alta also holds an attributable interest in Radio One Licenses, LLC. Radio One is the licensee of Stations WILD(AM), Boston, Massachusetts and WBOT(FM), Brockton, Massachusetts. In addition, Alta holds an attributable interest in AAA Entertainment Licensing LLC, licensee of radio stations WAKX(FM), Narragansett Pier, Rhode Island and WWKX(FM), Woonsocket, Rhode Island. Alta’s acquisition of an attributable interest in Station WNDS(TV) in combination with its existing interest in the radio stations listed herein does not raise any issues under the Commission’s multiple ownership rules.

Section 73.3555(c) of the Commission’s rules – the radio-television cross ownership rule – is triggered when the predicted 1mV/m contour of an FM station or the 2 mv/m groundwave contour of an AM station encompasses the entire community of license of a commonly owned television station, or the Grade A contour of the TV station encompasses the entire community of license of a commonly owned AM or FM radio station. As demonstrated in the attached engineering statement of Cavell, Mertz & Davis, Inc., none of the relevant contours of the radio stations in which Alta holds an attributable interest entirely encompass Derry, New Hampshire, Station WNDS’s community of

license. Moreover, the predicted Grade A contour of Station WNDS does not encompass the communities of license of any of the radio stations in the Boston, Massachusetts vicinity in which Alta has an attributable interest. Therefore, the proposed acquisition of WNDS complies with the Commission's multiple and cross- ownership rules.
