Mike:

Per our conversation, I am writing to provide corrected versions of the pre- and post-closing ownership charts that were included with the *pro forma* transfer of control of licensee subsidiaries of The Walt Disney Company.

The attached ownership charts correct the depiction of New York AM Radio, LLC, licensee of radio station WEPN(AM). In the versions of the charts provided with the applications, New York AM Radio, LLC was erroneously depicted as a wholly-owned subsidiary of ABC, Inc. In fact, New York AM Radio, LLC is a wholly-owned subsidiary of American Broadcasting Companies, Inc.--as depicted in the attached, corrected charts.

I apologize again for the error and for any confusion it has caused. Please do not hesitate to contact me with any questions.

Best wishes,

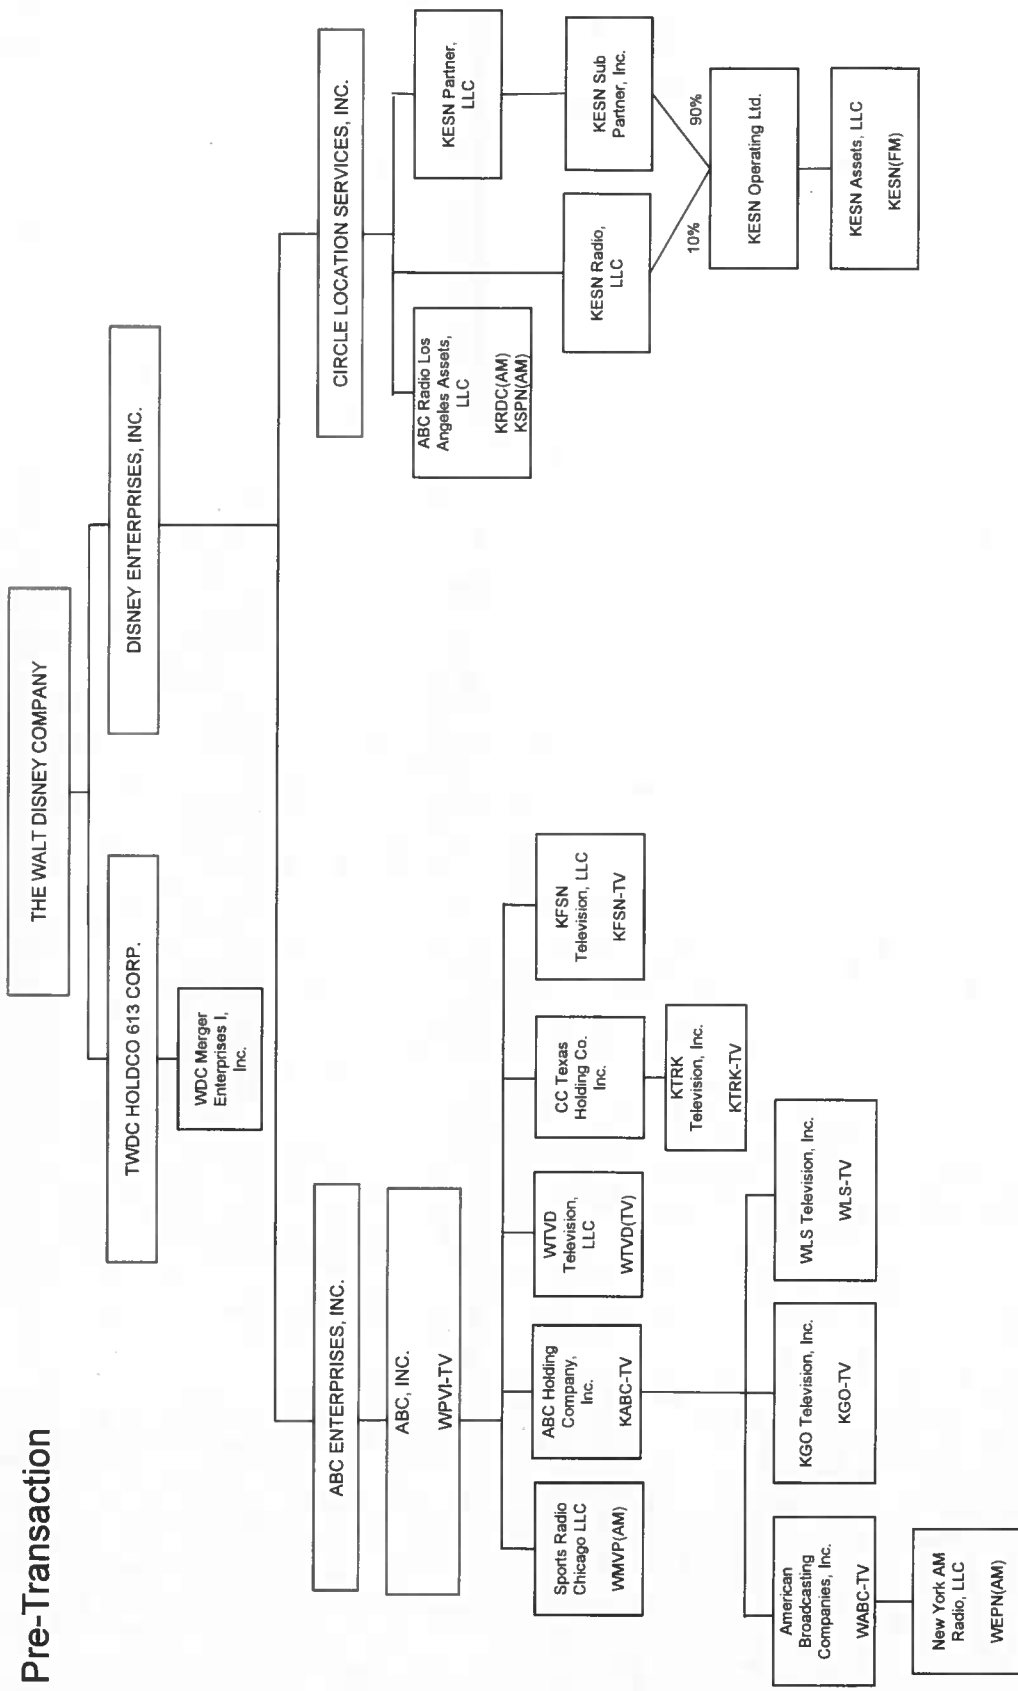

Matt
