ENGINEER'S DECLARATION

I, Dennis Jackson, hereby state under penalty of perjury that the following statements are true and correct

1. I am the holder of a perpetual General Class Radiotelephone Operator's License No. PG-1-3087. Prior to the issuance of the General Class License I had held a First Class Commercial Radiotelephone License since 1963.
2. I hold a Bachelor of Science degree in Electrical Engineering from Rensselaer Polytechnic Institute in Troy, New York.
3. My qualifications are a matter of record at the Commission.
4. I prepared the Form 301 Application for Construction Permit (BPH-20000907AAC) for WMEX at Farmington, NH, which the instant Form 302-FM license application is to cover.
5. I am familiar with all of the terms and conditions of the WMEX Construction Permit (BPH-20000907AAC).
6. I have overseen the installation of the WMEX directional antenna, and hereby certify that the installation was completed in accordance with the manufacturer's instructions.
7. I have prepared the Engineering Exhibit dated October 16, 2001 and the Form 302-FM Application for License for Dennis Jackson d/b/a Farmington Radio Partners.
All of the statements therein are true and correct.

Respectfully submitted,

Dennis Jackson
