

MULTIPLE OWNERSHIP EXHIBIT 5

According to the Commission's local ownership "tiers," in a Metro reported by BIA as having between 30 and 44 (inclusive) "home" commercial and noncommercial educational full-power radio stations, a party may have a cognizable interest in up to 7 commercial full-power radio stations, not more than 4 of which are in the same service (AM or FM). In the Kansas City, Missouri-Kansas Arbitron Metro there are 43 commercial and noncommercial educational full-power radio stations. This application complies with the local radio ownership portion of the multiple ownership rules set forth in 47 C.F.R. Section 73.3555 because only three full-power radio stations (KCHZ(FM), KMJK(FM) and KMAJ-FM¹) are attributable to Cumulus KC Licensing Corp. ("Cumulus") and any party to this application.

In addition, the principal community contour of Station KMJK(FM) overlaps the principal community contour of a full-power commercial radio station that (i) is not located within the Kansas City, Missouri-Kansas Arbitron Metro and (ii) is attributable to Cumulus. Therefore, a contour-overlap study was performed following the Commission's interim contour-overlap methodology. This study, attached hereto, demonstrates that three full-power radio stations (KCHZ(FM), KMJK(FM) and KMAJ-FM¹) with mutual overlap are attributable to Cumulus. In the radio market created by these three stations, there are 37 commercial and noncommercial educational full-power radio stations. Therefore, according to the Commission's local ownership "tiers," in a non-Arbitron market having between 30 and 44 commercial and noncommercial educational full-power radio stations, a party may have a cognizable interest in up to 7 commercial full-power radio stations, not more than 4 of which are in the same service (AM or FM). Therefore, this application complies with the local radio ownership portion of the multiple ownership rules set forth in 47 C.F.R. Section 73.3555.

¹ Cumulus currently has an application pending to modify the license of Station KMAJ-FM to specify Shawnee, Kansas as the community of license pursuant to the rule making granted in MB Docket No. 03-26. *See* File No. BPH-20040406ACG. Shawnee is located in the Kansas City, Missouri-Kansas Arbitron Metro.

Stations That Define
Cumulus Radio Market #2

⊕ KMJK.A

⊕ KMAJFM.A
⊕ KCHZ

The map displays the Cumulus Radio Market #2, centered on the Kansas City area. It shows the coverage areas of various radio stations, represented by concentric circles. The stations are labeled with their call letters and frequencies. The map includes a scale bar indicating distances in kilometers (0, 20, 40, 60 km) and a north arrow. The map also shows the state boundaries of Missouri, Kansas, and Oklahoma.
