

STATEMENT OF EDUCATIONAL PURPOSE

Sonrise Church is a Nevada Non-profit Corporation recognized by the IRS as a 501C3, by the State of Nevada as Tax Exempt, and by our local governments for almost 20 years. As a nondenominational community church, we have promoted local education and community services throughout the Reno and Sparks neighborhoods.

Our ordained, licensed, and degreed staff and volunteers have offered both spiritual and professional help regarding abuse, addiction, recovery, marriage and family counseling, job employment, rehabilitation for convicts, and overall help in various life skills.

We promote the arts through education in music, computers, drama, puppets, and the internet. Credential and experienced teachers, from elementary to the university level, fill our ranks within our various departments.

Our thrift store educates employees from senior citizens to the handicapped back into the work force. Our book store provides both used and new education material from maps, diagrams, books, and media on a broad range of fields.
