

**Amendment
To
FCC Application 314
for Assignment of Construction Permit**

BAPH-20160819ABF

Synergy Media, Inc., and WGHN, Inc., the parties to the application to assign the construction permit for WKLA-FM, Ludington, Michigan, hereby amend the Local Marketing Agreement attached to Question 6, Exhibit 16 of Section II of FCC Form 314.

Section 7.2 of the Local Marketing Agreement is replaced, as follows:

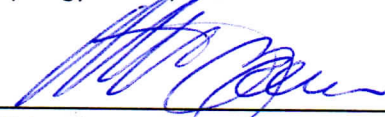

7.2 Licensee Regulatory Responsibility: Licensee shall be responsible for the Station's compliance with all applicable provisions of FCC Law, including all technical regulations governing the operation of the Station. Licensee shall maintain all licenses, permits, and other authorizations as are necessary for the operation of the Station. At the request of Licensee, Broker shall take periodic equipment measurements and provide the data to Licensee. In accordance with FCC regulations, Licensee shall employ a Station Manager and an assistant manager whose salaries shall be paid directly by the Licensee and who shall be solely answerable to and will report directly to licensee. Broker shall reimburse Licensee for the salaries of these employees.
