

CLARK MEDIA, LLC
Station WATX, Fac ID 42658, Hamden CT
Emergency Antenna STA Extension
October 2021

STATEMENT OF CIRCUMSTANCES

The licensee continues to operate WATX from an alternate transmitter site with a long-wire antenna, while it explores the prospect of returning to licensed operation through the use of a High Efficiency Broadband Antenna (HEBA). Accordingly, an extension of the authority previously granted in BSTA-20210412AAD is warranted and is respectfully requested.
