Re: **SPECIAL TEMPORARY AUTHORITY**

Holston Valley Broadcasting Corporation
WKTP(AM), Jonesborough, TN
Facility ID No. 27498
W249AH, Johnson City, TN
Facility ID No. 27499

Dear Applicant:

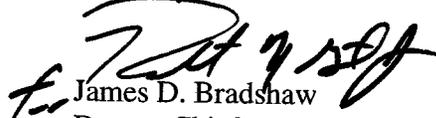

This is in reference to the request filed September 27, 2007, on behalf of Holston Valley Broadcasting Corporation ("Holston"), licensee of Station WKTP(AM), Jonesborough, Tennessee. Holston requests special temporary authority ("STA") to rebroadcast the programming of AM Station WKTP(AM) on FM Translator W249AH, licensed to Holston. In support of the request, Holston states that WKTP(AM) is unable to provide an interference-free signal to the area as a result of interference from adjacent-channel stations.

Having given the proposal thorough consideration, we find that the Public Interest would be served by grant of Holston's request.

Accordingly, the request for STA IS HEREBY GRANTED. Station WKTP(AM) may rebroadcast its programming on FM Translator W249AH. Holston must take whatever steps are necessary to prevent exposure of workers and/or the public to radio frequency fields in excess of the Commission's exposure limits. See 47 CFR Sections 1.1307(b), 1.1310.

This authority expires on **April 26, 2008**.

Sincerely,

James D. Bradshaw
