Subject: STA's for Quincy, WA
Importance: High

Dear Mohammad

Recently I filed for STA's for Quincy, WA specifically, DK50BO, DK48BY, DK33EH. DK24AI AND DK21AJ. In my STA request I failed to put what type of mask filter being used for each of the requests/translators.

I plan on using a SIMPLE MASK FILTER for said stations from Larcan which comes as standard with the new digital equipment.

Sorry for any inconvenience and thank you for your time and consideration.

Respectfully
Lonnie England C.E.
