(i) the Liabilities arising with respect to the ownership or operation of the FTS Stations and FTS Business, including the Purchased FTS Assets, prior to the Closing Date, including any fines or forfeitures imposed by the FCC, except to the extent of the amount of credit received by Cox in respect thereof under Section 2.15(a);

(j) intercompany accounts payable of FTS;

(k) all Liabilities related to the FTS Business, FTS Stations and Purchased FTS Assets under Environmental Laws or related to Hazardous Materials arising out of or relating to facts, circumstances, or conditions that first existed, were initiated or occurred prior to the Closing Date, except as provided in the FTS Stations Site Access Agreement; and

(l) any Liability of FTS under this Agreement or any document executed in connection therewith, including the Ancillary Agreements and any Liability relating to the sales process leading to the transactions contemplated by this Agreement.

Section 2.10 Like Kind Exchange. The consideration for the Purchased Cox Assets acquired, and Assumed Cox Liabilities assumed, by FTS shall be the Purchased FTS Assets acquired, and Assumed FTS Liabilities assumed, by Cox. The consideration for the Purchased FTS Assets acquired, and Assumed FTS Liabilities assumed, by Cox shall be the Purchased Cox Assets acquired, and Assumed Cox Liabilities assumed, by FTS. The parties have determined in good faith and at arms' length that the aggregate values of their respective purchased assets at the time of Closing are of reasonably equivalent value. Pursuant to Section 7.01, the parties intend that the transactions contemplated under this Agreement shall constitute a "like-kind exchange" within the meaning of Section 1031 of the Code.

Section 2.11 Assignment of Contracts and Rights. Notwithstanding anything in this Agreement to the contrary, this Agreement shall not constitute an agreement to assign any Purchased Cox Asset or Purchased FTS Asset or any claim or right or any benefit arising thereunder or resulting therefrom if such assignment, without the consent of a third party thereto, would constitute a breach or other contravention of such Purchased Cox Asset or Purchased FTS Asset, as applicable, or in any way adversely affect the rights of any party thereunder. An assigning party shall, and shall cause its Affiliates to, use commercially reasonable efforts to cooperate with the assignee in any efforts of the assignee to obtain such consents after the execution of this Agreement until each such consent is obtained. If any such consent is not obtained prior to the Closing Date, the assigning party shall, and shall cause its Affiliates to, use commercially reasonable efforts to cooperate with the assignee in any efforts of the assignee to

obtain such consent as soon as practicable after the Closing Date. In addition, if requested by the assignee party, the assigning party will cooperate with the assignee party in a commercially reasonable arrangement under which the assignee party would obtain the benefits and assume and be responsible for the obligations thereunder in accordance with this Agreement, including sub-contracting, sub-licensing, occupancy and/or use agreements or sub-leasing to the assignee party and enforcement by the assigning party for the benefit of the assignee party of any and all rights of the assigning party against a third party thereto. Notwithstanding the foregoing, neither party, nor any of their respective Affiliates, shall be required to pay any form of consideration to any third party to obtain any consent except as specifically required by the applicable Purchased Cox Asset or Purchased FTS Asset.

Section 2.12 Closing. The closing for each of the Cox Station Transfer and the FTS Station Transfer hereunder (the “Closing”) shall occur simultaneously and take place on the fifth (5th) Business Day to occur following full satisfaction or waiver of all of the closing conditions set forth in Article VIII hereof (other than those required to be satisfied at the Closing, but subject to the satisfaction thereof) or on such other date or at such other location as is mutually agreeable to Cox and FTS; provided that in no event shall the Closing occur prior to October 1, 2014 (except as otherwise agreed to in writing by the parties).

Section 2.15 General Proration.

(a) All Purchased Cox Assets and Purchased FTS Assets that would be classified as current assets in accordance with GAAP, and all Assumed Cox Liabilities and Assumed FTS Liabilities that would be classified as current Liabilities in accordance with GAAP, shall be prorated between the parties as of the Closing Date, including by taking into account the elapsed time or consumption of an asset during the month in which the Closing Date occurs (respectively, the “Prorated Purchased Cox Assets”, the “Prorated Purchased FTS Assets”, the “Prorated Assumed Cox Liabilities” and the “Prorated Assumed FTS Liabilities”). Such Prorated Purchased Cox Assets, Prorated Purchased FTS Assets, Prorated Assumed Cox Liabilities and Prorated Assumed FTS Liabilities relating to the period prior to the Closing Date shall be for the account of the transferring party and those relating to the period on and after the Closing Date shall be for the account of the transferee party and shall be prorated accordingly. In accordance with this Section 2.15, (i) the transferee party shall be required to pay to the transferring party the amount of any Prorated Purchased Cox Asset or Prorated Purchased FTS Asset previously paid for by the transferring party, to the extent the transferee party will receive

a corresponding benefit on and after the Closing Date; provided that such amount should not have been recognized as an expense in accordance with GAAP prior to the Closing Date (the “Transferee Prorated Amount”); and (ii) the transferring party shall be required to pay to the transferee party the amount of any Prorated Assumed Cox Liabilities or Prorated Assumed FTS Liabilities to the extent they arise with respect to the operation of the Cox Business or the FTS Business prior to the Closing Date and are not assumed or paid for by the transferring party (the “Transferor Prorated Amount”). Such payment by a party, as the case may be, shall be made within ten (10) Business Days after the Final Settlement Statement becomes final and binding upon the parties; provided that any such payments shall be set-off against one another and only net payments shall be made.

(b) Such prorations shall include all FCC regulatory fees, utility expenses, Liabilities and obligations under Contracts, rents and similar prepaid and deferred items, reimbursable expenses and all other expenses and obligations, such as deferred revenue and prepayments and sales commissions, attributable to the ownership and operation of a Station that straddle the period before and after the Closing Date. Notwithstanding anything in this Section 2.15 to the contrary, (i) except as set forth in this clause (b), with respect to Tradeout Agreements for the sale of time for goods or services assumed by the transferee party, if at the Closing Date, (A) the Cox Stations or FTS Stations have an aggregate negative barter balance (*i.e.*, the amount by which the value of air time to be provided by the Cox Stations or the FTS Stations after the Closing Date exceeds the fair market value of corresponding goods and services to be received after such date), there shall be no proration or adjustment, unless the aggregate negative barter balance of the Cox Stations or the FTS Stations exceeds Fifty Thousand Dollars (\$50,000), in which event any such excess shall be treated as prepaid time sales of the transferring party and (B) the Cox Stations or the FTS Stations have an aggregate positive barter balance (*i.e.* the amount by which the fair market value of the goods and services to be received by the Cox Stations or the FTS Stations after the Closing Date exceeds the value of the air time to be provided by the Cox Stations or the FTS Stations after such date), there shall be no proration or adjustment, unless the aggregate positive barter balance of the Cox Stations or the FTS Stations exceeds Fifty Thousand Dollars (\$50,000), in which event any such excess shall be treated as deferred revenue of the transferring party, respectively, and adjusted for as a proration in the transferee party’s favor. In determining barter balances, the value of air time shall be based upon the transferring party’s average cash rates as of the Closing Date, and corresponding goods and services shall include those to be received by the Cox Stations or the FTS Stations after the Closing Date plus those received by the FTS Stations or Cox Stations before the Closing Date to the extent conveyed by the transferring party to the transferee party as part of the Purchased Cox Assets or Purchased FTS Assets. There shall be no proration under this Section 2.15 for Cox Program Rights agreements or FTS Program Rights agreements except to the extent that any payments or performance due under such Program Rights agreements relate to a payment period that straddles the Closing Date; provided, however, that FTS and Cox shall each bring current all liabilities and obligations under their respective Program Rights agreements as of the Closing Date.

(c) Subject to Section 6.04, accrued vacation and sick leave for Transferred Employees shall be included in the prorations.

(d) At least three (3) Business Days prior to the Closing Date the transferring party shall provide the transferee party with a good faith estimate of the prorations contemplated by this Section 2.15 (the “Cox Estimated Settlement Statement” and “FTS Estimated Settlement Statement”, respectively). Any payment required to be made by either party pursuant to such preliminary estimates shall be made by the appropriate party on the Closing Date in accordance therewith, absent manifest error. The transferring party will afford the transferee party reasonable access to all records and work papers used in preparing the Cox Estimated Settlement Statement and FTS Estimated Settlement Statement and the transferee party shall notify the transferring party of any good faith disagreement with such calculation within two (2) Business Days of receiving the Cox Estimated Settlement Statement or FTS Estimated Settlement Statement, as applicable. At the Closing, (i) the transferee party shall be required to pay to the transferring party the amount equal to the Estimated Adjustment, if such estimated adjustment is a positive number or (ii) the transferring party shall be required to pay to the transferee party the amount equal to the Estimated Adjustment, if such estimated adjustment is a negative number.

(e) Within ninety (90) days after the Closing Date, the transferee party shall prepare and deliver to the transferring party a proposed proration of assets and Liabilities in the manner described in this Section 2.15 (the “Cox Settlement Statement” or “FTS Settlement Statement”, as applicable) setting forth the Transferor Prorated Amount and the Transferee Prorated Amount, together with a schedule setting forth, in reasonable detail, the components thereof.

(f) The transferring party shall provide reasonable access to such employees, books, records, financial statements, and its independent auditors as the transferee party reasonably believes is necessary or desirable in connection with its preparation of the Cox Settlement Statement or FTS Settlement Statement, as applicable.

(g) During the thirty (30)-day period following the receipt of the Cox Settlement Statement or FTS Settlement Statement, the transferring party and its independent auditors shall be permitted to review (i) the financial statements relating to such settlement statement, (ii) the working papers relating to such settlement statement, (iii) the books and records relating to such settlement statement and, (iv) any supporting schedules, analyses and other documentation relating to such settlement statement.

(h) The Cox Settlement Statement and FTS Settlement Statement shall become final and binding (the “Cox Final Settlement Statement” and “FTS Final Settlement Statement”) upon the parties on the forty-fifth (45th) day following delivery thereof, unless the transferring party gives written notice of its disagreement with such settlement statement (the “Cox Notice of Disagreement” or “FTS Notice of Disagreement”, as applicable) to the transferring party prior to such date. Such notice of disagreement shall specify in reasonable detail the nature of any disagreement so

asserted. If a Cox Notice of Disagreement or FTS Notice of Disagreement is given to the transferee party in the period specified, then the Cox Final Settlement Statement or FTS Final Settlement Statement (as revised in accordance with clause (i) or (ii) below) shall become final and binding upon the parties on the earlier of (i) the date the parties resolve in writing any differences they have with respect to the matters specified in the applicable notice of disagreement or (ii) the date any disputed matters are finally resolved in writing by the Accounting Firm.

(i) Within ten (10) Business Days after the Cox Final Settlement Statement and FTS Final Settlement Statement become final and binding upon the parties, (i) the transferee party shall be required to pay to the transferring party the amount, if any, by which the Final Adjustment is higher than the Cox Estimated Adjustment or FTS Estimated Adjustment, as applicable, or (ii) the transferring party shall be required to pay to the transferee party the amount, if any, by which the Estimated Adjustment is higher than the Final Adjustment, as the case may be. All payments made pursuant to this Section 2.15(i) must be made via wire transfer in immediately available funds to an account designated by the recipient party, together with interest thereon at the prime rate (as reported by *The Wall Street Journal* or, if not reported thereby, by another authoritative source) as in effect from time to time from the Closing Date to the date of actual payment.

(j) During the thirty (30)-day period following the delivery of a Cox Notice of Disagreement or FTS Notice of Disagreement to the transferee party that complies with the preceding paragraphs, the parties shall seek in good faith to resolve in writing any differences they may have with respect to the matters specified in the applicable notice of disagreement. During such period (i) the transferee party and its independent auditors, at the transferee party's sole cost and expense, shall be, and the transferring party and its independent auditors, at the transferring party's sole cost and expense, shall be, in each case permitted to review (w) the financial statements of the Cox Business or FTS Business as applicable, in the case of the transferee party, and the transferee party, in the case of the transferring party, relating to the Cox Notice of Disagreement or FTS Notice of Disagreement, as applicable, (x) the working papers of the transferring party, in the case of the transferee party, and the transferee party, in the case of the transferring party, and such other party's auditors, if any, relating to the Cox Notice of Disagreement or FTS Notice of Disagreement, (y) the books and records of the transferring party, in the case of the transferee party, and the transferee party, in the case of the transferring party, relating to the Cox Notice of Disagreement or FTS Notice of Disagreement, and (z) any supporting schedules, analyses and documentation relating to the applicable notice of disagreement; and (ii) the transferring party, in the case of the transferee party, and the transferee party, in the case of the transferring party, shall provide reasonable access, upon reasonable advance notice and during normal business hours, to such employees of such other party and such other party's independent auditors, as such first party reasonably believes is necessary or desirable in connection with its review of the applicable notice of disagreement.

(k) If, at the end of such thirty (30)-day period, the parties have not resolved such differences, the parties shall submit to the Accounting Firm for review and resolution any and all matters that remain in dispute and that were properly included in the applicable notice of disagreement. Within sixty (60) days after selection of the Accounting Firm, the parties shall submit their respective positions to the Accounting Firm, in writing, together with any other materials relied upon in support of their respective positions. The parties shall use commercially reasonable efforts to cause the Accounting Firm to render a decision resolving the matters in dispute within thirty (30) days following the submission of such materials to the Accounting Firm. The parties agree that judgment may be entered upon the determination of the Accounting Firm in any court having jurisdiction over the party against which such determination is to be enforced. Except as specified in the following sentence, the cost of any arbitration (including the fees and expenses of the Accounting Firm) pursuant to this Section 2.15 shall be borne by each party in inverse proportion as it may prevail on matters resolved by the Accounting Firm, which proportional allocations shall also be determined by the Accounting Firm at the time the determination of the Accounting Firm is rendered on the matters submitted. The fees and expenses (if any) of the transferee party's independent auditors and attorneys incurred in connection with the review of the Cox Notice of Disagreement or FTS Notice of Disagreement shall be borne by the transferee party, and the fees and expenses (if any) of the transferring party's independent auditors and attorneys incurred in connection with their review of the Cox Settlement Statement or FTS Settlement Statement shall be borne by the transferring party.

(l) The Cox Estimated Settlement Statement, FTS Estimated Settlement Statement, the Cox Settlement Statement, the FTS Settlement Statement, the Cox Final Settlement Statement and the FTS Final Settlement Statement, as applicable, prepared in accordance with this Section 2.15 shall include, in addition to the items identified in Section 2.15, a proration as of the Closing Date of FCC regulatory fees payable for the Cox Stations or FTS Stations, as applicable, or other proration items with respect to the Purchased Cox Assets or Purchased FTS Assets, as applicable.

Section 2.16 Shared Cox Contracts.

(a) The rights and obligations under each Shared Cox Contract that are assigned to and assumed by FTS (and included in the Purchased Cox Assets and Assumed Cox Liabilities, as the case may be) pursuant to this Agreement shall include only those rights and obligations under such Shared Cox Contract to the extent that they are applicable to the Cox Stations. Notwithstanding anything contained in this Agreement, and subject to the provisions of Section 2.11 and this Section 2.16, and except for the Excluded Cox Contracts which shall not be subject to this Section 2.16, the Purchased Cox Assets shall include those rights to the extent relating to the Cox Stations which are attributable to the period on and after the Closing Date under the Shared Cox Contracts, subject to the terms and conditions of such Shared Cox Contracts (such rights, the "Assumed Shared Cox Contract Rights"), and the Assumed Cox Liabilities shall include those liabilities and obligations to the extent relating to the Cox Stations which are attributable to the period on and after the Closing Date under the

Shared Cox Contracts, subject to the terms and conditions of such Shared Cox Contracts or to the extent taken into account in the prorations under Section 2.15 (such obligations, the “Assumed Shared Cox Contract Obligations”). All rights and obligations which arise under a Shared Cox Contract other than the Assumed Shared Cox Contract Rights and Assumed Shared Cox Contract Obligations shall in all cases be included in the Excluded Cox Assets and the Excluded Cox Liabilities, as applicable. For purposes of determining the scope of the Assumed Shared Cox Contract Rights and the Assumed Shared Cox Contract Obligations, the rights and obligations under each Shared Cox Contract shall be equitably allocated among (i) the Cox Stations, on the one hand, and (ii) the Other Cox Stations, on the other hand, in accordance with the following equitable allocation principles:

(i) any allocation set forth in the Shared Cox Contract shall control;

(ii) if there is no allocation in the Shared Cox Contract as described in clause (a) hereof, then any reasonable allocation previously made by Cox or its Affiliates in the ordinary course of business consistent with past practice;

(iii) if there is no reasonable allocation as described in clause (ii) hereof, then the quantifiable proportionate benefits and obligations to be received and performed, as the case may be, by Cox and FTS after the Closing Date (to be determined by mutual good faith agreement of Cox and FTS) shall control; and

(iv) if there are no quantifiable proportionate benefits and obligations as described in clause (iii) hereof, then reasonable accommodation (to be determined by mutual good faith agreement of Cox and FTS) shall control.

(b) Subject to any applicable third-party consents, such allocation and assignment with respect to any Shared Cox Contract shall be effectuated, at the election of Cox, by (i) termination of such Shared Cox Contract in its entirety with respect to the Cox Stations and the execution of new contracts with respect to the Cox Stations (or where FTS has a pre-existing contract with the third party, the execution of an amendment or supplement or other documentation to add the Cox Stations to such pre-existing contract) or (ii) by an assignment to and assumption by FTS of the related Assumed Shared Cox Contract Rights and the Assumed Shared Cox Contract Obligations under such Shared Cox Contract.

(c) Notwithstanding anything to the contrary set forth in this Agreement, if any Shared Cox Contract includes any group discounts or similar benefits that are not assignable to FTS, then FTS’s allocated portion of such Shared Cox Contract will not include or reflect such terms.

Section 2.17 Shared FTS Contracts.

(a) The rights and obligations under each Shared FTS Contract that are assigned to and assumed by Cox (and included in the Purchased FTS Assets and Assumed FTS Liabilities, as the case may be) pursuant to this Agreement shall include

only those rights and obligations under such Shared FTS Contract to the extent that they are applicable to the FTS Stations. Notwithstanding anything contained in this Agreement, and subject to the provisions of Section 2.11 and this Section 2.17, and except for the Excluded Cox Contracts which shall not be subject to this Section 2.17, the Purchased FTS Assets shall include those rights to the extent relating to the FTS Stations which are attributable to the period on and after the Closing Date under the Shared FTS Contracts, subject to the terms and conditions of such Shared FTS Contracts (such rights, the “Assumed Shared FTS Contract Rights”), and the Assumed FTS Liabilities shall include those liabilities and obligations to the extent relating to the FTS Stations which are attributable to the period on and after the Closing Date under the Shared FTS Contracts, subject to the terms and conditions of such Shared FTS Contracts to the extent taken into account in the prorations under Section 2.15 (such obligations, the “Assumed Shared FTS Contract Obligations”). All rights and obligations which arise under a Shared FTS Contract other than the Assumed Shared FTS Contract Rights and Assumed Shared FTS Contract Obligations shall in all cases be included in the Excluded FTS Assets and the Excluded FTS Liabilities, as applicable. For purposes of determining the scope of the Assumed Shared FTS Contract Rights and the Assumed Shared FTS Contract Obligations, the rights and obligations under each Shared FTS Contract shall be equitably allocated among (i) the FTS Stations, on the one hand, and (ii) the Other FTS Stations, on the other hand, in accordance with the following equitable allocation principles:

(i) any allocation set forth in the Shared FTS Contract shall control;

(ii) if there is no allocation in the Shared FTS Contract as described in clause (a) hereof, then any reasonable allocation previously made by FTS or its Affiliates in the ordinary course of business consistent with past practice;

(iii) if there is no reasonable allocation as described in clause (ii) hereof, then the quantifiable proportionate benefits and obligations to be received and performed, as the case may be, by Cox and FTS after the Closing Date (to be determined by mutual good faith agreement of Cox and FTS) shall control; and

(iv) if there are no quantifiable proportionate benefits and obligations as described in clause (iii) hereof, then reasonable accommodation (to be determined by mutual good faith agreement of Cox and FTS) shall control.

(b) Subject to any applicable third-party consents, such allocation and assignment with respect to any Shared FTS Contract shall be effectuated, at the election of FTS, by (i) termination of such Shared FTS Contract in its entirety with respect to the FTS Stations and the execution of new contracts with respect to the FTS Stations (or where Cox has a pre-existing contract with the third party, the execution of an amendment or supplement or other documentation to add the FTS Stations to such pre-existing contract) or (ii) by an assignment to and assumption by Cox of the related Assumed Shared FTS Contract Rights and the Assumed Shared FTS Contract Obligations under such Shared FTS Contract.

(c) Notwithstanding anything to the contrary set forth in this Agreement, if any Shared FTS Contract includes any group discounts or similar benefits that are not assignable to Cox, then Cox's allocated portion of such Shared FTS Contract will not include or reflect such terms.

Section 2.18 National Sales Rep Agreements. To the extent either Cox's or FTS's national sales representatives have sold national spot advertising on behalf of the Cox Stations or FTS Stations, as applicable, pursuant to a National Sales Rep Agreement prior to the Closing Date that airs after the Closing Date, each of Cox or FTS, as applicable, shall pay to the other party commissions equal to four percent (4%) with respect to the FTS Stations or Cox Stations, as applicable, of such gross advertising sales received (less agency commissions and actual sales credits and bad debt consistent with past practice) within ten (10) Business Days following the end of each applicable month. Commissions to be paid will be based on national spot advertising contracts existing as of the Closing Date including any subsequent additions or cancellations to such contracts. At least three (3) Business Days prior to the Closing Date, FTS shall provide to Cox, and Cox shall provide to FTS, a detailed listing of national spot advertising contracts (such listing, an "FTS Stations Unpaid Sales Commission Report" and "Cox Stations Unpaid Sales Commission Report", as applicable) that air after the Closing Date. Within ten (10) Business Days following the end of each applicable month, for a period not to exceed twelve (12) months following the Closing Date, each of Cox and FTS will provide to the other an updated FTS Stations Unpaid Sales Commission Report or Cox Stations Unpaid Sales Commission Report, as applicable, setting forth the status of all advertisements related to the national spot advertising sales contracts that existed as of the Closing Date.

Section 3.05 Financial Information.

(a) Cox Disclosure Schedule Section 3.05(a) sets forth true and correct copies of (i) the unaudited balance sheets of the Cox Stations as at December 31, 2012 and 2013 (and the related unaudited statements of broadcast cash flows of the Cox Stations for the years then ended) and the unaudited balance sheet of the Cox Stations as at March 31, 2014 (and the related unaudited statements of broadcast cash flows of the Cox Stations for the three (3) month period then ended) (such unaudited statements, including the related notes and schedules thereto, are referred to herein as the "Cox Business Financial Statements") and (ii) statements of the Cox Broadcast Cash Flow of the Stations (subject to the notes referenced therein and as derived from the Cox Business Financial Statements) for the calendar year ended December 31, 2012 and 2013 and as at March

31, 2014 (for the three (3) month period then ended) (collectively, the “Cox BCF Statements”). The information provided in the Cox Business Financial Statements was used to account for the operation of the Cox Stations in the preparation of the consolidated financial statements of Guarantor for the respective periods covered thereby. The Cox Business Financial Statements present fairly in all material respects the financial position and results of operation of the Cox Stations as operated by Cox as of the respective date thereof and for the respective periods covered thereby, subject to normal recurring year-end adjustments (none of which would, individually or in the aggregate, be material to the Cox Business). Cox has accounted for all ad sales included in the Cox Business Financial Statements in the ordinary course of business. Except for the absence of footnotes and as disclosed on Cox Disclosure Schedule Section 3.05(a), the Cox Business Financial Statements were prepared in accordance with GAAP and consistent with past practices, and with GAAP and such past practices consistently applied from period to period, except that the Cox Business Financial Statements do not contain all the footnotes and cash flow information from investing and financing activities required under GAAP and are subject to customary year-end adjustments.

(b) Cox maintains systems of internal accounting controls sufficient to provide reasonable assurances that: (i) transactions are executed in accordance with management’s general or specific authorization; (ii) transactions are recorded as necessary to permit the preparation of the annual consolidated financial statements of Cox in conformity with GAAP and to maintain accountability for assets; (iii) access to assets is permitted only in accordance with management’s general or specific authorization; and (iv) the recorded accountability for assets is compared with the actual levels at reasonable intervals and appropriate action is taken with respect to any differences.

(c) Cox does not have any Indebtedness or other Liabilities of the type that would be required to be set forth on a balance sheet prepared in accordance with GAAP that relate to the Cox Stations or to which the Purchased Cox Assets would be subject, except Liabilities (i) reflected or reserved against on the unaudited balance sheet of the Cox Stations as of the Balance Sheet Date, (ii) incurred after the Balance Sheet Date in the ordinary course of business and which would be considered normal and usual in nature and amount and which do not arise from or relate to breaches of any Contract or violations of Law, or (iii) that are Excluded Cox Liabilities.

Section 3.06 Absence of Certain Changes or Events. Except as disclosed in Cox Disclosure Schedule Section 3.06, between the Balance Sheet Date and the date of this Agreement, (i) Cox has operated the Cox Stations in the ordinary course of business consistent with past practices and (ii) there has not been any state of facts, condition, change, development, event or effect that, either alone or in combination with any other state of facts, condition, change, development, event or effect, has had or would reasonably be expected to have, individually or in the aggregate, a Cox Material Adverse Effect.

Except as set forth on Cox Disclosure Schedule Section 3.11, Cox, with respect to the Cox Stations and the Cox Business, is not in material violation of, and, to the Knowledge of Cox, is not under investigation with respect to and have not been threatened in writing to be charged with, any material violation of any material applicable Law or Governmental Order. The Cox FCC Licenses constitute all of the licenses, permits, authorizations and registrations of the

FCC required for the present operation of the Cox Stations, except where the failure to hold any of the foregoing would not result in a material violation of any material applicable Law or Governmental Order. Cox has made available true, correct, and complete copies of the Cox FCC Licenses to FTS. Except as set forth on Cox Disclosure Schedule Section 3.12(a)(ii), the Cox FCC Licenses: (i) are validly held by Cox and are in full force and effect and have not been revoked, suspended, canceled, rescinded or terminated and have not expired; (ii) have been issued for the full terms customarily issued to the holder of the applicable license; and (iii) are not subject to any condition except for those conditions appearing on the face of the Cox FCC Licenses and conditions generally applicable to the respective type of FCC License.

(b) Except as set forth on Cox Disclosure Schedule Section 3.12(b), there are no applications pending before the FCC with respect to the Cox Stations or the Cox Business. To the extent Cox files any applications with respect to the Cox Stations or the Cox Business with the FCC after the date of this Agreement, Cox shall notify FTS within ten (10) Business Days of such filing.

(c) Except as set forth on Cox Disclosure Schedule Section 3.12(c)(i), (i) Cox has operated the Cox Stations in compliance with the Communications Act and the Cox FCC Licenses in all material respects, (ii) Cox has timely filed all material registrations and reports with respect to the Cox Stations required to have been filed with the FCC with respect to the Cox Stations, and (iii) Cox has paid all FCC regulatory fees due in respect to the Cox Stations and has completed in all material respects the construction of all facilities contemplated by each of the Cox FCC Licenses. (d) Cox is legally, financially, and technically qualified to assign the Cox FCC Licenses to FTS and to hold the FTS FCC Licenses under the Communications Act. To Cox's Knowledge, and except as set forth on Cox Disclosure Schedule Section 3.12(d), there is no material fact or circumstance relating to the Cox Stations or Cox or any of its Affiliates that would (i) result in the FCC's refusal to grant the FCC Consents, (ii) materially delay obtaining the FCC Consents, (iii) result in a challenge to the FTS Stations FCC Application or the Cox Stations FCC Application by any party or (iv) cause

the FCC to impose a material condition or conditions on its granting the FCC Consents, other than such conditions typically imposed on similar transactions.

Section 3.13 Carriage Matters.

(a) Cox Disclosure Schedule Section 3.13(a) lists (i) all distributors of video programming and MVPDs with more than 5,000 subscribers in the Cox Stations' Market that Cox has authorized to carry or retransmit the Cox Stations and (ii) the Contracts with such distributors and MVPDs and the term thereof. With respect to each such distributor and MVPD with more than 5,000 subscribers in the Cox Stations' Market, Cox Disclosure Schedule Section 3.13(a) identifies (1) whether the Cox Stations are carried by such a distributor or MVPD pursuant to a must-carry election, a retransmission consent agreement, or any other agreement or license, and (2) to Cox's Knowledge, whether any such distributor or MVPD provides the signal of either of the Cox Stations to more than 5,000 of its subscribers located outside of the Cox Stations' Market; and FTS has been provided true, correct, and complete copies of the current MVPD Agreements related to such MVPDs.

(d) Cox Disclosure Schedule Section 3.13(d) sets forth all MVPDs that have provided written notice to Cox relating to the intention of such MVPDs to import either of the Cox Stations' signals to areas where the Station is "significantly viewed", and there are no pending or, to Cox's Knowledge, threatened petitions to change the "significantly viewed" status of either of the Cox Stations anywhere it is currently deemed "significantly viewed".

(e) To Cox's Knowledge, with respect to each Cox Station, no MVPD or any station in the Cox Stations' Market or any other Person has filed, or intends to file, any

Such list, redacted to delete the information set forth in clauses (iv)–(vi) and (ix)–(x) and the reason for an employment status that is other than active status with respect to the information set forth in clause (viii), is attached as Cox Disclosure Schedule Section 3.14(a).

(b) Except as set forth on Cox Disclosure Schedule Section 3.14(b), the Cox Stations are not subject to or bound by any labor agreement or collective bargaining agreement and have not been subject to or bound by the same in the past three (3) years. To the Knowledge of Cox, there is no activity, and there has been no activity in the past three (3) years, at the Cox Stations seeking to organize or certify a collective bargaining unit or engaging in any other organizational activity.

(c) Except as set forth on Cox Disclosure Schedule Section 3.14(c) and only with respect to the Cox Stations and the Cox Employees, (i) Cox is not engaged in any unfair labor practice that would reasonably be expected to result in a material Liability; (ii) there are no labor strikes, material labor disputes, concerted work stoppages or lockouts pending or, to the Knowledge of Cox, threatened; (iii) there are no grievances, complaints, charges, governmental audits or investigations or other legal proceedings pending, or to the Knowledge of Cox, threatened, against Cox in connection with the employment of its current or former employees, except that would not reasonably be expected to result in a material Liability; and (iv) Cox is in material compliance with all applicable labor and employment Laws.

Cox (i) is not and, to the Knowledge of Cox, no other party, is in material breach or default under any Bargaining Agreement, and (ii) within the past two (2) years, has not received any notice in writing of a material breach or default under any Bargaining Agreement that has not been fully resolved.

Section 3.15 Employee Benefit Plans.

(a) Cox Disclosure Schedule Section 3.15(a) identifies each Cox Employee Plan immediately prior to the date of this Agreement.

(b) The Cox Employee Plans are in compliance in all material respects with all applicable requirements of ERISA, the Code, and other applicable Laws and have been administered in accordance with their terms and such Laws, disregarding for this purpose any failure to so comply or administer that: (i) would not reasonably be expected to result in Liability to the Cox Stations, or (ii) does not impose upon FTS any carryover or other Liability with respect thereto. Each Cox Employee Plan that is intended to be qualified within the meaning of Section 401(a) of the Code has received a favorable determination letter as to its qualification, and nothing has occurred that could reasonably be expected to adversely affect such qualification other than such events that can be remedied without material Liability to the Cox Stations.

(c) There is no contract, plan or arrangement (written or otherwise) covering any employee or former employee of the Cox Stations that, individually or collectively or in connection with any other event, could give rise to the payment of any amount that would not be deductible pursuant to the terms of Section 280G and Section 4999 of the Code.

(d) Neither Cox nor any of its ERISA Affiliates maintains an employee pension benefit plan that has failed to meet the “minimum funding standard” (as defined in Section 412 of the Code) that would result in any material Liability to the Cox Stations. No event has occurred and no circumstances exist as a result of any employee benefit plan that have given rise to or could reasonably be expected to give rise to a Lien on the Purchased Cox Assets, Cox or any of its ERISA Affiliates that would result in Liability to the Cox Stations.

(e) Except as set forth on Cox Disclosure Schedule Section 3.15(e), (i) Cox has no obligation, and has not in the last six (6) years had an obligation, to make any contributions to a Multiemployer Plan for the benefit of current or former Cox Employees and (ii) neither Cox nor any of its ERISA Affiliates has withdrawn in any complete or partial withdrawal from any Multiemployer Plan listed in Cox Disclosure Schedule Section 3.15(e) for which there remains any unsatisfied Liability. With respect to any Multiemployer Plan listed in Cox Disclosure Schedule Section 3.15(e) and except as would not result in a material Liability to the Cox Stations, all contributions on behalf of the Cox Employees have been made as required by the terms of the plans, the terms of any collective bargaining agreements and applicable Law. Neither Cox nor any of its ERISA Affiliates has received notice of any outstanding claim or demand for withdrawal Liability or partial withdrawal Liability from any Multiemployer Plan listed in Cox Disclosure Schedule Section 3.15(e), or notice that any such Multiemployer Plan is, or is expected to be, insolvent, in reorganization or in endangered or critical status, within the meaning of Title IV or Section 305 of ERISA.

(f) Except as set forth on Cox Disclosure Schedule Section 3.15(f) and as would not result in material Liability to the Cox Stations, no Cox Employee Plan provides for or promises any post-termination medical or life insurance benefits to any Cox Employee (or any dependent of any such person), except to the extent required by state insurance Law or Section 4980B of the Code or Section 601 of ERISA.

Section 3.16 Environmental Matters

(c) Cox is in material compliance with and, except with respect to matters that have been fully and finally resolved without further Liability to Cox, its Subsidiaries or the Cox Business, has complied with Environmental Laws in all material respects with respect to the ownership and operation of the Cox Business, the Cox Owned Real Property and the Cox Leased Real Property.

(d) There has been no Release of Hazardous Materials related to the Cox Business or at, from, to, on or under any Cox Owned Real Property or Cox Leased Real Property, such that Cox or the Cox Business would reasonably be expected to incur material Liability for Remediation with respect to such Hazardous Materials.

(e) Except as otherwise disclosed on Cox Disclosure Schedule Section 3.16(e), Cox does not own or operate any underground storage tanks, aboveground storage tanks, or emergency generators at the Cox Owned Real Property or Cox Leased Real Property and to the Knowledge of Cox, there are no underground storage tanks, aboveground storage tanks or emergency generators at the Cox Owned Real Property.

Such list, redacted to delete the information set forth in clauses (iv)–(vi) and (ix)–(x) and the reason for an employment status that is other than active status with respect to the information set forth in clause (viii), is attached as FTS Disclosure Schedule Section 4.14(a).

(b) The FTS Stations are not subject to or bound by any labor agreement or collective bargaining agreement and have not been subject to or bound by the same in the past three (3) years. To the Knowledge of FTS, there is no activity, and there has been no activity in the past three (3) years, at the FTS Stations seeking to organize or certify a collective bargaining unit or engaging in any other organizational activity.

(b) The FTS Employee Plans are in compliance in all material respects with all applicable requirements of ERISA, the Code, and other applicable Laws and have been administered in accordance with their terms and such Laws, disregarding for this purpose any failure to so comply or administer that: (i) would not reasonably be expected to result in Liability to the FTS Stations, or (ii) does not impose upon Cox any carryover or other Liability with respect thereto. Each FTS Employee Plan that is intended to be qualified within the meaning of Section 401(a) of the Code has received a favorable determination letter as to its qualification, and nothing has occurred that could reasonably be expected to adversely affect such qualification other than such events that can be remedied without material Liability to the FTS Stations.

(c) There is no contract, plan or arrangement (written or otherwise) covering any employee or former employee of the FTS Stations that, individually or collectively or in connection with any other event, could give rise to the payment of any amount that would not be deductible pursuant to the terms of Section 280G and Section 4999 of the Code.

(d) Neither FTS nor any of its ERISA Affiliates maintains an employee pension benefit plan that has failed to meet the “minimum funding standard” (as defined in Section 412 of the Code) that would result in any material Liability to the FTS Stations. No event has occurred and no circumstances exist as a result of any employee benefit plan that have given rise to or could reasonably be expected to give rise to a Lien on the Purchased FTS Assets, FTS or any of its ERISA Affiliates that would result in Liability to the FTS Stations.

With respect

to any Multiemployer Plan listed in FTS Disclosure Schedule Section 4.15(e) and except as would not result in a material Liability to the FTS Stations, all contributions on behalf of the FTS Employees have been made as required by the terms of the plans, the terms of any collective bargaining agreements and applicable Law. Neither FTS nor any of its ERISA Affiliates has received notice of any outstanding claim or demand for withdrawal Liability or partial withdrawal Liability from any Multiemployer Plan listed in FTS Disclosure Schedule Section 4.15(e), or notice that any such Multiemployer Plan is, or is expected to be, insolvent, in reorganization or in endangered or critical status, within the meaning of Title IV or Section 305 of ERISA.

(f) Except as set forth on FTS Disclosure Schedule Section 4.15(f) and as would not result in material Liability to the FTS Stations, no FTS Employee Plan provides for or promises any post-termination medical or life insurance benefits to any FTS Employee (or any dependent of any such person), except to the extent required by state insurance Law or Section 4980B of the Code or Section 601 of ERISA.

(d) There has been no Release of Hazardous Materials related to the FTS Business or at, from, to, on or under any FTS Owned Real Property or FTS Leased Real Property, such that FTS or the FTS Business would reasonably be expected to incur material Liability for Remediation with respect to such Hazardous Materials.

Each party shall review and discuss in advance, and consider in good faith the views of the other party in connection with any proposed written or material oral communication to be made by or

on behalf of such party with any Antitrust Authority. Neither party shall agree to or participate in any meeting (in person or by telephone) with any Antitrust Authority in respect of any such filings, investigation or other inquiries unless it first consults with the other party in advance, and to the extent permitted by the Antitrust Authority, gives the other party the opportunity to be present thereat. Neither party shall withdraw its notification and report form or agree to any voluntary extension of any statutory deadline or waiting period or to any voluntary delay of the consummation of the transactions contemplated by this Agreement at the behest of any Antitrust Authority without the written consent of the other party. Neither party, without the advance consent of the other party, will agree with an Antitrust Authority to make any divestitures, terminate, amend, or enter into any contract or license agreements, or enter into any other conduct remedies with respect to the assets or businesses that will be transferred to the other party under this Agreement.

(b) Cox and FTS shall use their respective commercially reasonable efforts to oppose fully and vigorously any request for, the entry of, and seek to have vacated or terminated, any order, judgment, decree, injunction or ruling of any Antitrust Authority that could restrain or prevent the Closing, including by defending through litigation, any action asserted by any Person in any court or before any Antitrust Authority and by exhausting all avenues of appeal, including appealing properly any adverse decision or order by any Antitrust Authority.

(c) Cox and FTS shall take all commercially reasonable actions necessary to avoid, eliminate or resolve any objections or other impediments that may be asserted by a Governmental Authority having jurisdiction over the transactions contemplated by this Agreement pursuant to any Antitrust Law with respect to the transactions contemplated hereby and obtain any approvals, waivers or terminations or expirations of waiting periods with respect to any required Antitrust Filings in order to allow the Closing to occur on or before the Termination Date.

(d) Cox and FTS shall prepare and file with the FCC as soon as practicable but in no event later than five (5) Business Days after the date of this Agreement the requisite applications (with respect to the applications for the assignment of the Cox FCC Licenses to FTS, the “Cox Stations FCC Application” and, with respect to the applications for the assignment of the FTS FCC Licenses to Cox, the “FTS Stations FCC Application”) and other necessary instruments or documents requesting the FCC Consents and thereupon prosecute such applications with all reasonable diligence to obtain the requisite FCC Consents; provided, however, except as provided in the following sentence, neither party shall be required to pay consideration to any third party to obtain the FCC Consents. FTS shall pay any and all FCC filing fees relating to the transactions contemplated hereby where FTS is the assignor (irrespective of whether the transactions contemplated by this Agreement are consummated), and Cox shall pay any and all FCC filing fees relating to the transactions contemplated hereby where Cox is the assignor (irrespective of whether the transactions contemplated by this Agreement are consummated). Each party shall each oppose any petitions to deny or other objections filed with respect to the Cox Stations FCC Application or the FTS

Stations FCC Application to the extent such petition or objection relates to such party. If the Closing shall not have occurred for any reason within the original effective period of the FCC Consents, and neither party shall have terminated this Agreement under Article IX, then either party may request an extension of the effective period of the FCC Consents. No extension of the FCC Consents shall limit the right of either party to exercise its rights under Article IX.

(e) In connection with the efforts referenced in Section 5.11 and Section 5.12(d) to obtain the FCC Consents, each party shall (x) cooperate in all respects with the other party in connection with any filing or submission and in connection with any investigation or other inquiry, including any proceeding initiated by a private party, (y) keep the other party informed in all material respects of any material communication received by such party from, or given by such party to, the FCC or any other Governmental Authority and of any material non-confidential portions of any communication received or given in connection with any proceeding by a private party and (z) permit the other party to review any material non-confidential portions of any communication given by it to, and consult with each other in advance of and be permitted to attend any meeting or conference with, the FCC or, in connection with any proceeding by a private party, with any other Person, in each case regarding any of the transactions contemplated by this Agreement.

If the FCC Application is granted by the FCC subject to a condition that the parties may not assign the FCC Licenses for one or more of the Stations until the FCC has renewed the FCC Licenses for one or more of the Stations (a “Renewal Condition”), then, notwithstanding any limitation in this Section 5.12(f), the term “FCC Consent” shall be deemed to also include the satisfaction of the Renewal Condition. In order to avoid disruption or delay in the processing of the FCC Applications, the parties shall, in the FCC Applications, request that the FCC agree to apply its policy permitting the assignment of FCC Licenses involving multiple stations to proceed, notwithstanding the pendency of one or more Renewal Applications (the “FCC Renewal Policy”). The parties shall make such representations and agree to such undertakings as are required to be made in order to invoke the FCC Renewal Policy, including undertakings to assume, as between the parties and the FCC, the position of the applicant before the FCC with respect to any pending Renewal Application and to assume the corresponding regulatory risks relating to any such Renewal Application. Any obligation imposed upon or loss to a party relating to a Renewal Application or any disposition of a Renewal Application other than a grant of license renewal for a full term without imposition of any fine, forfeiture, reporting condition, or other adverse condition or penalty (including the regulatory risks set forth in the previous sentence) shall be a “Renewal Obligation”. All Renewal Obligations with respect to the Cox Stations shall be Excluded Cox Liabilities, and all Renewal Obligations with respect to the FTS Stations shall be Excluded FTS Liabilities. In the event that the FCC determines not to apply the FCC Renewal Policy,

or the FCC, by reason of change or policy or otherwise, requires the execution of tolling agreements as a condition to the grant of the FCC Applications as contemplated by this Agreement, the licensee of the applicable Station shall enter into tolling agreements with the FCC to extend the statute of limitations for the FCC to determine or impose a forfeiture penalty against the applicable Station in connection with (i) any pending complaints that such Station aired programming that contained obscene, indecent, or profane material or (ii) any other enforcement matters against a Station with respect to which the FCC may permit the licensee to enter into a tolling agreement. The parties shall consult in good faith with each other prior to either party entering into any such tolling agreement.

(g) Notwithstanding anything to the contrary in this Agreement in connection with the matters covered by this Section 5.12 or otherwise, neither party nor any of its Affiliates shall be required by this Agreement to, and the term “commercially reasonable efforts” shall be interpreted so as not to require either party or its Affiliates to, (i) hold separate (including by trust or otherwise) or divest any of their respective businesses, product lines or assets or the business, product lines or assets of such party or its Affiliates including those businesses, product lines, or assets to be acquired from the other party under this Agreement; (ii) take or agree to any action that would limit the freedom of action of, or impose any other requirement on a party or its Affiliates with respect to the operation of one or more of the businesses or the assets of, a party or its Affiliates, including those businesses, product lines, or assets to be acquired from the other party under this Agreement, including the sale, divestiture, licensing or disposition of all or any part of the businesses or assets of a party or its Affiliates, the termination of any existing contractual rights, relationships and obligations, or entry into or amendment of any licensing arrangements; (iii) agree to any limitation on the operation or conduct of the businesses of a party or any of its Affiliates, including any limitations to the operation or conduct of the businesses to be acquired from the other party under this Agreement; or (iv) waive any of the conditions set forth in Article VIII.

Section 5.14 Control Prior to Closing. The parties acknowledge and agree that, for the purposes of the Communications Act, this Agreement (including the covenants in Article V) is not intended to and shall not be construed to transfer control of the Cox Stations or FTS Stations or to give the other party any right to, directly or indirectly, control, supervise or direct, or attempt to control, supervise or direct, the programming, operations, or any other matter relating to the Cox Stations or FTS Stations prior to the Closing Date, and each party shall have complete control and supervision of the programming, operations, policies and all other matters relating to its respective Cox Stations or FTS Stations up to the time of the Closing.

Section 5.15 Public Announcements. The parties shall agree on the terms of the press release that announces the transactions contemplated hereby and to obtain the other party's prior written consent before issuing any press release or making any public announcement with respect to this Agreement or the transactions contemplated hereby; provided, however, that either party (or its Affiliates) shall be permitted without the consent of the other to issue any press releases or public statements the making of which may be required by applicable Law or any listing agreement with any national securities exchange; provided further, however, that prior to the issuance of such press release or public statement, the other party shall be provided written notice and an opportunity to comment on such press release or public statement, the party issuing such release or statement shall consider such comments for inclusion in the release or statement in good faith. Notwithstanding the foregoing, the parties acknowledge that this Agreement will be filed with their HSR notifications and with the Cox Stations FCC Application and the FTS Stations FCC Application in accordance with FCC rules and policies and that the Cox Stations FCC Application and FTS Stations FCC Application are public documents.

Section 5.16 Non-Solicitation. For the period from the date of this Agreement through the six-month anniversary of the Closing Date, neither party shall, and each party shall cause its Affiliates and its and its Affiliates' directors, officers, and employees and Affiliates to not, solicit any employees of the other party with respect to the Stations, or any individual performing personal services as an independent contractor to the Stations, to leave such employment; provided, however, it shall not be deemed to be a violation of this provision if a party: (a) advertises for or posts employment opportunities in newspapers, trade publications or other media that are not targeted specifically at the employees of any of the Stations, or (b) hires, employs or otherwise engages any person (whether an employee of any of the Stations or not) who approached or contacted it first without having been solicited as prohibited above.

Section 5.17 Notices of Certain Events. From the date of this Agreement until the earlier to occur of the Closing Date and such time as this Agreement is terminated in accordance with Article IX, each party shall each promptly notify the other party of:

(a) any notice or other communication from any Governmental Authority in connection with the transactions contemplated by this Agreement; and

(b) (i) the occurrence or non-occurrence of any event which, to the Knowledge of Cox or the Knowledge of FTS, as applicable, has caused any representation or warranty made by such party herein to be untrue or inaccurate in any material respect and (ii) any material failure on the part of such party to comply with or

satisfy any covenant, condition or agreement set forth herein to be complied with or satisfied by such party hereunder on or after the date of this Agreement and prior to the Closing.

Section 5.18 Retention of Records; Post-Closing Access to Records.

(a) Notwithstanding anything to the contrary contained in this Agreement, each party and its Affiliates may retain and use, at such party's own expense, copies of all documents or materials transferred hereunder, in each case, which (i) are used in connection with the businesses of such party and its Affiliates, other than the Cox Business or FTS Business, as applicable, (ii) such party or any of its Affiliates in good faith determine they are reasonably likely to need access to in connection with the defense (or any counterclaim, cross-claim or similar claim in connection therewith) of any suit, claim, action, proceeding or investigation against or by such party or any of its Affiliates pending or threatened as of the Closing Date, or (iii) such party or any of its Affiliates in good faith determine that they are reasonably likely to need access to in connection with any filing, report, or investigation to or by any Governmental Authority.

(b) Notwithstanding anything to the contrary contained in this Agreement, for a period of six (6) years after the Closing Date, each party shall maintain, and provide the other party and their representatives reasonable access to, those records of such party insofar as they relate to the Purchased Cox Assets or Purchased FTS Assets, as applicable, that relate to periods prior to the consummation of the Closing, during normal business hours and on at least ten (10) Business Days' prior written notice (or such shorter time period as necessitated by the urgency of the underlying facts and circumstances). If a party shall desire to dispose of any of such books and records prior to the expiration of such six (6)-year period in accordance with the record retention policies of such party then in effect, such party shall, prior to such disposal, give the other party a reasonable opportunity, at the other party's expense, to segregate and remove such books and records as the other party may select, subject to destruction of correspondence and other similar documents in the ordinary course, in accordance with customary retention policies and applicable Law.

Such other party shall be entitled during the sixty (60)-day period following the Collection Period to inspect and/or audit the records maintained by the transferring party pursuant to this Section 5.19, upon reasonable advance notice and during normal business hours.

(e) Following the expiration of the Collection Period, neither party shall have any further obligations under this Section 5.19. Following the Collection Period, the transferring party may pursue collections of all the Cox Accounts Receivable or FTS Accounts Receivable, as applicable, and the transferee party shall cooperate with the transferring party for the purpose of the transferring party collecting any outstanding Cox Accounts Receivable or FTS Accounts Receivable, as applicable.

(f) The transferee party acknowledges that the transferring party may maintain all established cash management lockbox arrangements in place at the Closing Date for remittance until such time as the transferring party deems appropriate to close such lockboxes. On a monthly basis, the transferee party agrees to update the Cox

Accounts Receivable aging reports or FTS Accounts Receivable aging reports, as applicable, to reflect all lockbox receipts of the transferring party, and the transferring party reasonably agrees to cooperate with the transferee party to keep the Cox Accounts Receivable age reports or FTS Accounts Receivable age reports, as applicable, current. In addition, the transferring party shall, on or before the tenth (10th) Business Day following the end of the calendar month in which any of the transferee party's receivables are received by the transferring party through its lockbox, remit to the transferee party such receivable collections.

Section 5.20 Environmental Covenants.

(a) As soon as practicable after the date of this Agreement, Cox may elect, at its own expense, to order Phase I environmental site assessments of the FTS Real Property (which may include a limited asbestos survey), or on such parcels of the FTS Real Property as Cox may determine. If the results of those assessments would cause a reasonable party to perform further investigation or testing, Cox may cause to be performed Phase II environmental site assessments by the same firm, the cost of such Phase II environmental site assessments will be paid by Cox, provided, prior to undertaking any such Phase II environmental site assessment before the Closing Date, Cox shall first obtain FTS's prior written consent thereto in each case. Such firm will complete the Phase I assessments and, to the extent permitted hereunder, the Phase II assessments (collectively, the "Cox Environmental Investigations"), and Cox will deliver the Cox Environmental Investigations to FTS prior to the Closing Date. FTS shall comply with any reasonable request for information made by Cox or its agents in connection with any such investigation and shall afford Cox and its agents access to all operations of the FTS Business, including without limitation all areas of the FTS Real Property, at reasonable times and in a reasonable manner in connection with any such investigation, and agrees to enter into a site access agreement with Cox as provided in Section 5.20(e). Notwithstanding any other provision of this Agreement, any environmental sampling, remediation, assessment or other investigation conducted by or on behalf of Cox on or with respect to any FTS Leased Real Property shall only be conducted in strict compliance with the applicable FTS Real Property Lease.

(b) If the results of any Cox Environmental Investigation indicate that Remediation is required under Environmental Laws or to achieve published cleanup standards of any Governmental Authority with jurisdiction over the real property that is the subject of the Remediation based on the current use of such property, including, where available, risk-based cleanup standards, subject to Section 10.03(b)(ii), FTS (i) shall complete such Remediation prior to the Closing Date, or as promptly as reasonably practicable after the Closing Date if such Remediation cannot reasonably be completed prior to the Closing Date (and Cox will provide FTS with access, as provided in Section 5.20(f), and any other reasonable assistance requested by FTS with respect to such obligation); (ii) shall in all respects comply with applicable Laws; (iii) may use risk based clean-up standards and employ deed restrictions and institutional and engineering controls to the extent doing so does not unreasonably impair the value or use of the property and does not cause Cox to incur any non-de minimis costs or expenses; (iv)

shall allow Cox or its agents reasonable access to the property prior to the Closing Date for purposes of observing the Remediation so long as Cox and its agents do not interfere with the Remediation or the operation of the business; (v) shall keep Cox reasonably informed of the progress of any such Remediation and the schedule for performing and completing such Remediation; and (vi) within five (5) Business Days of receipt, use commercially reasonable efforts to provide Cox with copies of all material written communications, filings, reports, correspondence or other writings, photographs or materials received from any Person (including any Governmental Authority) in connection with any such Remediation.

(c) As soon as practicable after the date of this Agreement, FTS may elect, at its own expense, to order Phase I environmental site assessments of the Cox Real Property (which may include a limited asbestos survey), or on such parcels of the Cox Real Property as FTS may determine. If the results of those assessments would cause a reasonable party to perform further investigation or testing, FTS may cause to be performed Phase II environmental site assessments by the same firm, the cost of such Phase II environmental site assessments will be paid by FTS, provided, prior to undertaking any such Phase II environmental site assessment before the Closing Date, FTS shall first obtain Cox's prior written consent thereto in each case. Such firm will complete the Phase I assessments and, to the extent permitted hereunder, the Phase II assessments (collectively, the "FTS Environmental Investigations"), and FTS will deliver the FTS Environmental Investigations to Cox prior to the Closing Date. Cox shall comply with any reasonable request for information made by FTS or its agents in connection with any such investigation and shall afford FTS and its agents access to all operations of the Cox Business, including without limitation all areas of the Cox Real Property, at reasonable times and in a reasonable manner in connection with any such investigation, and agrees to enter into a site access agreement with FTS as provided in Section 5.20(e). Notwithstanding any other provision of this Agreement, any environmental sampling, remediation, assessment or other investigation conducted by or on behalf of FTS on or with respect to any Cox Leased Real Property shall only be conducted in strict compliance with the applicable Cox Real Property Lease.

(d) If the results of any FTS Environmental Investigation indicate that Remediation is required under Environmental Laws or to achieve published cleanup standards of any Governmental Authority with jurisdiction over the real property that is the subject of the Remediation based on the current use of such property, including, where available, risk-based cleanup standards, subject to Section 10.02(b)(ii), Cox (i) shall complete such Remediation prior to the Closing Date, or as promptly as reasonably practicable after the Closing Date if such Remediation cannot reasonably be completed prior to the Closing Date (and FTS will provide Cox with access, as provided in Section 5.20(f), and any other reasonable assistance requested by Cox with respect to such obligation); (ii) shall in all respects comply with applicable Laws; (iii) may use risk based clean-up standards and employ deed restrictions and institutional and engineering controls to the extent doing so does not unreasonably impair the value or use of the property and does not cause FTS to incur any non-de minimis costs or expenses; (iv) shall allow FTS or its agents reasonable access to the property prior to the Closing Date

for purposes of observing the Remediation so long as FTS and its agents do not interfere with the Remediation or the operation of the business; (v) shall keep FTS reasonably informed of the progress of any such Remediation and the schedule for performing and completing such Remediation; and (vi) within five (5) Business Days of receipt, use commercially reasonable efforts to provide FTS with copies of all material written communications, filings, reports, correspondence or other writings, photographs or materials received from any Person (including any Governmental Authority) in connection with any such Remediation.

(e) In connection with the Cox Environmental Investigations and the FTS Environmental Investigations, the parties shall enter into reciprocal site access agreements (each, an “FTS Stations Site Access Agreement” and “Cox Stations Site Access Agreement”) that contain, among other provisions, provisions (i) requiring the party performing the investigations (“Performing Party”) to submit a scope of work to the party that is not performing the investigations (“Non-Performing Party”) for its approval, which shall not be unreasonably withheld, conditioned, or delayed, setting forth in reasonable detail the nature and extent of the investigation and the reasons therefore, including the number and location of any borings; (ii) requiring the Performing Party to require that any environmental consultant performing the investigations obtain and maintain during the term of such agreement and, in the case of claims-made policies, for a period of three years following termination of such agreement, insurance coverage from a recognized responsible insurance company with an A.M. Best Rating of A+ or higher, consisting of comprehensive general liability insurance coverage of \$1,000,000 dollars per occurrence and \$2,000,000 dollars in the aggregate with umbrella coverage of \$2,000,000 dollars, environmental impairment or pollution legal liability insurance coverage of \$1,000,000 dollars, worker’s compensation insurance in accordance with the laws of the state where the investigation is being performed, business automobile liability insurance with a minimum limit of \$1,000,000 dollars, and professional liability insurance with a minimum limit of \$1,000,000 dollars for each claim and \$2,000,000 dollars in the aggregate, and requiring the Performing Party to provide proof of the existence and entry into effect of such policies prior to commencing the investigations to the Non-Performing Party; (iii) requiring the Performing Party to name the Non-Performing Party as an additional insured on the environmental consultant’s environmental impairment or pollution legal liability, comprehensive general liability, and auto insurance; (iv) requiring the Performing Party to perform or have performed a utility clearance prior to commencing any subsurface investigations; (v) requiring that the Performing Party bear all responsibility for the disposal in accordance with applicable Law of any investigation-derived waste materials or other waste materials generated during the performance of any investigations; (vi) requiring that any wells or borings shall be installed, operated, and closed in a manner that will preclude them from being or becoming a pathway for migration of constituents or an obstruction to the use of the properties; (vii) requiring the Performing Party to notify the Non-Performing Party at least 48 hours prior to any entry and to provide the Non-Performing Party with an opportunity, at its sole discretion and expense, to have a representative observe any and all investigations; (viii) requiring the Performing Party to promptly restore the property to substantially the same condition as existed immediately prior to the investigations; (ix)

providing that Performing Party and any officer, employee, agent, Affiliate, contractor, subcontractor, or authorized representative of the Performing Party ("Performing Party Representatives") shall not have any basis for filing or enforcing any liens or other claims against the property and requiring the Performing Party to immediately discharge, by payment, bond or otherwise, any lien filed against the property for work, labor, services, or materials claimed to have been performed at or furnished to the property for or on behalf of the Performing Party; (x) requiring the Performing Party to comply with all applicable Laws, leases and safety rules; (xi) providing that the Performing Party will use commercially reasonable efforts to schedule and conduct the investigations in such a manner as to minimize any disruption to the operation of the property; (xii) providing that the Performing Party Representatives will conduct the investigations in accordance with professional standards of care; (xiii) providing that the Performing Party will promptly notify the Non-Performing Party upon discovery of any imminent threat to human health or the environment; and (xiv) providing for indemnification by the Performing Party to the Non-Performing Party for any Losses, including mechanic's and materialmen's liens, caused by the entry by the Performing Party Representatives onto the property, provided that the Performing Party shall not be so liable for any Losses resulting from the mere discovery of any existing condition at the property, but shall be liable for any such Losses to the extent the Performing Party Representatives exacerbate any such existing condition.

(f) If either party is required to conduct Remediation at its former property pursuant to Section 5.20(b) or Section 5.20(d) after the Closing Date, the parties agree to enter into site access agreements to provide access for such Remediation with terms that are consistent with the provisions of Section 5.19(e).

Section 5.21 Copy of Virtual Data Room and Electronic Files. As soon as practicable after the Closing Date, but in no event later than thirty (30) days after the Closing Date, FTS will deliver to Cox, and Cox will deliver to FTS, (a) on one or more USB electronic storage devices, a complete and accurate (as of the Closing Date) electronic copy of its virtual data room ("VDR") set up with respect to the transactions contemplated by this Agreement, and (b) a certificate executed by the administrator of such VDR, dated as of the Closing Date, certifying, on behalf of FTS or Cox, as applicable, to such administrator's knowledge, that the content of such device represents a complete and accurate (as of the Closing Date) electronic copy of the VDR. Through the date such delivery is made, each of FTS and Cox will cause the providers of its VDR to continue to provide FTS and Cox, as appropriate, and its representatives with access thereto. Neither FTS nor Cox makes any representation or warranty of any kind, express or implied, regarding the validity, accuracy or completeness of any information in its VDR or the electronic copy of its VDR except for the representations and warranties set forth in this Agreement; provided, however, to the extent this Agreement or the Schedules makes reference to an item that is provided in the VDR, each of FTS and Cox, as appropriate, shall be entitled to rely on the copy therein as a valid, true, accurate and complete copy thereof.

Section 5.22 KTVU, LLC Name Change. Within thirty (30) days following the Closing, Cox shall take all actions required under applicable Laws, including making all required filings with the applicable Governmental Authorities, to change its business and legal entity

name to a name that is not associated with and does not contain “KTVU,” and Cox shall provide to FTS written evidence thereof. In addition, Cox shall use commercially reasonable efforts as soon as reasonably practicable following the Closing, but in any event, within thirty (30) days following the Closing Date, to (a) remove or cover all references to KTVU, LLC on any assets of Cox that are not included within the Purchased Cox Assets and (b) otherwise cease all use of “KTVU” that is reasonably likely to cause confusion or to be associated with FTS or any of its Affiliates.

ARTICLE VI

EMPLOYEE MATTERS

Section 6.01 Employment.

(a) At least five (5) Business Days prior to the Closing Date, Cox shall provide an updated Cox Disclosure Schedule Section 3.14(a) and FTS shall provide an updated FTS Disclosure Schedule Section 4.14(a) as well as any health benefit deductible and out of pocket amounts paid by such individual, in each case reflecting such information disclosed on such schedule as of a date on or within five (5) Business Days prior to the Closing Date. On or prior to the Closing Date, FTS shall offer employment to each Employee employed immediately prior to such date who works for the Cox Stations at the Cox Stations’ facilities and who is listed on Cox Disclosure Schedule Section 3.14(a) (or who is hired after the date of such list with the prior, written consent of the parties), and Cox shall offer employment to each Employee employed immediately prior to such date who works for the FTS Stations at the Station’s facilities and who is listed on FTS Disclosure Schedule Section 4.14(a) (or who is hired after the date of such list with the prior, written consent of the parties) in each case who (i) is not on authorized leave of absence, medical leave, sick leave, short or long term disability leave, military leave or layoff with recall rights (“Active Employees”); or (ii) is on authorized leave of absence, medical leave, sick leave, short or long term disability leave, military leave or layoff with recall rights and who seek to return to active employment immediately following such absence, but on a date that is within six (6) months of the Closing Date, unless such later date is required under applicable Law (“Inactive Employees”). A party’s offer of employment to each Active Employee shall be for employment commencing immediately following the Closing Date and a party’s offer of employment to each Inactive Employee shall be for employment commencing upon such Inactive Employee’s return to active employment; provided, however, that such return occurs within a date that is within six months of the Closing Date, unless such later date is required under applicable Law. For the purposes hereof, all Active Employees or Inactive Employees who accept a party’s offer of employment and commence employment on the applicable Employment Commencement Date are hereinafter referred to collectively as the “Transferred Employees”, and the “Employment Commencement Date” as referred to herein shall mean (x) as to those Transferred Employees who are Active Employees and who accept a party’s offer pursuant to the third sentence of this Section 6.01(a), the Closing Date, and (y) as to those Transferred Employees who are Inactive Employees and who accept a

party's offer pursuant to the third sentence of this Section 6.01(a), the date on which the Transferred Employee begins employment with such parties.

(b) Notwithstanding Section 6.01(a), (i) FTS shall not offer employment to any Employee identified on Cox Disclosure Schedule Section 6.01(b)(i) ("Excluded Cox Employees") and (ii) Cox shall not offer employment to any Employee identified on FTS Disclosure Schedule Section 6.01(b)(ii) ("Excluded FTS Employees"). As of the date hereof, Cox Disclosure Schedule Section 6.01(b)(i) specifies the name and title of each Excluded Cox Employee and FTS Disclosure Schedule Section 6.01(b)(ii) specifies the name and title of each Excluded FTS Employee; provided that, each of Cox and FTS may propose the addition of up to six (6) additional names to each of such disclosure schedules within ten (10) days of the execution of this Agreement; provided, further that, in the event Cox and FTS are not able to mutually agree to such additions, the disputed individuals shall be Transferred Employees pursuant to the terms of Section 6.01(a) hereof and shall not be Excluded Cox Employees or Excluded FTS Employees.

(c) The parties agree that (i) FTS shall employ at-will those Transferred Employees who are not Union Employees (the "Non-Union Transferred Employees") and who do not have employment agreements with Cox initially at a base salary (or hourly wage), commission rate and normal bonus opportunity at least as favorable as those provided by Cox immediately prior to the Employment Commencement Date; and (ii) Cox shall employ at-will those Transferred Employees who do not have employment agreements with FTS initially at a base salary (or hourly wage), commission rate and normal bonus opportunity at least as favorable as those provided by FTS immediately prior to the Employment Commencement Date.

(d) The parties agree that FTS shall not assume, and shall not be bound by, the terms and obligations of any Bargaining Agreement with respect to the Union Employees as a successor or assign of Cox. Subject to the foregoing: (i) on each Employment Commencement Date FTS agrees to provide the Union Employees with an initial base salary (or hourly wage), commission rate and normal bonus opportunity at least as favorable as those provided by Cox immediately prior to the applicable Employment Commencement Date, and (ii) following the Closing Date, FTS shall comply with any and all bargaining obligations with respect to the Union Employees under the National Labor Relations Act.

(e) The initial terms and conditions of employment for those Non-Union Transferred Employees who have employment agreements with Cox shall be as set forth in such employment agreements. To the extent permitted by applicable Law, FTS shall give Transferred Employees full credit for purposes of eligibility to participate and vesting and accrual of vacation and paid time-off benefits under the employee benefit plans or arrangements maintained by FTS or its Affiliates in which such Transferred Employees participate for such Transferred Employees' service with Cox or its Affiliates or predecessors but only to the extent Cox or its Affiliates or predecessors recognized such service for purposes of its equivalent benefit plans or arrangements.

(f) The initial terms and conditions of employment for those Transferred Employees who have employment agreements with FTS shall be as set forth in such employment agreements. To the extent permitted by applicable Law, Cox shall give Transferred Employees full credit for purposes of eligibility to participate and vesting and accrual of vacation and paid time-off benefits under the employee benefit plans or arrangements maintained by Cox or its Affiliates in which such Transferred Employees participate for such Transferred Employees' service with FTS or its Affiliates or predecessors but only to the extent FTS or its Affiliates or predecessors recognized such service for purposes of its equivalent benefit plans or arrangements.

(g) Notwithstanding Section 6.01(e) or Section 6.01(f), neither party shall give the Transferred Employees credit for service with FTS or Cox and/or its Affiliates, as applicable, for purposes of accruing benefits under any defined benefit plan nor for eligibility under any retiree health or medical plan.

Section 6.02 Savings Plan.

(a) Subject to completion of a review of Cox's tax-qualified defined contribution plans (the "Cox's 401(k) Plan"), FTS shall cause a tax-qualified defined contribution plan established or designated by FTS (a "FTS 401(k) Plan") to accept rollover contributions from the Transferred Employees of any account balances (including loans) distributed to them by Cox's 401(k) Plan. The distribution and rollover described herein shall comply with applicable Law, and each party shall make all filings and take any actions required of such party by applicable Law in connection therewith.

(b) Subject to completion of a review of FTS 401(k) Plan, Cox shall cause a Cox's 401(k) Plan to accept rollover contributions from the Transferred Employees of any account balances (including loans) distributed to them by FTS 401(k) Plan. The distribution and rollover described herein shall comply with applicable Law, and each party shall make all filings and take any actions required of such party by applicable Law in connection therewith.

Section 6.03 Employee Welfare Plans. The parties shall retain responsibility for and continue to pay all medical, life insurance, disability, workers' compensation and other welfare plan expenses and benefits for each Transferred Employee with respect to claims incurred under the terms of the Cox Employee Plans or FTS Employee Plans (as applicable) by such Employees or their covered dependents on or prior to the Employment Commencement Date. Expenses and benefits with respect to claims incurred by Transferred Employees or their covered dependents after the Employment Commencement Date shall be the responsibility of the employing party, subject to the terms and conditions of the applicable party's welfare plans. With respect to any welfare benefit plans maintained by a party for the benefit of Transferred Employees after the Employment Commencement Date, such party shall (a) make those Transferred Employees who were participants in transferor party's welfare plans immediately eligible with respect to similar plans maintained by the transferee party, (b) credit the Transferred Employees with service that was credited under transferor party's welfare plans, (c) cause there to be waived any eligibility requirements or pre-existing condition limitations to the

same extent waived generally by transferee party with respect to its employees and (d) give effect, in determining any deductible and maximum out-of-pocket limitations, amounts paid by such Transferred Employees for the calendar year in which the Closing Date occurs with respect to similar plans maintained by transferor party.

Section 6.04 Vacation. To the extent permitted by applicable Law and to the extent a party has received a credit in the prorations, such party will assume all Liabilities for accrued and unpaid vacation of each Transferred Employee as of the Employment Commencement Date, giving credit under the party's vacation policy for service with transferor party, and shall permit each Transferred Employee to use vacation entitlement accrued as of the Employment Commencement Date for such Transferred Employee. To the extent required by applicable Law, accrued and unpaid vacation will be paid to a Transferred Employee (by Cox for the Cox Stations and FTS for the FTS Stations) in connection with the transactions contemplated by this Agreement and no proration credit for such accrued and unpaid vacation will be received by the other party; provided, however, prior to the applicable Employment Commencement Date, Cox shall pay to each Transferred Employee who is employed in the state of California an amount equivalent to such employee's accrued but unused vacation leave under the Cox vacation policy at the employee's base rate of compensation on the Employment Commencement Date. As to any such California Transferred Employee, Cox shall (i) pay such amount on the applicable Employment Commencement Date and FTS shall not receive a credit for such amounts in the prorations and shall not assume Liabilities for such amounts and (ii) prior to the applicable Employment Commencement Date, provide FTS with details concerning such payments, including the amount and recipient of each such payment.

Section 6.05 Sick Leave. To the extent permitted by applicable Law and to the extent a party has received a credit in the prorations, such party shall grant credit for all unused sick leave accrued by Transferred Employees on the basis of their service during the current calendar year as employees of transferor party.

Section 6.06 No Further Rights. Without limiting the generality of Section 11.09, nothing in this Article VI, express or implied, is intended to confer on any Person (including any Transferred Employees and any current or former employees of the other party) other than the parties hereto and their respective successors and assigns any rights, benefits, remedies, obligations or Liabilities under or by reason of this Article VI, including any right to continued employment. This Section 6.06 does not amend any provision of any employee benefit plan of FTS or Cox and it not intended to nor shall require either party to continue any employee benefit plan or to continue or maintain any other term or condition of employment beyond the time when it otherwise lawfully could be terminated or modified.

Section 6.07 Flexible Spending Plan. The parties will continue to maintain their current health flexible spending account and dependent care account plans (each, a "FSA Plan") for the remainder of the year in which the Closing Date occurs and each party agrees to allow Transferred Employees, as of the applicable Closing Date, to continue such employees' salary reduction agreements for the remainder of transferor party's FSA Plan's year in which the Closing Date occurs and to forward such reductions to the transferor party's FSA Plan for the remainder of the plan year in which the Closing Date occurs. Transferred Employees will be

eligible to participate in any health flexible spending account and dependent care account of the transferee upon the completion of transferor party's FSA Plan year, but shall have no rights to participate in transferee's plans until that time. It is the intention of the parties that the two plans be administered in accordance with Rev. Rul. 2002-32.

Section 6.08 Payroll Matters.

(a) With respect to its Transferred Employees, Cox and FTS shall follow the "standard procedures" for preparing and filing Internal Revenue Service Forms W-2 (Wage and Tax Statements), as described in Revenue Procedure 2004-53 for Transferred Employees. Under this procedure, (i) the parties shall provide all required Forms W-2 to (x) all Transferred Employees reflecting wages paid and taxes withheld by such applicable party prior to the Employment Commencement Date, and (y) all other employees and former employees of such party who are not Transferred Employees reflecting all wages paid and taxes withheld by the party, and (ii) the parties (or one of its Affiliates) shall provide all required Forms W-2 to all Transferred Employees reflecting all wages paid and taxes withheld by such party (or one of its Affiliates) on and after the Employment Commencement Date.

(b) With respect to its Transferred Employees, Cox and FTS shall adopt the "alternative procedure" of Revenue Procedure 2004-53 for purposes of filing Internal Revenue Service Forms W-4 (Employee's Withholding Allowance Certificate) and W-5 (Earned Income Credit Advance Payment Certificate). Under this procedure, the parties shall provide to each other all Internal Revenue Service Forms W-4 and W-5 on file with respect to each Transferred Employee and any written notices received from the Internal Revenue Service under Reg. § 31.3402(f)(2)-1(g)(5) of the Code, and the parties will honor these forms until such time, if any, that such Transferred Employee submits a revised form.

(c) With respect to garnishments, tax levies, child support orders, and wage assignments in effect with the parties on the Employment Commencement Date for Transferred Employees and with respect to which a party has notified the other party in writing, such notified party shall honor such payroll deduction authorizations with respect to Transferred Employees and will continue to make payroll deductions and payments to the authorized payee, as specified by a court or order which was filed with the notifying party on or before the Employment Commencement Date, to the extent such payroll deductions and payments are in compliance with applicable Law, and the notifying party will continue to make such payroll deductions and payments to authorized payees as required by applicable Law with respect to all other employees of the Business who are not Transferred Employees. The parties shall, as soon as practicable after the Employment Commencement Date, provide each other with such information in the possession of such as may be reasonably requested by the other party and necessary for the other party to make the payroll deductions and payments to the authorized payee as required by this Section 6.08(c).

Section 6.09 COBRA. The parties will be responsible for any obligations to provide health care continuation coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985, and the regulations issued thereunder (“COBRA”) to any current or former Employees and their dependents who experience a “qualifying event” (as defined in COBRA) on or prior to the Closing Date or in connection with the transactions contemplated by this Agreement.

Section 6.10 Multiemployer Pension Plans. The parties acknowledge that, as it pertains to the AFTRA Health and Retirement Fund or any other multiemployer pension plan to which Cox contributes or has contributed, the parties have not entered into a transaction set forth in Section 4204 of ERISA and that Cox shall be solely responsible for any withdrawal liability that may be triggered under such plans as a result of the transactions contemplated by this Agreement.

Section 6.11 Severance.

(a) Subject to Section 6.11(b) and Section 6.11(c), with respect to Transferred Employees (i) terminated without cause within six (6) months following their Employment Commencement Date (“Severance Period”) (ii) who are not subject to the terms of an employment agreement, and (iii) who execute a full release of claims (including forfeiture of severance upon any rehiring by Cox as described and subject to the conditions in Section 6.11(c)) against FTS, Cox and each of their Affiliates in a form acceptable to FTS or Cox, as applicable: (i) FTS shall pay severance in the amount of one (1) week of base salary per year of continuous full-time service with the applicable Cox Station and its Affiliates, and (ii) Cox shall pay severance in the amount of one (1) week of base salary per year of continuous full-time service with the applicable FTS Station and its Affiliates. Notwithstanding the foregoing, in the event FTS enters into a collective bargaining agreement during the Severance Period that covers a Union Employee and provides severance benefits, the terms of such collective bargaining agreement shall cover the terms and conditions of the payment of severance for such employees.

(b) With respect to Transferred Employees who are subject to the terms of an employment agreement, such agreement shall govern the terms of any severance provided following their Employment Commencement Date. With respect to Cox Employees (i) who become Transferred Employees, (ii) are terminated without cause within six (6) months of their Employment Commencement Date, (iii) who are not subject to the terms of an employment agreement, (iv) who are not Union Employees, and (v) who execute a full release of claims (including forfeiture of severance upon any rehiring by Cox as described and subject to the conditions in Section 6.11(c)) against FTS, Cox and each of their Affiliates in a form acceptable to FTS or Cox, as applicable: FTS shall pay severance to such employees in lieu of the severance provided for pursuant to Section 6.11(a) in accordance with the formula set forth on Cox Disclosure Schedule Section 6.11(b). Cox will reimburse FTS in an amount equal to the difference between the severance such employee would have received pursuant to Section 6.11(a) and the amount of severance actually received in accordance with this Section 6.11(b) (the

“Supplemental Severance Benefits”). Such reimbursement shall be in an amount equal to the total expenditures for the Supplemental Severance Benefits (i.e., shall include employer funded Taxes) and shall not be reduced by any tax benefits realized by FTS for paying such Supplemental Severance Benefits. For the avoidance of doubt, the payment obligations set forth in this Section 6.11(b) shall not be subject to the Deductible or Cap.

(c) Notwithstanding anything to the contrary in this Section 6.11, with respect to any Transferred Employee who (i) becomes entitled to severance pursuant to this Section 6.11 and (ii) is hired or re-hired by Cox or FTS or any of their respective Affiliates during the period during which such employee is being paid severance by the other party pursuant to this Section 6.11, such paying party shall cease paying severance to such employee provided that the hiring or re-hiring party has provided prior written notice and evidence of such hiring or re-hiring to the other party prior to the payment of any such severance. The obligation to cease paying severance shall commence as soon as practicable following receipt of such notice.

Section 6.12 Annual Bonus Programs. With respect to each Non-Union Transferred Employee who participates in an annual bonus program, (a) FTS shall pay to such FTS Employee a pro rata portion of such employee’s target bonus through such employee’s Employment Commencement Date; and (b) Cox shall pay to such Cox Employee a pro rata portion of such employee’s target bonus through such employee’s Employment Commencement Date, in each case no later than thirty (30) days following such employee’s Employment Commencement Date.

Section 6.13 Long-Term Incentive Programs. With respect to each Non-Union Transferred Employee who participates in a long term incentive program, (a) FTS shall pay to such FTS Employee any amounts earned in connection with such program pursuant to such program’s terms and conditions, and (b) Cox shall pay to such Cox Employee any amounts earned in connection with such program pursuant to such program’s terms and conditions.

Section 6.14 WARN Compliance. Each party agrees to reasonably cooperate and otherwise provide any information reasonably requested in writing by the other party so that each party may ensure its compliance following the Closing Date with any applicable requirements of the Workers Adjustment and Retraining Notification Act or any similar state or local statute.

ARTICLE VII

TAX MATTERS

Section 7.01 Like Kind Exchange.

(a) To the extent permissible under applicable Law, the parties intend that the following exchanges of assets pursuant to this Agreement shall qualify as “like kind” exchanges under Section 1031 of the Code: (a) for Cox, the exchange by Cox of the Purchased Cox Assets and Assumed Cox Liabilities for the Purchased FTS Assets and Assumed FTS Liabilities, and (b) for FTS, the exchange by FTS of the Purchased FTS

Assets and the Assumed FTS Liabilities for the Purchased Cox Assets and the Assumed Cox Liabilities.

(b) Cox covenants with and warrants to FTS, and FTS covenants with and warrants to Cox that (a) no Tax return hereinafter filed by Cox or any Affiliate of Cox, or by FTS or any Affiliate of FTS, or any of their respective representatives, successors or assigns, will treat any exchanges described herein inconsistently with or differently than as described herein, and (b) in no tax audit, tax examination, tax review or tax litigation will Cox or any Affiliate of Cox, or FTS or any Affiliate of FTS, or any of their respective representative, successors or assigns, treat any such exchange inconsistently with or differently than as described herein. Each party agrees to cooperate with the other part in order that Cox and FTS effectuate the tax-deferred exchanges as described herein of like-kind property pursuant to Section 1031 of the Code. The parties agree to execute such agreements and other documents as may be necessary to complete and otherwise effectuate these tax-deferred exchanges.

Section 7.02 Bulk Sales. Cox and FTS hereby waive compliance with the provisions of any applicable bulk sales law and no representations, warranty or covenant contained in this Agreement shall be deemed to have been breached as a result of such non-compliance.

Section 7.03 Transfer Taxes. All Transfer Taxes arising out of or in connection with the transactions effected pursuant to this Agreement shall be paid equally by Cox and FTS. The party who has the primary responsibility under applicable Law for the filing of a Tax Return with respect to any Transfer Tax shall notify the other party in writing of the Transfer Taxes shown on such Tax Return. Such party shall pay the party who provided notice one-half of such amount of Transfer Tax in immediately available funds by the later of (i) five (5) Business Days after the date of such notice or (ii) five (5) Business Days prior to the due date for such Transfer Tax Return. Cox and FTS shall cooperate in the preparation, execution and filing of all Transfer Tax Returns and shall cooperate to seek and to secure any available exemptions from such Transfer Taxes.

Section 7.04 Allocation of Fair Market Value.

(a) The fair market value of each of the assets (other than those which, individually or in the aggregate, are not material in value) that comprise the Purchased FTS Assets and the Purchased Cox Assets shall be determined on the basis of appraisals (the "Appraisal") prepared by the firm of Bond & Pecaro or such other appraisal firm as the parties may mutually agree (the "Appraiser"), whose fees and expenses shall be shared equally between FTS and Cox. The parties shall direct the Appraiser to deliver the Appraisals within sixty (60) days after the Closing Date.

party for approval, which approval shall not be unreasonably withheld, conditioned or delayed.

(c) To the extent permissible under Section 1031 of the Code, each party to this Agreement shall report the transaction contemplated hereby as a “like-kind exchange”, consistent with the Appraisals, and the IRS Forms 8594 and 8824 prepared in accordance with clause (b) above, and shall not take, and shall not permit their respective Affiliates, representatives, successors and assigns to take, any position on any federal, state or local tax return or report, or in any tax examination, tax audit or tax litigation, inconsistent with such reporting position, the Appraisals, or such IRS Form 8594 or 8824; provided, however, that nothing herein shall be deemed to prevent any of the parties or their respective Affiliates, representatives, successors and assigns from compromising its position with respect to the application of Section 1031 of the Code, if such party determines in good faith that to do so would be in its best interests and written notification of such determination is delivered to the other party.

(d) Subject to Section 7.04(c), each party to this Agreement shall cooperate with the others, including in preparing IRS Forms 8594 and 8824 and executing all necessary agreements and documents to the extent necessary for them to treat the exchange of the assets hereunder as a “like-kind exchange” to the extent permissible under Section 1031 of the Code.

(e) Neither party to this Agreement shall have any liability or obligation to any other party for the failure of the exchange of the assets hereunder to qualify as a “like-kind exchange” under Section 1031 of the Code unless such failure is the result of a breach by it of its representations, warranties, covenants and obligations set forth in this Section 7.04.

(f) Notwithstanding anything in this Agreement to the contrary, the provisions of this Section 7.04 shall survive without limitation.

Section 7.05 Allocation of Taxes. For the purpose of the allocation of Taxes pursuant to this Agreement to periods of time prior to and after the Closing Date, the portion of Taxes that relate to a period of time prior to the Closing Date (a) in the case of all property Taxes, personal property Taxes and similar ad valorem obligations in respect to the Purchased FTS Assets or the FTS Business and the Purchased Cox Assets or the Cox Business, as applicable, that relate to periods beginning prior to the Closing Date and ending after the Closing Date, shall be allocated between the portion of the period ending on the day of the Closing Date and the remainder of the period based on the number of days in each such segment of the period and (b) in the case of all other Taxes such Taxes, shall be allocated between the portion of the period ending on the day of the Closing Date and the remainder of the period based on a “closing of the books” basis as if the relevant Tax period ended on the day of the Closing Date.

Section 7.06 Audits.

(a) FTS shall notify Cox in writing promptly upon receipt by FTS or any of its Affiliates of any notice of any pending or threatened audit or assessments with respect to

Taxes relating to the Purchased Cox Assets or the Cox Business other than Taxes as to which Cox has no indemnification obligation or other Liability. Cox shall have the right to control the handling and disposition of such audit and any administrative or court proceeding relating thereto (and to employ counsel of its choice at its expense) to the extent such audit or proceeding might result in an increase in the Tax Liabilities as to which Cox is required to indemnify FTS.

(b) Cox shall notify FTS in writing promptly upon receipt by Cox or any of its Affiliates of any notice of any pending or threatened audit or assessments with respect to Taxes relating to the Purchased FTS Assets or the FTS Business other than Taxes as to which FTS has no indemnification obligation or other Liability. ARTICLE VIII

CONDITIONS TO CLOSING

Section 8.01 Conditions to Obligations of Cox and FTS. The obligations of Cox and FTS to consummate the transactions contemplated by this Agreement shall be subject to the fulfillment or waiver, at or prior to the Closing, of the condition that no provision of any applicable Law and no Governmental Order shall prohibit the consummation of the transactions to be consummated at the Closing.

Section 8.02 Conditions to Obligations of Cox. The obligation of Cox to consummate the transactions contemplated by this Agreement shall be subject to the fulfillment or waiver, at or prior to the Closing (unless otherwise provided) of each of the following further conditions:

(a) The representations and warranties of FTS (i) that are Fundamental Representations shall be true and correct in all respects as of the date of this Agreement and as of the Closing Date (other than any representation or warranty that is expressly made as of a specified date, which shall be true and correct as of such specified date only) and (ii) set forth elsewhere in this Agreement (without giving effect to any materiality or FTS Material Adverse Effect qualifications therein) shall be true and correct as of the date of this Agreement and as of the Closing Date (other than any representation or warranty that is expressly made as of a specified date, which shall be true and correct as of such specified date only), except where the failure to be true and correct has not had and would not reasonably be expected to have, individually or in the aggregate, an FTS Material Adverse Effect.

(b) FTS shall have performed in all material respects all obligations required to be performed by it under this Agreement on or prior to the Closing Date. Cox shall have received a certificate dated as of the Closing Date, from FTS, executed by an

authorized officer of FTS, to the effect that the conditions set forth in Section 8.02(a), Section 8.02(b) and Section 8.02(f) have been satisfied.

(c) FTS shall have delivered to Cox termination statements on Form UCC-3 with respect to the Purchased FTS Assets conveyed as of the Closing, or other appropriate releases, which when filed will release and satisfy any and all Liens relating to the Indebtedness of FTS with respect to the Purchased FTS Assets conveyed as of the Closing, together with proper authority to file such termination statements or other releases.

(d) FTS shall have delivered to Cox on the Closing Date a duly completed and executed certificate of non-foreign status dated as of the Closing Date (the “FTS FIRPTA Certificate”) pursuant to section 1.1445-2(b)(2) of the Treasury regulations in form and substance reasonably satisfactory to Cox.

(e) If Cox elects to obtain title insurance for any FTS Owned Real Property, and provided Cox shall have ordered such title insurance within five (5) Business Days following the date of this Agreement and shall thereafter have diligently pursued obtaining such title insurance, then, on the Closing Date, such title company shall have issued, or be committed to issue subject only to payment of title premiums, such title insurance for such FTS Owned Real Property, subject only to FTS Permitted Liens.

(g) With respect to the Closing, the FCC Consents shall have been granted, and shall remain in full force and effect; provided, however, there is no requirement that the FCC Consents shall have become a Final Order. To the extent that the failure to meet the condition in this subsection relates solely to the FCC Consents for non-broadcast FCC Licenses for which FCC policy permits agreements for the sharing of the services provided through such authorizations, the parties agree promptly to execute appropriate sharing agreements and agree that, upon execution of such sharing agreements, the conditions in this subsection shall be deemed to have been met for such non-broadcast FCC Licenses.

(h) The HSR Approval shall have been obtained.

(i) FTS shall have made, or stand ready at the Closing to make, the deliveries contemplated in Section 2.14(b), Section 2.14(c) and each Ancillary Agreement.

(b) Cox shall have performed in all material respects all obligations required to be performed by it under this Agreement on or prior to the Closing Date. FTS shall have received a certificate dated as of the Closing Date, from Cox, executed by an authorized officer of each Cox, to the effect that the conditions set forth in Section 8.03(a), Section 8.03(b) and Section 8.03(g) have been satisfied.

(c) Cox shall have delivered to FTS termination statements on Form UCC-3 with respect to the Purchased Cox Assets conveyed as of the Closing, or other appropriate releases, which when filed will release and satisfy any and all Liens relating to the Indebtedness of Cox with respect to the Purchased Cox Assets conveyed as of the Closing, together with proper authority to file such termination statements or other releases.

(d) Cox shall have delivered to FTS on the Closing Date a duly completed and executed certificate of non-foreign status dated as of the Closing Date (the “Cox FIRPTA Certificate”) pursuant to section 1.1445-2(b)(2) of the Treasury regulations in form and substance reasonably satisfactory to FTS.

(e) On the Closing Date, with respect to each Material Cox Real Property Lease, Cox shall have obtained an executed consent and estoppel from the landlord thereunder for the assignment of such Material Cox Real Property Lease to FTS as described in Section 2.14(a)(ix);

(g) There shall not exist or have occurred since the date hereof any state of facts, condition, change, development, event or effect that, either alone or in combination with any other state of facts, condition, change, development, event or effect, has had or would reasonably be expected to have, individually or in the aggregate, a Cox Material Adverse Effect.

(h) With respect to the Closing, the FCC Consents shall have been granted, and shall remain in full force and effect; provided, however, there is no requirement that the FCC Consents shall have become a Final Order. To the extent that the failure to meet the condition in this subsection relates solely to the FCC Consents for non-broadcast FCC Licenses for which FCC policy permits agreements for the sharing of the services provided through such authorizations, the parties agree promptly to execute appropriate sharing agreements and agree that, upon execution of such sharing agreements, the conditions in this subsection shall be deemed to have been met for such non-broadcast FCC Licenses.

(i) The HSR Approval shall have been obtained.

(j) Cox shall have made, or stand ready at the Closing to make, the deliveries contemplated in Section 2.14(a), Section 2.14(c) and each Ancillary Agreement.

ARTICLE IX

TERMINATION

Section 9.01 Termination. This Agreement may be terminated at any time prior to the Closing as follows:

(a) by the mutual written consent of Cox and FTS.

(b) either by Cox or by FTS:

(i) if the Closing shall not have occurred on or before November 15, 2015 (the "Termination Date"), so long as the terminating party is not then in breach of any of its representations, warranties, covenants or agreements contained in this Agreement to the extent that would give the other party the right not to close pursuant to Section 8.02 or Section 8.03, as the case may be; and provided further, that the right to terminate this Agreement under this Section 9.01(b)(i) shall not be available to any party whose failure to fulfill any obligation under this Agreement has been the substantial or primary cause of, or resulted in, the failure to obtain FCC Consents or HSR Approval by the Termination Date; or

(ii) if there shall be any Law that prohibits consummation of the transactions contemplated by this Agreement or if a Governmental Authority of competent jurisdiction shall have issued a Government Order enjoining or otherwise prohibiting consummation of the transactions contemplated by this Agreement, and such Government Order shall have become final and non-appealable; provided that the right to terminate this Agreement under this Section 9.01(b)(ii) shall not be available to any party whose failure to fulfill any obligation under this Agreement has been the cause of, or resulted in, the issuance of such Government Order.

(c) Either by Cox or by FTS, if the FCC designates the Cox Stations FCC Application or the FTS Stations FCC Application for hearing with respect to the transactions contemplated by this Agreement.

(d) by Cox upon a breach of any representation, warranty, covenant or agreement on the part of FTS set forth in this Agreement, or if any representation or warranty of FTS shall have become untrue, in either case such that (i) the conditions set forth in Section 8.02(a) or Section 8.02(b) would not be satisfied, (ii) such breach cannot be or has not been cured within thirty (30) days following delivery of written notice of such breach, and (iii) such breach has not been waived by Cox; provided, however, that Cox shall not have the right to terminate this Agreement pursuant to this Section 9.01(d) if Cox is then in material breach of any of its representations, warranties, covenants or agreements contained in this Agreement to an extent which would give FTS the right not to close pursuant to Article VIII.

(e) by FTS upon a breach of any representation, warranty, covenant or agreement on the part of Cox set forth in this Agreement, or if any representation or warranty of Cox shall have become untrue, in either case such that (i) the conditions set forth in Section 8.03(a) or Section 8.03(b) would not be satisfied, (ii) such breach cannot be or has not been cured within thirty (30) days following delivery of written notice of such breach, and (iii) such breach has not been waived by FTS; provided, however, that FTS shall not have the right to terminate this Agreement pursuant to this Section 9.01(e) if FTS is then in material breach of any of its representations, warranties, covenants or agreements contained in this Agreement to an extent which would give Cox the right not to close pursuant to Article VIII.

(f) The party desiring to terminate this Agreement pursuant to this Section 9.01 (other than pursuant to Section 9.01(a)) shall give at least ten (10) days' advance written notice of such termination to the other party.

Section 9.02 Effect of Termination. In the event of a valid termination of this Agreement pursuant to Section 9.01, this Agreement (other than this Article IX and Article XI, which shall remain in full force and effect) shall forthwith become null and void, and no party hereto (nor any of their respective Affiliates, directors, officers or employees) shall have any Liability or further obligation, except with respect to Losses resulting from material breaches of the terms hereof. A termination of this Agreement shall not terminate the Confidentiality Agreement, nor, in each case, affect the parties' rights and obligations thereunder.

ARTICLE X

SURVIVAL; INDEMNIFICATION

Section 10.01 Survival. The representations and warranties of the parties hereto contained in or made pursuant to this Agreement or in any certificate or other writing furnished pursuant hereto or in connection herewith shall survive in full force and effect until the twelve (12) month anniversary of the Closing Date; provided, however, that (a) the representations and

warranties in Section 3.01 and Section 4.01 (Corporate Existence and Power), Section 3.02 and Section 4.02 (Corporate Authorization; Voting Requirements), and Section 3.18 and Section 4.18 (Sufficiency), solely with respect to title, shall survive in perpetuity; (b) the representations and warranties in Section 3.14 and Section 4.14 (Employees; Labor Matters), Section 3.15 and Section 4.15 (Employee Benefit Plans), Section 3.19 and Section 4.19 (Taxes), Section 3.20 and Section 4.20 (Brokers) shall survive until the date that is sixty (60) days after the expiration of the applicable statute of limitations; (c) the representations and warranties in Section 3.16 and Section 4.16 (Environmental Matters) shall survive until five (5) years after the Closing Date; and (d) the Fundamental Representations, except for Section 3.19 and Section 4.19 (Taxes), shall survive in perpetuity in the event of fraud or intentional breach. The covenants and agreements in this Agreement that by their nature are required to be performed by or prior to the Closing Date shall survive until the eighteen (18) month anniversary of such date, and the covenants and agreements in this Agreement that by their nature are required to be performed following the Closing Date shall survive until the six (6) month anniversary of the last date on which each such post-Closing covenant and agreement was required to be performed. In the event written notice of a claim is given on or prior to the last day of the applicable survival period, the right to indemnification with respect thereto shall survive the applicable survival period until such claim is finally resolved and any obligations thereto are fully satisfied.

Section 10.02 Indemnification by Cox.

(a) Subject to Section 10.01, from and after the Closing Date, Cox shall indemnify and hold harmless FTS, its Affiliates and their respective employees, officers and directors (collectively, the “FTS Indemnified Parties”) from and against, any and all Losses incurred, suffered or sustained by the FTS Indemnified Parties or any one of them, directly or indirectly, in connection with or as a result of any of the following:

- (i) any breach of any representation or warranty made by Cox in this Agreement or any certifications made by Cox in any certificate delivered pursuant to this Agreement;
- (ii) any breach or failure to perform any agreement or covenant of Cox contained in this Agreement;
- (iii) the Excluded Cox Liabilities or any failure to comply with laws relating to bulk sales in connection with the exchange of the Purchased Cox Assets; and
- (iv) the Excluded Cox Assets.

(b) Notwithstanding any other provision to the contrary except for Section 5.07, except with respect to fraud, intentional breach or a breach or inaccuracy with respect to a Fundamental Representation, (i) Cox shall not be required to indemnify and hold harmless any FTS Indemnified Party pursuant to Section 10.02(a)(i), except with respect to Section 3.16 (Environmental Matters), until the aggregate amount of FTS Indemnified Parties’ Losses exceeds One Million Dollars (\$1,000,000) (the “Deductible”), after which Cox shall be required to indemnify and hold harmless the FTS

Indemnified Parties for the entire amount of such Losses and any additional Losses in excess of such Deductible and (ii) the cumulative indemnification obligation of Cox pursuant to (A) Section 10.02(a)(i) (other than with respect to the breach of any Fundamental Representation) and (B) Section 10.02(a)(ii) with respect to Section 5.20(d), together with (C) the obligation of Cox pursuant to Section 5.20(d), collectively, shall not exceed Thirty Million Dollars (\$30,000,000) in the aggregate (the “Cap”).

Section 10.03 Indemnification by FTS.

(a) Subject to Section 10.01, from and after the Closing Date, FTS shall indemnify and hold harmless Cox, its Affiliates and their respective employees, officers and directors (collectively, the “Cox Indemnified Parties”) from and against any and all Losses incurred, suffered or sustained by Cox Indemnified Parties or any one of them, directly or indirectly, in connection with or as a result of any of the following:

(i) any breach of any representation or warranty made by FTS in this Agreement or any certifications made by FTS in any certificate delivered pursuant to this Agreement;

(ii) any breach or failure to perform any agreement or covenant of FTS contained in this Agreement;

(iii) the Excluded FTS Liabilities or any failure to comply with laws relating to bulk sales in connection with the exchange of the Purchased FTS Assets; and

(iv) the Excluded FTS Assets.

(b) Notwithstanding any other provision to the contrary except for Section 5.07, except with respect to fraud, intentional breach or a breach or inaccuracy with respect to a Fundamental Representation, (i) FTS shall not be required to indemnify and hold harmless any Cox Indemnified Party pursuant to Section 10.03(a)(i), except with respect to Section 4.16 (Environmental Matters), until the aggregate amount of Cox Indemnified Parties’ Losses exceeds the Deductible, after which FTS shall be required to indemnify and hold harmless the Cox Indemnified Parties for the entire amount of such Losses and any additional Losses in excess of such Deductible and (ii) the cumulative indemnification obligation of FTS pursuant to (A) Section 10.03(a)(i) (other than with respect to the breach of any Fundamental Representation) and (B) Section 10.03(a)(ii) with respect to Section 5.20(b), together with (C) the obligation of FTS pursuant to Section 5.20(b), collectively, shall not exceed the Cap.

Section 10.04 Notification of Claims.

(a) A party entitled to be indemnified pursuant to Section 10.02 or Section 10.03 (the “Indemnified Party”) shall promptly notify the party liable for such indemnification (the “Indemnifying Party”) in writing of any claim or demand that the Indemnified Party has determined has given or could give rise to a right of

indemnification under this Agreement; provided, however, that a failure to give prompt notice or to include any specified information in any notice will not affect the rights or obligations of any party hereunder except and only to the extent that, as a result of such failure, any party that was entitled to receive such notice was actually and materially prejudiced as a result of such failure.

(b) If the Indemnified Party shall notify the Indemnifying Party pursuant to Section 10.04(a) of any claim or demand for indemnification involving a claim by a third party (a “Third Party Claim”), the Indemnifying Party shall have the right to employ counsel reasonably acceptable to the Indemnified Party to defend any such Third Party Claim provided that (i) the Indemnifying Party shall in good faith diligently defend against such Third Party Claim and (ii) the Indemnifying Party shall have acknowledged in writing to the Indemnified Party its unqualified obligation to indemnify the Indemnified Party for any Losses suffered or incurred by the Indemnified Party in connection with such Third Party Claim, subject to the Cap and Deductible, as applicable. The Indemnified Party shall have the right to participate in the defense of any such Third Party Claim at its own expense; provided, however, that such Indemnified Party shall be entitled to participate in any such defense with separate counsel at the expense of the Indemnifying Party if (i) so requested by the Indemnifying Party to participate or (ii) in the reasonable opinion of counsel to the Indemnified Party, a conflict or potential conflict exists between the Indemnified Party and the Indemnifying Party that would make such separate representation advisable. The Indemnifying Party shall notify the Indemnified Party in writing as promptly as possible (but in any event no later than the earlier of (x) five (5) Business Days before the due date for the answer or response to a claim and (y) thirty (30) days after the date of the notice of claim given by the Indemnified Party to the Indemnifying Party under Section 10.04(a)) of its election to defend in good faith any such Third Party Claim. Neither the Indemnifying Party nor the Indemnified Party shall, without the prior written consent of the other party, not to be unreasonably withheld, conditioned or delayed, settle, compromise or offer to settle or compromise any Third Party Claim. Notwithstanding the foregoing, if a Third Party Claim (i) seeks relief other than the payment of monetary damages or would result in the imposition of a consent order, injunction or decree that would materially restrict the future activity or conduct of the Indemnified Party or any of its Affiliates, (ii) seeks a finding or admission of a violation of applicable Law or violation of the rights of any Person by the Indemnified Party or any of its Affiliates, (iii) would result in any monetary Liability of the Indemnified Party that will not be fully and promptly paid or reimbursed by the Indemnifying Party or (iv) relates to any ongoing business of the Indemnified Party (which, in the case of an FTS Indemnified Party, shall include the Cox Business and, in the case of a Cox Indemnified Party, shall include the FTS Business), then, in each such case, the Indemnified Party alone shall be entitled to contest, defend, compromise and settle (subject, with respect to any such settlement, to obtaining the consent of the Indemnifying Party, such consent not to be unreasonably withheld, conditioned or delayed) such Third Party Claim in the first instance and, if the Indemnified Party does not contest, defend, compromise or settle such Third Party Claim, the Indemnifying Party shall then have the right to contest and, defend (or settle or compromise with the consent of the Indemnified Party, such consent not to be unreasonably withheld, conditioned or

delayed) such Third Party Claim. In addition, in the event: (i) the Indemnifying Party elects not to defend such claim or action; or (ii) the Indemnifying Party elects to defend such claim or action but fails to diligently defend such claim or action in good faith, the Indemnified Party shall have the right to conduct the defense thereof and to settle or compromise such claim or action without the consent of the Indemnifying Party subject to the provisions of this Section 10.04(b).

Section 10.05 Limitations.

(a) The right to indemnification or any other remedy based on representations, warranties, covenants and agreements in this Agreement, or any Ancillary Agreement shall not be affected by any investigation conducted at any time, or any knowledge acquired (or capable of being acquired) at any time, whether before or after the execution and delivery of this Agreement, with respect to the accuracy or inaccuracy of, or compliance with, any such representation, warranty, covenant or agreement. The waiver of any condition based on the accuracy of any such representation or warranty, or on the performance of or compliance with any such covenant or agreement, will not affect the right to indemnification or any other remedy based on such representations, warranties, covenants and agreements.

(b) For purposes of calculating Losses hereunder, any materiality, Cox Material Adverse Effect, FTS Material Adverse Effect, or Knowledge qualifications in the representations, warranties, covenants and agreements shall be disregarded.

(c) Losses recoverable by an Indemnified Party shall be determined net of any amounts actually received by the Indemnified Party under insurance policies or other collateral sources not affiliated with the Indemnified Party (such as contractual indemnities which are contained outside of this Agreement) with respect to such Losses (net of the expenses of recovery thereof, including the deductible for such policies and any increase in the premium for such policies directly attributable to such Losses).

Section 10.06 Exclusive Remedies. FTS and Cox acknowledge and agree that, if the Closing occurs, except as otherwise provided in Section 5.07, Section 5.20 or Section 11.12, the indemnification provisions of this Article X shall be the sole and exclusive remedies of FTS and Cox for any breach of the representations, warranties, covenants or agreements of FTS or Cox contained in this Agreement and the Other Documents and any certifications made by FTS or Cox in any certificate delivered pursuant to this Agreement; provided, however, that nothing contained in this Agreement shall relieve or limit the Liability of either party from any Liability or Losses arising out of or resulting from fraud or intentional breach in connection with the transactions contemplated in this Agreement or limit party's ability to seek or obtain specific performance or other injunctive relief pursuant to Section 11.12.

Section 10.07 Limitation on Liability. Notwithstanding any other provision of this Agreement, except as a result of fraud or intentional breach, no Indemnifying Party shall be liable to any Indemnified Party for special, indirect, consequential, punitive or exemplary Losses or lost profits, diminution in value to the extent not a direct Loss or any Losses based on any type

of multiple earnings, except to the extent in all cases any such Losses result from a Third Party Claim.

Section 11.04 Headings. The headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

Section 11.05 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced because of any Law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner adverse to either party hereto. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

Section 11.06 Entire Agreement. This Agreement, the Confidentiality Agreement, and the Ancillary Agreements constitute the entire agreement of the parties hereto with respect to the subject matter hereof and thereof and supersede all prior agreements and

undertakings, both written and oral, between Cox and FTS with respect to the subject matter hereof and thereof, except as otherwise expressly provided herein.

Section 11.07 Successors and Assigns. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns. None of the parties may assign their rights under this Agreement without the other parties' prior written consent; provided, however, both of Cox and FTS may designate one or more of its Affiliates to perform its obligations hereunder, so long as Cox and FTS remain liable for the performance thereof.

Section 11.08 No Recourse. Notwithstanding any of the terms or provisions of this Agreement, Cox, on the one hand, and FTS, on the other hand, agree that neither it nor any Person acting on its behalf may assert any claims or cause of action against any employee, officer, director, member, trustee or stockholder of the other party or stockholder, in connection with or arising out of this Agreement or the transactions contemplated hereby.

Section 11.09 No Third-Party Beneficiaries. Except as expressly provided in Article X and Section 11.07, this Agreement is for the sole benefit of the parties hereto and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person or entity any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

Section 11.10 Amendments and Waivers.

(a) This Agreement may not be amended or modified except by an instrument in writing signed by all of the parties hereto.

(b) At any time prior to the Closing, either party may (i) extend the time for the performance of any of the obligations or other acts of the other party hereto, (ii) waive any inaccuracies in the representations and warranties of the other party hereto contained herein or in any document delivered pursuant hereto or (iii) waive compliance by the other party hereto with any of the agreements or conditions contained herein. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the party to be bound thereby.

(c) No failure or delay by either party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.

Section 11.11 Governing Law; Jurisdiction. The construction and performance of this Agreement shall be governed by, and construed in accordance with, the law of the State of Delaware without regard to its principles of conflict of law to the extent they would result in the application of the laws of another jurisdiction. This Agreement shall be treated and construed as a contract under seal under the laws of the State of Delaware with all of the consequences of such a contract, including causing this Agreement to be subject to the twenty (20)-year

limitations period applicable to sealed instruments. The exclusive forum for the resolution of any disputes arising hereunder or relating to or involving the matters of this Agreement shall be the state or federal courts located within the State of Delaware, and each party hereto irrevocably submits to the exclusive jurisdiction of such court in any such action or proceeding and irrevocably waives the reference of an inconvenient forum to the maintenance of any such action or proceeding. Each party agrees not to bring any action or proceeding arising out of or relating to this Agreement in any other court.

Section 11.12 Specific Performance. The parties agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy, would occur in the event that the parties hereto do not perform the provisions of this Agreement (including failing to take such actions as are required of it hereunder to consummate this Agreement) in accordance with their specified terms or otherwise breach such provisions. The parties acknowledge and agree that the parties shall be entitled to seek an injunction, specific performance and other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, this being in addition to any other remedy to which they are entitled at law or in equity. Each of the parties agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief on the basis that the other parties have an adequate remedy at law or an award of specific performance is not an appropriate remedy for any reason at law or equity. Any party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement shall not be required to provide any bond or other security in connection with any such order or injunction. For the avoidance of doubt, (i) FTS shall be entitled to seek specific performance requiring the consummation of the acquisition of the Purchased Cox Assets by Cox in accordance with the terms of this Agreement in connection with a breach by Cox of its obligations to consummate the transactions contemplated by this Agreement and (ii) Cox shall be entitled to seek specific performance requiring the consummation of the acquisition of the Purchased FTS Assets by FTS in accordance with the terms of this Agreement in connection with a breach by FTS of this Agreement.

Section 11.13 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 11.14 Counterparts. This Agreement may be executed in one or more counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or e-mail shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 11.15 No Presumption. This Agreement shall be construed without regard to any presumption or rule requiring construction or interpretation against the party drafting or causing any instrument to be drafted.

Section 11.16 Disclosure Schedules.

(a) The parties acknowledge and agree that (i) matters reflected in the Disclosure Schedules are not necessarily limited to the matters required by this Agreement to be disclosed in the Disclosure Schedules, (ii) the Disclosure Schedules may include certain items and information solely for informational purposes for the convenience of the parties and (iii) the disclosure by the disclosing party of any matter in the Disclosure Schedules shall not be deemed to constitute an acknowledgment by such disclosing party that the matter is required to be disclosed by the terms of this Agreement or that the matter is material. The specification of any dollar amount in the representations and warranties contained in this Agreement or the inclusion of any specific item in the Disclosure Schedules are not intended to imply that such amounts are within or outside the ordinary course of business for purposes of this Agreement.

(b) If and to the extent any information required to be furnished in any section of the Disclosure Schedules is contained in this Agreement or in any section of the Disclosure Schedules, such information shall be deemed to be included in all sections of the Disclosure Schedules to the extent that the relevance of any such information to any other section of the Disclosure Schedules is readily apparent from the text of such disclosure.

(c) Each disclosing party has disclosed the information contained in the Disclosure Schedules solely for purposes of this Agreement, and no information contained therein shall be deemed to be an admission by any party thereto to any third party of any matter whatsoever, including of any violation of Law or breach of any agreement.

Guarantor expressly agrees that FTS may proceed directly against Guarantor under this Section 11.17 concurrently with proceeding against Cox and is not required to exhaust remedies against Cox before proceeding against Guarantor.

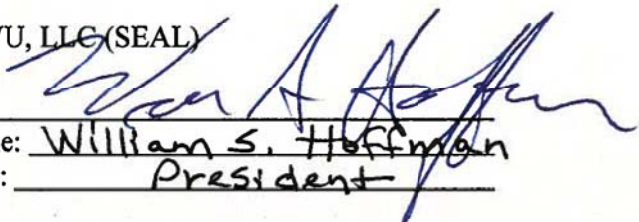

(b) Guarantor represents and warrants to FTS that it has the requisite power and authority to execute and deliver this Agreement, to perform its obligations hereunder, and to consummate the transactions contemplated hereby. The execution and delivery by

Guarantor of this Agreement, the performance by Guarantor of its obligations hereunder, and the consummation by Guarantor of the transactions contemplated hereby, have been duly authorized and approved by all necessary action of Guarantor and do not require any further authorization or consent. This Agreement has been duly executed and delivered by Guarantor and, assuming the due authorization, execution and delivery of this Agreement by FTS and Cox, this Agreement constitutes a legal, valid and binding agreement of Guarantor, enforceable against Guarantor in accordance with its terms.
