

Radio Multiple Ownership Compliance Showing

This application seeks to transfer control of six (6) AM stations and one (1) FM station in Puerto Rico. Pedro Roman Collazo (deceased), was the licensee of WVOZ (AM), San Juan, Puerto Rico. Mr. Roman was also the President and 100% stockholder of International Broadcasting Corporation ("IBC"). Collectively, Mr. Roman owned the following seven (7) radio stations:

WVOZ(AM) San Juan, PR (Fac ID. 54958)
WEKO (AM) Morovis, PR (Fac ID. 72452)
WGIT (AM) Canovanas, PR (Fac ID. 87150)
WIBS (AM) Guayama, PR (Fac ID. 72384)
WRSJ (AM) Bayamon, PR (Fac ID. 295)
WVOZ-FM (FM) Carolina, PR (Fac ID. 28921)
WGYA (AM) Guayama, PR (Fac ID. 25531) (formerly WXRF)

The proposed transferees, Angel Roman Lopez and Ruth Roman Lopez, have attributable interests in AM radio station WQBS, San Juan (Fac. ID 573).

The Commission's local radio ownership rules limit the total number of stations in a single market in which any individual or entity may have an attributable interest. As demonstrated in the attached BIA Market Report, Arbitron treats Puerto Rico as a single market that is home to 132 full-power radio stations. Pursuant to Section 73.3555, a market of 45 or more commercial and noncommercial educational full-power radio stations, a party is allowed a cognizable interest in up to eight (8) commercial radio stations, not more than five (5) of which are in the same service.

The above-listed radio stations were acquired by Mr. Roman Collazo over time pursuant to Commission approval of multiple ownership waivers because the resulting ownership had a single party holding interest in more than five stations in the same service (AM). A similar waiver is warranted here, as it appears that the transferees would have attributable interests in seven (7) AM stations upon consummation of the proposed transfer. However, a waiver will not be necessary in light of two pending assignment applications to divest IBC of two of the AM stations.

Subject to grant of File No. BAL-20141229ACU, WGIT(AM), Canovanas will be assigned to Faro de Santidad, Inc. – an entity in which no parties to the instant application have an interest. Subject to the grant of File No. BAL-20130827ABD, IBC will also be divested of WGYA(AM), Guyama. The proposed assignee of WGYA is an individual, Wifredo G. Blanco-Pi. If the Commission were to process this application in concert with those pending applications to assign the licenses of WGIT(AM) and WGYA (AM), the radio multiple ownership question would be moot, as the divestiture of two AM stations would result in only five (5) AM station remaining under the transferees' common ownership.

As demonstrated above, common ownership of up to five (5) stations in the same service is permitted under the Commission's local radio ownership rules. The proposed transaction will comply upon the simultaneous divestitures of stations WGYA and WGIT.
