Mr. Frank Lanzone
President/General Manager
Public radio KCBX
4100 Vachell Lane
San Luis Obispo, CA 93401

Dear Frank

As requested, this is a letter from station KSBY TV-6 concurring with the amendment with the FCC on your anticipated Class B FM station on channel 215D in Solvang, CA. This letter is written for the purpose of satisfying the Federal Communications Commission in connection with Section 73.525 and 74.1205 of the Rules concerning potential interference created by educational FM stations to the converge area of Channel 6 TV stations. It should be understood that our concurrence is conditional upon the following:

1. We concur only with the specific facilities specified in your amendment to the Federal Communications Commission.
2. Any future modifications that require a construction permit from the FCC will require a new letter from us.
3. KSBY TV-6 shall be notified two days in advance of the start of equipment tests.
4. Programming shall not be broadcast over the new stations until all reasonable complaints of interference to Channel 6 that are triggered as a result of the equipment tests have been resolved with the satisfaction of KSBY TV-6.
5. KCBX agrees to cooperate in resolving any Channel 6 interference complaints, or complaints of interference, which occurs after the commencement of regular programming from the new antenna. This includes reasonable requests for on-off tests if KSBY TV-6 should deem such tests necessary.
6. It is understood that KCBX will comply with all pertinent FCC Rules regarding the alleviation of any interference that may be caused by its new facilities.
7. This letter is not valid until signed by representatives of both parties and a copy returned to KSBY TV-6,
