Gentlemen:

This letter agreement (this "**Letter**") confirms the agreement of Lotus Sacramento Corp, a California corporation ("**Programmer**"), and Results Radio of Sacramento Licensee, LLC, a Delaware limited liability company ("**Licensee**"), revising the programming obligations of the parties for Station KMJE 92.1 MHz, Placerville, California, under the Local Programming and Marketing Agreement, dated August 23, 2013 (the "**LMA**"), between Programmer and Licensee. Capitalized terms used herein and not otherwise defined have the meanings ascribed to them in the LMA.

Section 2 of the LMA provides that Programmer will provide Programs to Licensee for broadcast during the Term, which, under Section 1 of the LMA, began on October 1, 2013. Licensee and Programmer agree that, notwithstanding the terms of Sections 1 and 2 of the LMA, Licensee will retain the responsibility for programming, and continue to program the Station, until Programmer delivers a notice (the "**Programming Notice**") to Licensee that Programmer will begin providing Programs for the Station. Licensee will begin broadcasting Programs the Programmer provides as promptly as commercially reasonable and in no event more than seven days after Programmer delivers the Programming Notice. Despite Licensee's continued programming, as agreed hereunder, each of Programmer and Licensee acknowledge that the Term commenced October 1, 2013, as provided in the LMA, and that this Letter does not amend Programmer's obligations to make payments or reimbursements under the LMA.

If the foregoing accurately sets forth your understanding of our agreement, please so indicate by executing this letter where indicated below and returning a fully executed copy to the undersigned. Thank you.

Very truly yours,
Results Radio of Sacramento Licensee, LLC
