United Ministries (“UM”) is the licensee of non-commercial educational FM radio stations KJOL-FM, Montrose, Colorado and WBMR, Telford, Pennsylvania. UM is also the licensee of commercial AM stations KJOL, Grand Junction, Colorado, and KJYE, Delta, Colorado. UM is a non-stock, non-profit organization. UM is filing this application to obtain Commission consent to new members of its Board of Directors.

The selection of UM’s new Board of Directors took place pursuant to its Articles of Incorporation and By-Laws. The resulting transfer of control occurred gradually, over time, through routine changes in board membership.

No consideration or thing of value is being given in exchange for the interests being transferred. All Board Members are U.S. citizens. Each Board Member has one vote. None have any interests in any mass media.

This application is intended to bring the station into compliance with the requirement to obtain FCC approval of the Board after 50% of the members of the Board of Directors have changed. The FCC last approved the Board in UM’s initial application for a construction permit for KJOL-FM (FCC File No. BNPED-20071022BDK), which was granted March 24, 2008. A chart is included below documenting the turnover of the board based on Biennial Ownership Reports filed with the FCC since the 2007 application.

The members approved in the 2007 application were:

Roy S. Kolb
Robert Reichard
Brian DeWalt
Robert Ewald
Gregory C. Hartman
Ken Andrews

The members of the New Board for whom FCC consent is sought are:

Gregory C. Hartman
Ken Andrews
Brian DeWalt
Dennis Nice
Daniel M. Roberts
Tara Thomson
