**Re: NEW, Topeka, KS
Facility Id. No. 193922
Family of God Fellowship Church, Inc.
BNPL-20131107ALX**

Dear Ms. Dortch:

Family of God Fellowship Church, Inc. ("Family"), applicant for the above-referenced new Low Power FM Station at Topeka, Kansas, herein updates its previous report, filed June 30, 2014, to state that progress is being made with respect to preparation of a study to demonstrate that Family's proposed LPFM facilities comply with the Nationwide Programmatic Agreement and Section 106 of the National Historic Preservation Act. Family is working with Dynamic Environmental Associates, Inc. ("DEAI"). A site visit by a DEAI representative is scheduled for today. Family is hopeful that the study will be completed within approximately 90 days.

This letter is being filed in response to the Audio Division's letter of May 13, 2014. Further updates will be submitted each 30 days until such time as DEAI's study has been completed and Family has been able to amend its application to make an affirmative environmental certification.

Should any questions arise in connection with this matter, please communicate directly with this office.

Very truly yours,

Matthew H. McCormick

Counsel for Family of God Fellowship Church, Inc.
