Re: Radio Vision Cristiana Management (RVC)
KCKN(AM), Roswell, NM
Facility Identification Number: 57721
Special Temporary Authority (STA)
BESTA-20221220AAB

Dear Mr. Evertz:

This is in reference to the request filed on December 20, 2022. RVC requests a further extension of the STA granted on May 23, 2019, to continue operating daytime using the six tower nighttime pattern with a reduced power of 30 kW to allow time to file the required FCC Form 302 application.¹ In support of the request, RVC stated that additional time will be needed to complete all remaining repairs to the daytime antenna system in order to file the application to update all operating parameters.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

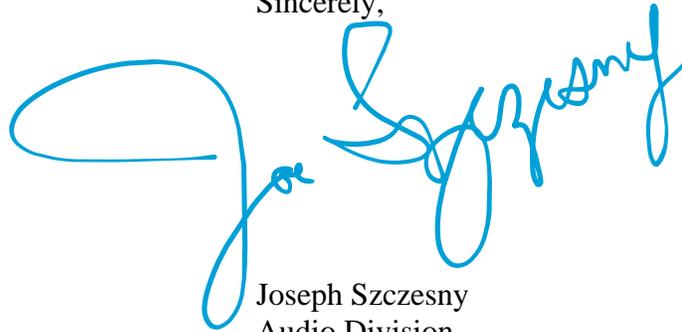

Accordingly, the request for extension of the STA IS HEREBY GRANTED, and RVC may continue to operate daytime with the licensed six tower nighttime DA pattern using a **maximum** reduced nominal power of 30 kW, with no change to the licensed nighttime 50 kW operation. RVC must reduce the daytime 30 kW power level further or cease operation if complaints of interference are received, and use whatever means are necessary to protect workers

¹ KCKN(AM) is licensed for DA operation on 1020 kHz with 50 kW (day and night), using a three tower pattern daytime, and a six tower pattern at night.

and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. See 47 CFR §1.1310.

This authority expires on **June 27, 2023**.

Sincerely,

A handwritten signature in blue ink, appearing to read "Joe Szczesny". The signature is stylized with large loops and a cursive style.
