

MAIN STUDIO LOCATION

WRTQ was previously granted a waiver of the main local studio requirements 47 CFR §73.1125 to allow operation of this station as a “satellite” of WRTI(FM), Philadelphia, PA (license file number BLED-19940907KB). This waiver was re-authorized in the current WRTQ construction permit (BPED-20070907ADS) for which the instant license-to-cover application is submitted. Temple University of the Commonwealth System of Higher Education continues to be the licensee of both WRTI and WRTQ. WRTQ will continue to operate from the WRTI main studio at 1509 Cecil B. Moore Avenue, Philadelphia, PA as previously authorized.
