Notice of Change of Primary Station

Dear Ms Dortch:

The purpose of this letter is to notify the Commission of a change in the primary station of the above referenced translator.

Vermont Public Radio, a noncommercial educational broadcaster, is the licensee of W295AU. The primary station of this facility has been WBTN (FM), 94.3, Bennington, VT. On October 21, 2005 this translator was retuned and its primary station was changed to WNCH (FM), 88.1, Norwich, VT. WNCH (FM) is licensed to Vermont Public Radio and therefore as licensee we are permitted to rebroadcast its signal.

Please contact this office if there are any questions at 802 655 9451.

Sincerely,
