Re: Mill Mountain Tower

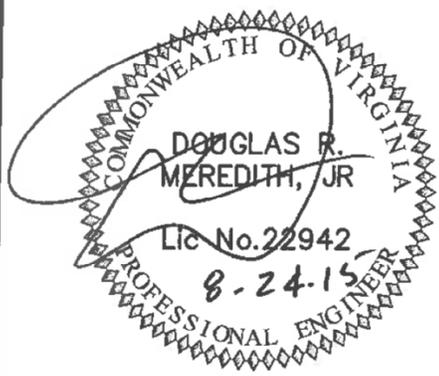

I certify that the azimuths on the Tower located on Mill Mountain in Roanoke Virginia are correct as shown on drawing titled Tower Location Plan Located On Mill Mountain.

North was established using GPS and adjusted for True North. Each leg of the Tower were located to establish the azimuths on the legs and each face of the Tower. The accuracy of the azimuths is within 1 degree.

Sincerely,
L.M.W., P.C.

Douglas R. Meredith, Jr., P.E. L.L.S.
Licensed Land Surveyor
