In re: Low Power Television Application of:
Venture Technologies Group, LLC
Channel 5, Banning, CA.
File no.: BMPDVL-20110729AFW
Facility Id No.: 128327

Dear Applicant:

Within 30 days from the date of this letter, file an amendment to resolve the deficiency that was discovered during the initial review of your application. Amendments must be filed electronically. Failure to amend your application will result in the dismissal of the application.

Specifically, On April 23, 2013, an objection reply was received from the Mexican Authorizes concerning your proposal to modify your digital station as proposed by the engineering specifications outlined in the above referenced modification construction permit. The reason for their objection is that your modified proposal will cause interference to their analog station XHAQ-TV Channel 5 in Mexicali, BC.

Sincerely,

Hossein Hashemzadeh
