TL K17HF - Chico, CA - Fac ID 125422

EXHIBIT 6A  
Engineering Statement

Although it is indicated that this proposal might cause objectionable interference to TT K18A0, Oroville, California, it is submitted that the application complies with the provisions of Section 74.707(d)(4) of the Commission's Rules (please see attached Exhibit 6B). Attention is further directed to the fact that the applicant proposes to use new state of the art equipment, thus minimizing out of band radiation.
