Reno, NV 89511.

Ref: KUEZ FM Antenna

To Whom It May Concern:

Big Horn Media, Inc., thru Shamrock Communications, Inc., has placed an order and made the requisite monetary deposit for a new 14 Bay horizontal polarized FM antenna to replace the current damaged KUEZ, Fallon, NV antenna. The antenna is being designed and constructed with an expected completion date in the second quarter of 2018.

Sincerely,

Douglas A. Ross
