1.2 Clarifications. Words used in this Agreement, regardless of the gender and number specifically used, shall be deemed and construed to include any other gender and any other number as the context requires. As used in this Agreement, the word “including” is not limiting. Except as specifically otherwise provided in this Agreement in a particular instance, a reference to a section or schedule is a reference to a section of this Agreement or a schedule hereto, and the terms “hereof,” “herein,” and other like terms refer to this Agreement as a whole, including the Schedules to this Agreement, and not solely to any particular part of this Agreement. The descriptive headings in this Agreement are inserted for convenience of reference only and are not intended to be part of or to affect the meaning or interpretation of this Agreement.

ARTICLE 2: PURCHASE OF STATION ASSETS

2.1 Agreement to Sell and Buy. Subject to the terms and upon satisfaction of the conditions contained in this Agreement, at Closing, Seller shall sell, convey, transfer, assign and deliver to Buyer all of Seller’s right, title and interest in and to the Station Assets, and Buyer shall purchase, acquire and accept from Seller all of Seller’s right, title and interest in and to the Station Assets, free and clear of all Liens other than Permitted Liens.

2.2 Purchase Price and Escrow Deposit.

(a) The purchase price for the Station Assets shall be Seven Hundred Seventy-Five Thousand Dollars (\$775,000) (the “Purchase Price”), as adjusted pursuant to Section 2.3. The Purchase Price, plus or minus the amount of the Adjustments pursuant to Section 2.3(b) (collectively, the “Closing Cash Payment”), shall be paid by wire transfer of immediately available funds at Closing.

(b) Within five (5) Business Days of the date of this Agreement, Buyer shall deposit the Escrow Deposit with the Escrow Agent pursuant to the Escrow Agreement. At Closing, the Escrow Deposit shall be disbursed to Seller and applied to the Purchase Price (and any interest accrued thereon shall be disbursed to Buyer). If this Agreement is terminated by Seller pursuant to Section 11.1(b), then the Escrow Deposit shall be disbursed to Seller as liquidated damages and the sole and exclusive remedy of Seller (and any interest accrued thereon shall be disbursed to Buyer). Seller hereby waives all other legal and equitable remedies it may otherwise have as a result of any breach or default by Buyer under this Agreement. The Parties acknowledge and agree that payment of such amount shall constitute payment of liquidated damages and is not a penalty and that the liquidated damages amount is reasonable in light of the substantial but indeterminate harm anticipated to be caused by material breach or default under this Agreement, the difficulty of proof of loss and damages, the inconvenience and non-feasibility of otherwise obtaining an adequate remedy, and the value of the transactions to be consummated hereunder. If this Agreement is terminated for any other reason, the Escrow Deposit and any interest accrued thereon shall be disbursed to Buyer. The Parties shall each instruct the Escrow Agent to disburse the Escrow Deposit and all interest accrued thereon to the party or parties entitled thereto and shall not, by any act or omission, delay or prevent any such disbursement.

2.3 Adjustments and Prorations.

(a) Subject to the terms of this Agreement, all revenues and all expenses arising from the operation of the Station, including tower rental, business and license fees, utility charges and all other fees or charges arising under the Assumed Contracts (if any), real and personal property Taxes and assessments levied against the Station Assets (other than transfer Taxes as provided by Section 12.2), annual FCC regulatory fees, music license fees and similar prepaid and deferred items shall be prorated between Seller and Buyer in accordance with GAAP and the general principle that Seller shall receive the benefit of all revenues, and be responsible for all costs, expenses and Liabilities, allocable to the Station for the period prior to 12:01 a.m. on the Closing Date, and Buyer shall receive the benefit of all revenues, and be responsible for all costs, expenses and Liabilities, allocable to the Station on or after 12:01 a.m. on the Closing Date, and the Purchase Price shall be adjusted accordingly. Seller shall retain all liability with respect to Barter Agreements. Seller shall be entitled to all revenue and bear all expenses and Liabilities related to the Excluded Assets and the Non-Assumed Liabilities both prior to and after the Closing Date.

(b) Seller shall prepare and submit to Buyer, not later than five (5) Business Days prior to the Closing Date, a good faith written estimate of the adjustments and prorations set forth in subsection (a) above (the “Adjustments”) in accordance with this Section 2.3, along with Seller’s estimate of the Purchase Price resulting from the Adjustments (“Seller’s Estimate”). After delivery of Seller’s Estimate, including all reasonable supporting documentation of any proposed Adjustments, Buyer and Seller shall in good faith attempt to resolve prior to Closing any disputes with respect to the determination of the Closing Cash Payment. If as of Closing any items are in dispute with respect to the Closing Cash Payment, Seller’s Estimate, as adjusted to reflect any changes to the Adjustments agreed to by the Parties, shall be used as the amount of the Closing Cash Payment payable by Buyer on the Closing Date, with such disputed items to be settled between the Parties following Closing pursuant to subsections (c) and (d) below.

(c) Buyer shall prepare and submit to Seller, not later than thirty (30) Business Days following the Closing Date, Buyer’s written good faith determination of the Adjustments, including any changes to the Adjustments used to determine the Closing Cash Payment, along with a calculation of the Purchase Price resulting from the Adjustments as determined by Buyer (collectively, the “Buyer’s Calculation”), including all reasonable supporting documentation. Notwithstanding the foregoing, if the actual amount of ad valorem Taxes payable with respect to the Station Assets is not available as of the Closing Date or within thirty (30) days thereafter, Buyer may prepare and submit Buyer’s Calculation, with respect to such ad valorem Taxes only, within thirty (30) days after the date Buyer receives the final Tax Statement for such period, but Buyer’s Calculation shall be deemed delivered upon its earlier delivery without the calculations with respect to such Taxes. After delivery of Buyer’s Calculation to Seller, Seller may furnish Buyer, within ten (10) Business Days following delivery of Buyer’s Calculation, with written notification setting forth in reasonable detail any disputes Seller has with Buyer’s determination of the Purchase Price in Buyer’s Calculation. In the event that

Seller does not provide such a written notification within such ten (10) Business Day period, Seller shall be deemed to have accepted the Adjustments and Buyer's Calculation delivered by Buyer, shall be final, binding and conclusive for all purposes hereunder. In the event that Seller provides a timely written notification to Buyer, then Buyer and Seller shall, for a period of ten (10) Business Days (or such longer period as they may mutually agree), in good faith attempt to resolve any disputes with respect to the determination of the Purchase Price, with each Party claiming an adjustment to its credit providing the other with any documentation reasonably requested by the other Party to determine the appropriateness of such claimed Adjustment.

(d) If, following such ten (10) Business Day period, the Parties cannot agree on the amount of the final Adjustments, the determination shall be made by a national or regional accounting firm jointly designated by the Parties (the "Auditor"). No member, partner, officer, or employee of either Seller or Buyer or any of their respective Affiliates shall have any business or familial relationship (as defined in the FCC's rules) with any officer, employee, director, member, stockholder, partner or Affiliate of the Auditor. No member, partner, officer, employee, or director of the Auditor or its Affiliates (if any) shall have any business or familial relationship (as defined in the FCC's rules) with either Seller or Buyer. The Auditor shall make the determination based on GAAP in effect on the Closing Date and the terms of this Agreement. Either Party may invoke the use of the Auditor by notifying the other Party in writing. In the event that either Party invokes the use of the Auditor, there shall be a thirty (30) day period (the "Discovery Period") when the Parties may request of and shall provide to each other in writing or computer format where appropriate any documentation or records in the possession of the other Party that are related to a claim or defense to be made to the Auditor. Fifteen (15) Business Days after the expiration of the Discovery Period, the Parties shall have the opportunity to present their claims and supporting documentation to the Auditor. The Parties shall use their commercially reasonable efforts to cause the Auditor to render a decision within fifteen (15) Business Days after each Party shall have presented (or have foregone the opportunity to present) its claims and supporting documentation to the Auditor. The decision of the Auditor shall be final and binding on the Parties and shall not be subject to any judicial challenge by either Party. Within five (5) Business Days after the Auditor provides the determination to the Parties, payment in accordance with that determination shall be paid by the appropriate Party by wire transfer of immediately available funds in U.S. dollars, to an account designated by the Party entitled to receive such payment. The expenses of the Auditor shall be paid by the Party which, based on the Auditor's resolution of the disputed item(s), is not the prevailing Party.

2.4 Liabilities. At Closing, Buyer shall assume the Liabilities of Seller arising under the Assumed Contracts (if any) that are attributable to periods after Closing (collectively, the "Assumed Liabilities"). All Liabilities not included in the Assumed Liabilities are collectively referred to herein as "Non-Assumed Liabilities" and shall remain and be the obligations and liabilities solely of Seller. Without limiting the generality of the foregoing, the Non-Assumed Liabilities shall include the following: (i) any Liabilities arising from or related to the ownership of the Station Assets or operation of the Station attributable to periods before Closing, (ii) all Liabilities relating to any of

the Excluded Assets, (iii) any debts, obligations or other Liabilities owing from Seller or any of its Affiliates to Seller or any of its Affiliates, (iv) any Liability of Seller or any Affiliate of Seller for income and franchise Taxes or other Taxes that are not related to the operation of the Station or the Station Assets, (v) any Liability for Taxes arising from the transfer of the Station Assets and the consummation of the other transactions contemplated by this Agreement, except to the extent of Buyer's obligation to pay such Liability under Section 12.2 of this Agreement, (vi) any claims or other Liabilities of Seller arising out of the operation of the Station prior to Closing under or relating to pre-Closing violations of Environmental Laws or pre-Closing releases of Hazardous Substances, (vii) any Liabilities under any Excluded Contract, including without limitation Liabilities under or relating to the Tower License, (viii) any Liability to, in respect of, arising out of, or in connection with, the service relationship or the cessation of such service relationship between Seller and any current or former employees, including, without limitation, officers, directors, consultants or other service providers, including without limitation (A) any Liability under any employment or consulting agreement, whether or not written, between Seller and any Person, (B) any Liability to any employee of Seller, (C) any Liability for any claim of an unfair labor practice or grievance or any claim under any unemployment compensation, employment standards, pay equity or worker's compensation law or regulation, or under any federal, state or local employment discrimination law or regulation, (D) any Liability relating to payroll, vacation pay, personal day pay, or sick pay, (E) any Liability with respect to any actual or alleged agreements or promises regarding stock options, equity or equity-based compensation plans, programs or arrangements maintained by Seller or any of its Affiliates, and (F) any Liability arising out of or relating to any stay bonus, severance plan or arrangement, special waiting bonus or special retention plan or agreement, (ix) any Liabilities for legal, accounting or broker's fees incurred by Seller and its Affiliates in connection with this Agreement and the consummation of the transactions contemplated hereby, and (x) all Liabilities of Seller arising under this Agreement.

ARTICLE 3: REPRESENTATIONS AND WARRANTIES OF SELLER

Seller hereby represents and warrants to Buyer as follows:

3.1 Organization and Authority. Seller is duly organized, validly existing and in good standing under the laws of State of Texas and is qualified to do business in the State of Florida. Seller has all requisite power and authority (i) to execute, deliver and perform this Agreement and the Ancillary Agreements and to consummate the transactions contemplated hereby and thereby, and (ii) to own, lease and operate the Station and the Station Assets owned by it and to carry on the business as now being conducted.

3.2 Authorization and Binding Obligations. The execution, delivery and performance of this Agreement by Seller and each Ancillary Agreement to which Seller is or will be a party have been duly and validly authorized by all necessary action of Seller. This Agreement and each Ancillary Agreement has been (or when delivered will be) duly executed and delivered by Seller and constitutes (or will constitute) a valid and

binding agreement of Seller enforceable against it in accordance with its terms, except as its enforceability may be limited by the Enforceability Exceptions.

3.3 No Contravention; Consents. Subject to obtaining the Consents set forth on Schedule 3.3 and the FCC Consent, the execution, delivery and performance of this Agreement and each Ancillary Agreement and the consummation of the transactions contemplated hereby and thereby by Seller will not, after the giving of notice, or the lapse of time, or otherwise (i) violate any provisions of the organizational documents of Seller, (ii) result in the breach of, constitute a default under, or result in the creation of any Lien upon any of the Station Assets other than Permitted Liens, or (iii) violate any Laws applicable to Seller or any of the Station Assets. Except for the Consents set forth on Schedule 3.3 and the FCC Consent, no material consent, approval, or authorization of any Governmental Authorities or other third party is required by Seller in connection with the execution, delivery and performance of this Agreement and the Ancillary Agreements by Seller or the consummation by Seller of the transactions contemplated hereby and thereby.

3.4 Station Assets. Seller has good, valid and marketable title to or a valid leasehold interest in all of the Station Assets, free and clear of Liens except for Permitted Liens. The Station Assets include all assets that are owned or leased by Seller and used or held for use in the operation of the Station in all material respects as currently operated, except for the Excluded Assets.

3.5 Real Property.

(a) Seller owns no real property that is used or held for use in the business and operation of the Station. Seller is not party to any agreement, contract or lease with respect to the Station Assets in which it is the lessor or licensor. The Real Property is connected to and receives power from a reliable and regulated power provider in amounts sufficient to operate the Station as authorized under the FCC Licenses. There is no pending or, to Seller's knowledge, threatened Action that would reasonably be expected to interfere with the quiet enjoyment or use of the Real Property and the Station Assets located on the Real Property. Seller has legal access to the Real Property without need to obtain any other access rights. No part of the Real Property is subject to any pending, or to Seller's knowledge, threatened, suit for condemnation or other taking by any public authority. Seller has delivered to Buyer true and complete copies of all leases, title insurance commitments or policies, surveys and environmental assessments in its possession or control applicable to the Real Property.

(b) As of the date of this Agreement, Seller is in default under the Tower License with respect to payment of rent for the site. As of the Closing Date, if there are any amounts remaining in default that are due under the Tower License, those amounts will be paid over at Closing to the landlord under the Tower License and any other Seller default (if any) under the Tower License will be cured. To Seller's knowledge, no event or condition exists that constitutes under the terms of the Tower License a material default by the landlord under the Tower License. To Seller's knowledge, the owner of the facilities, transmission tower and antenna system pursuant to

Tower License has maintained and operated such facilities, transmission tower and antenna system in accordance in all material respects with all applicable Laws and the terms of such Tower License.

3.6 Equipment. Schedule 3.6 contains an accurate and complete list of all items of Equipment as of the date hereof that are included in the Station Assets (with any leased items so identified on such Schedule). Seller has good and marketable title to all Equipment, free and clear of all Liens except for Permitted Liens. Except as specified on Schedule 3.6, all Equipment is in good operating condition and repair, normal wear and tear excepted, and maintained in compliance with good engineering practice, industry practices and all applicable FCC rules and policies. Without limiting the foregoing, any generator included in the Equipment is properly licensed and in good operating condition. The Equipment is sufficient to operate the Station in accordance with and at the full power authorized by the FCC Licenses and to maintain a full-time broadcast schedule without material interruption.

3.7 Licenses.

(a) Schedule 3.7 is a list of all FCC Licenses and other material Licenses, which constitute all of the licenses, permits, franchises, registrations, authorizations, consents and approvals from all Governmental Authorities necessary for the operation of the Station as currently operated. All FCC Licenses and other material Licenses are validly issued in the name of Seller, are in full force and effect, have not been revoked, suspended, canceled, rescinded or terminated and have not expired, are not subject to any conditions that would require the Station to be operated in a manner materially different than as conducted as of the date of this Agreement, and are not subject to any conditions other than those set forth on the face of such FCC Licenses or that affect the television broadcast industry generally. There is not pending or, to Seller's knowledge, threatened any action by or before the FCC to revoke, suspend, cancel, rescind or modify any of the FCC Licenses (other than proceedings relating to FCC rules of general applicability), and there is no order to show cause, notice of violation, notice of apparent liability, or notice of forfeiture or complaint pending or, to Seller's knowledge, threatened against Seller or the Station by or before the FCC.

(b) All material reports and filings required to be filed with, and all regulatory fees required to be paid to, the FCC with respect to the Station have been timely filed and paid. All such reports and filings are accurate and complete in all material respects.

(c) The operation of the Station does not expose workers or others to levels of radio frequency radiation in excess of the "Radio Frequency Protection Guides" recommended in "American National Standard Safety Levels with Respect to Human Exposure to Radio Frequency Electromagnetic Fields 3 kHz to 300 GHz" (ANSI/IEEE C95.1-1992), issued by the American National Standards Institute, and renewal of the FCC Licenses would not constitute a "major action" within the meaning of Section 1.1301, *et seq.*, of the FCC's rules.

(d) All of the MVPDs carrying the Station's signal are described on Schedule 3.7(d), together with the name of the MVPD operator, channel position and description of the applicable retransmission consent agreement. Seller has provided to Buyer true and complete copies of all such retransmission consent agreements, all of which are Assumed Contracts. For the election cycle commencing January 1, 2009, no MVPD has declined or refused to carry the Station after written notice from Seller that carriage of the Station is required under either the Communications Laws or a retransmission consent agreement.

(e) The Station is in compliance with the FCC's rules, policies and deadlines concerning construction of its digital television ("DTV") facilities, is broadcasting a DTV signal in accordance with its current FCC authorization and is in compliance in all material respects with the FCC's build-out and operational requirements for its digital television facilities. Seller has not leased, licensed, assigned, conveyed or otherwise encumbered the Station's digital spectrum or any portion thereof or granted rights to any party to broadcast on the Station's digital spectrum or any portion thereof for the provision of any "ancillary or supplementary services" (as the term is defined by the Communications Act of 1934, as amended).

3.8 Assumed Contracts. Schedule 3.8 is a list of all Assumed Contracts as of the date of this Agreement. Each Assumed Contract is in full force and effect, and is valid, binding and enforceable against Seller and, to Seller's knowledge, each other party thereto, subject to the Enforceability Exceptions. Except as set forth on Schedule 3.3, no Assumed Contract requires the Consent of any other party to the transactions contemplated by this Agreement. Seller is not (and, to Seller's knowledge, no other party is) in breach or default under, any Assumed Contract, and no event has occurred and no condition exists which, with the passage of time or the giving of notice or both would constitute such a breach or default by Seller or, to Seller's knowledge, any other party thereto. True and complete copies of each Assumed Contract (including all related amendments, modifications and waivers thereto) have been delivered by Seller to Buyer.

3.9 Insurance. Schedule 3.9 hereto sets forth a true and complete list of all insurance policies related to the operation of the Station and the Station Assets maintained by or for the benefit of Seller, all of which are in full force and effect.

3.10 No Interference with Signal. To Seller's knowledge, there currently exists no interference to the Station's signal from other broadcast stations, or by the Station's signal to other broadcast stations, in each case beyond that permitted by the FCC's rules and policies and, to Seller's knowledge, there are no applications or proceedings pending at the FCC the grant of which would cause objectionable interference to the Station's operations with its current facilities, other than what might arise as a result of proceedings that generally affect the television broadcast industry.

3.11 Taxes. Seller has filed, with the appropriate Governmental Authority, all Tax returns that relate to the income, operation or ownership of the Station or the Station Assets, and has paid all Taxes shown to be due and payable thereon, except where the failure to file such returns or pay or accrue such Taxes could not reasonably be expected

to result in a Lien on the Station Assets or in the imposition of transferee liability on Buyer for the payment of such Taxes.

3.12 Claims and Litigation. There are no Actions pending or, to Seller's knowledge, threatened by or against Seller relating to the Station Assets, the operation of the Station or the transactions contemplated by this Agreement. Except as described on Schedule 3.12, to Seller's knowledge, there is (i) no complaint or other proceeding pending, threatened or outstanding before the FCC as a result of which an investigation, notice of apparent liability or order of forfeiture may be issued from the FCC relating to the Station, (ii) no FCC notice of apparent liability or order of forfeiture pending, threatened or outstanding against Seller or the Station, and (iii) no investigation pending, threatened or outstanding with respect to any violation or alleged violation of any FCC rule, regulation or policy by Seller.

3.13 Compliance with Laws. The Station is operating in compliance with all FCC Licenses and the FCC rules and policies and is in compliance in all material respects with all other applicable Laws and Licenses. Without limiting the foregoing, the Station is in compliance in all material respects with all applicable rules and regulations of the Federal Aviation Administration.

3.14 Environmental Matters. Except in compliance with Environmental Laws, there has been no Handling of any Hazardous Substances by Seller, or to Seller's knowledge, by any other party, at, on or from the Real Property. Neither Seller nor, to Seller's knowledge, any Person acting on behalf of Seller has released any other Person from any claims for any matter relating to the presence of Hazardous Substances or Handling of Hazardous Substances on the Real Property. To Seller's knowledge, no Liens have been, or are, imposed on any of the Station Assets under any Environmental Laws. Seller has obtained any permits, licenses, registrations and other approvals and has filed all reports and notifications required under any Environmental Laws in connection with the Station Assets. Seller has delivered to Buyer copies of all reports, notices or other documentation relating to Hazardous Substances or the Handling of Hazardous Substances on or around the Real Property.

3.15 Personnel Matters. Seller acknowledges that Buyer has no obligation to employ any of the Employees and that Seller shall be responsible for satisfying in full all amounts owed to such Employees (including without limitation wages, salaries, severance pay, sick pay, accrued vacation, any incentive or bonus arrangements or other benefits). Seller has complied in all material respects with all labor and employment Laws applicable to the Station's business, including without limitation those which relate to prices, wages, hours, discrimination in employment and collective bargaining. There is no unfair labor practice charge or complaint against Seller in respect of the Station's business pending or, to Seller's knowledge, threatened before the National Labor Relations Board, any state labor relations board or any court or tribunal. There is no strike, dispute, request for representation, slowdown or stoppage pending or, to Seller's knowledge, threatened in respect of the Station's business. Seller is not party to any

collective bargaining, union or similar agreement with respect to any of the Employees, and to Seller's knowledge, no union represents or claims to represent or is attempting to organize the Employees.

3.16 Conduct of Business in Ordinary Course. Since January 1, 2011, the Station has been operated in the ordinary and usual course consistent with past practice, and has not (i) made any sale, assignment, lease or other transfer of, or mortgaged or pledged, or imposed or suffered any Lien (other than Permitted Liens) on, any of the Station Assets, other than obsolete or worn-out Station Assets no longer necessary for the operation of the Station, or other non-material Station Assets sold or disposed of in the normal course of business, (ii) suffered any material damage or destruction (whether or not covered by insurance) to any Station Assets which have not been repaired or replaced or (iii) experienced any Material Adverse Effect.

3.17 Brokers. Seller has not engaged any agent, broker or other Person acting pursuant to the express or implied authority of Seller which is or may be entitled to a commission or broker or finder's fee in connection with the transactions contemplated by this Agreement or otherwise with respect to the sale of the Station Assets.

3.18 Disclosure. This Agreement and the documents made pursuant hereto do not and will not contain any untrue statement of material fact or omit to state a material fact required to be made in order to make the statements herein and therein not misleading in light of the circumstances in which they are made.

ARTICLE 4: REPRESENTATIONS AND WARRANTIES OF BUYER

Buyer hereby represents and warrants to Seller as follows:

4.1 Organization and Authority. Buyer is duly organized, validly existing and in good standing under the laws of laws of the jurisdiction of its organization, and Buyer is, or by Closing will be, authorized to do business in Florida. Buyer has all requisite power and authority to execute, deliver and perform this Agreement and the Ancillary Agreements and to consummate the transactions contemplated hereby and thereby.

4.2 Authorization and Binding Obligations. The execution, delivery and performance of this Agreement by Buyer and each Ancillary Agreement to which a Buyer is or will be a party have been duly and validly authorized by all necessary corporate action. This Agreement and each Ancillary Agreement has been (or when delivered will be) duly executed and delivered by Buyer and constitutes (or will constitute) a valid and binding agreement of Buyer, enforceable against Buyer in accordance with its terms, except as its enforceability may be limited by the Enforceability Exceptions.

4.3 No Contravention; Consents. The execution, delivery and performance of this Agreement and each Ancillary Agreement, the consummation of the transactions contemplated hereby and thereby and the compliance with the provisions hereof and thereof by Buyer will not (i) violate any provisions of the organizational documents of Buyer, (ii) violate any Laws applicable to Buyer, or (iii) require the consent of any third

party, or violate, or be in conflict with, or constitute a default under any contract or agreement to which Buyer is a party, such that Buyer cannot perform its obligations hereunder. Except for the FCC Consent, no material consent, approval, license or authorization of any Governmental Authorities or other third party is required by Buyer in connection with the execution, delivery and performance of this Agreement by Buyer or the consummation by Buyer of the transactions contemplated hereby.

4.4 Qualifications. Buyer knows of no facts that would, under applicable Laws existing on the date of this Agreement, disqualify Buyer with respect to the assignment of the FCC Licenses. Buyer is financially qualified to perform all obligations hereunder and to pay to Seller at Closing the Purchase Price.

4.5 Claims and Litigation. There are no Actions pending, or to Buyer's knowledge, threatened by or against Buyer that would reasonably be expected to have a material adverse effect on Buyer's ability to consummate the transactions contemplated by this Agreement.

4.6 Brokers. Buyer has not engaged any agent, broker or other Person acting pursuant to the express or implied authority of Buyer which is or may be entitled to a commission or broker or finder's fee in connection with the transactions contemplated by this Agreement or otherwise with respect to the sale of the Station Assets.

ARTICLE 5: PRE-CLOSING COVENANTS OF THE PARTIES

5.1 Covenants of Seller. Seller covenants and agrees from and after the execution and delivery of this Agreement to and including the Closing Date as follows:

(a) Commercially Reasonable Efforts. Seller shall use commercially reasonable efforts to cause the transactions contemplated by this Agreement to be consummated in accordance with the terms hereof, and, without limiting the generality of the foregoing, to obtain all necessary Consents required in connection with this Agreement and the transactions contemplated hereby including the FCC Consent and any required Consents of other Governmental Authorities. Seller shall make all filings with and give all notices to third parties that may be reasonably necessary of Seller in order to consummate the transactions contemplated hereby.

(b) Control of the FCC Licenses and the Station. Notwithstanding any provision of this Agreement to the contrary, pending the Closing, Seller, as the holder of the FCC Licenses shall maintain actual and legal control over the Station.

(c) Access. Seller shall give Buyer and its agents reasonable access during normal business hours to all the personnel, premises, properties, Station Assets, financial statements and records, expense books, contracts, documents and commitments of or relating to the operation of the Station, and shall furnish Buyer with all such information concerning the operation of the Station as Buyer reasonably may request. Without limiting the foregoing, prior to Closing, Seller shall give Buyer reasonable access to the Real Property and the tower and other Station Assets located at such site for

purposes of obtaining environmental, structural, engineering and other analyses in Buyer's discretion.

(d) Ordinary Course. Seller shall conduct the business, operate the Station and preserve and maintain the Station Assets in good working order and condition in the ordinary course of business consistent with past practice, including maintaining existing insurance policies on the Station Assets as in effect on the date hereof. Without limiting the foregoing, Seller shall perform all of its obligations under the Tower License. Between the date hereof and the Closing Date, Seller shall promptly (within three (3) Business Days of receipt) provide Buyer with copies of all correspondence and notices relating to those Station Assets material to the operation of the Station (including without limitation the Tower License). Seller shall use commercially reasonable efforts to keep its organization intact, preserve the operation of the Station and preserve the goodwill of landlords, Governmental Authorities and others dealing with the Station. The Station's financial Books and Records shall be maintained in accordance with GAAP, in the usual manner on a basis consistent with past practice. Without limiting the foregoing and notwithstanding anything in this Agreement to the contrary, Seller agrees that, between the date hereof and Closing, without the prior written consent of Buyer, Seller shall not: (i) sell, lease, license, transfer or dispose of any Station Assets, whether now owned or hereafter acquired, (ii) fail to renew any License that expires prior to the Closing Date or fail to take all necessary actions to commence and pursue in the ordinary course the renewal process for all such Licenses expected to expire within the three-month period following the Closing Date, (iii) take (or fail to take any action the failure of which would cause the FCC to initiate (before or after Closing) proceedings for the revocation, suspension or adverse modification of any FCC Licenses, (iv) enter into any new Advertising Contracts which extend after the Closing Date, (v) incur any other obligation that will be binding on Buyer after Closing or (vi) modify or amend any Assumed Contract.

(e) Compliance with Laws. Seller shall comply in all material respects with all Laws and Licenses applicable to the operation of the Station.

(f) FCC Licenses. Seller shall maintain the FCC Licenses in full force and effect and shall not modify any of the FCC Licenses.

(g) MVPD Carriage. Seller shall maintain existing carriage of the Station's signal by MVPDs located in the Station's designated market area ("DMA"), if any, and use best efforts to secure carriage of the Station's signal by additional MVPDs where feasible. Between the date hereof and Closing, Seller shall (i) continue to negotiate new or extended retransmission consent agreements for the Station in the ordinary course of business as applicable, and (ii) promptly provide Buyer with true and complete copies of all correspondence between the Station or Seller and any MVPD concerning the Station's signal carriage. Seller shall not take any action or inaction that will diminish or adversely affect the existing carriage of the Station's signal.

(h) Contracts and Liens. Seller shall not: (i) default under, or breach any term or provision of, or suffer or permit to exist any condition or event that, after

notice or lapse of time, or both, would constitute a default under, any Assumed Contract, (ii) cause or permit the termination, modification or amendment of any Assumed Contract or (iii) create, assume, consent to or suffer to exist any Lien on any of the Station Assets (other than Permitted Liens).

(i) No Solicitation. Seller shall not, and shall cause its respective officers, directors, Employees, consultants, independent contractors, agents, representatives, equity holders and Affiliates not to: (i) sell, transfer, lease, assign or otherwise dispose of or distribute any of the Station Assets (other than the disposal of worn out or obsolete Station Assets in the ordinary course of business consistent with past practice) or any equity interests of Seller (whether pursuant to merger, acquisition, consolidation, reorganization, recapitalization or otherwise) to any Person (other than Buyer), (ii) solicit, encourage, entertain, negotiate or enter into with any Person any such transaction or agreement of the nature described in clause (i) above, or (iii) provide any non-public information about the operation of the Station to any Person. Seller shall immediately notify Buyer if any discussions or negotiations regarding a transaction of the nature described in clause (i) above are sought to be initiated, any inquiry or proposal is made, any information is requested with respect to the Station Assets or Seller or any offer is made with respect to the Station, the Station Assets or Seller, in each case together with the identity of the Person making such inquiry or offer and the material terms thereof.

(j) Notice. Seller shall give prompt written notice, including a copy of any related correspondence or documentation, to Buyer of any adverse change in any material Station Asset (in no event later than two (2) Business Days after such event has occurred).

(k) Real Property. Seller shall reasonably cooperate with Buyer in connection with obtaining and delivering such consents, approvals, estoppel certificates and memoranda as may be reasonably requested by Buyer in order to confirm the status of the real property interests to be acquired by Buyer in connection with its acquisition of the Station, including without limitation documents confirming the terms and status of the Tower License.

5.2 Covenants of Buyer. Buyer covenants and agrees that from and after the execution and delivery of this Agreement to and including the Closing Date as follows:

Buyer shall use commercially reasonable efforts to cause the transactions contemplated by this Agreement to be consummated in accordance with the terms hereof, and, without limiting the generality of the foregoing, use commercially reasonable efforts to obtain all necessary Consents, including the FCC Consent, and any other consents of any other Governmental Authorities with lawful jurisdiction over Buyer and other authorizations required in connection with this Agreement and the transactions contemplated hereby. Buyer shall make all filings with and give all notices to third parties that may be necessary or reasonably required in order to consummate the transactions contemplated hereby. Notwithstanding any provision contained in this

Agreement to the contrary, Buyer shall not be required to make any payments to persons who are not parties to the Assumed Contracts in order to obtain their consents.

ARTICLE 6: JOINT COVENANTS

6.1 Consultations Regarding Consents of Governmental Authorities. The Parties shall consult with one another with respect to obtaining any necessary Consent of a Governmental Authority to the transactions contemplated hereby, including the FCC Consent, and each Party shall keep the other Party reasonably informed as to the status of any communications by it with or received from any Governmental Authority. No Party shall make any material commitments relating to any Consent of any Governmental Authority, including the FCC Consent, that would alter in any material way any application or request filed jointly by the Parties with respect to the transactions contemplated hereby without the other Party's prior written consent.

6.2 Joint Filings. Seller and Buyer shall cooperate in the preparation and joint filing of the Assignment Application with the FCC no later than five (5) Business Days following the date hereof, and with any other applicable Governmental Authority as soon as practicable following the date hereof, requesting the approval of the assignment and transfer of the Licenses (as appropriate) and the other Station Assets to Buyer. Each of the Parties shall diligently take or cooperate in the taking of all steps that are reasonably necessary or appropriate to expedite the prosecution and favorable consideration of such applications. The Parties shall undertake all actions and file such materials as shall be reasonably necessary or required to obtain any necessary waivers or other authority in connection with the foregoing applications.

6.3 Notice of Breach. Buyer and Seller shall give prompt written notice to one another of (i) the occurrence or nonoccurrence of any event that has caused or would be likely to cause any representation or warranty contained in this Agreement to be untrue or inaccurate in any material respect at or prior to the Closing Date, and (ii) any material failure of Buyer or Seller, as the case may be, to comply with or satisfy in any material respect any covenant, condition or agreement to be complied with or satisfied by it hereunder. The delivery of any notice pursuant to this Section 6.3 shall not cure such breach or non-compliance or limit or otherwise affect the remedies available hereunder to the Party receiving such notice.

6.4 Confidentiality. Except as necessary for the consummation of the transactions contemplated by this Agreement, and except as and to the extent required by applicable Law, each Party shall keep confidential all information obtained from the other Party in connection with the transactions contemplated by this Agreement (unless such information thereafter becomes generally available to the public, is otherwise available to it on a non-confidential basis from another source, or has been developed independently by it). If this Agreement is terminated, each Party will, upon request, return to the other Party all information obtained from the other Party in connection with the transactions contemplated by this Agreement.

6.5 Press Releases. Prior to Closing, no Party shall, without the prior written consent of the other, issue any press release or make any other public announcements concerning this Agreement or the transactions contemplated hereby, except to the extent that such party is so obligated by applicable Law, in which case such Party shall give prior written notice to the other Party of such disclosure, and the Parties shall cooperate to make a mutually agreeable announcement. Notwithstanding the foregoing, the parties acknowledge that this Agreement and the terms hereof will be filed with the Assignment Application and thereby become public.

6.6 Allocation of Purchase Price. Prior to Closing, Buyer and Seller shall use good faith efforts to agree on the allocation of the Purchase Price in accordance with the rules under Section 1060 of the Code; *provided, however*, that if the Parties are unable to agree to such allocation within sixty (60) days after the final determination of the Purchase Price pursuant to Section 2.3, the Parties shall submit such disagreements to the Auditor to determine the appropriate allocation, which determination shall be final and binding on the Parties. The fees and expenses of the Auditor shall be shared equally by Buyer and Seller. Subject to such agreement on the allocation of the Purchase Price, no filings made by either Party with any taxing or other authority shall reflect an allocation other than in the manner agreed upon and each Party shall timely make all filings required by any taxing authority, including the filing of Internal Revenue Service Form 8594; *provided, however*, that nothing contained herein shall prevent Buyer and Seller from settling any proposed deficiency or adjustment by any taxing authority based upon or arising out of the allocation of the Purchase Price, and neither Buyer nor Seller shall be required to litigate before any court, any proposed deficiency or adjustment by any taxing authority challenging such allocation of the Purchase Price.

6.7 Bulk Sales. Seller and Buyer hereby waive compliance by the other with bulk sales Laws that may be applicable to the transactions contemplated hereby.

6.8 Risk of Loss.

(a) The risk of any loss, damage, impairment, confiscation or condemnation of any of the Station Assets shall be borne by Seller at all times prior to Closing and by Buyer at all times after Closing. In the event of any such loss or damage to the Station Assets occurring prior to Closing, Seller shall use commercially reasonable efforts to repair, replace and restore the Station Assets. Seller shall apply all insurance proceeds with respect thereto to such repair, replacement or restoration. If Seller reasonably concludes that such repair, replacement and restoration is sufficiently substantial so that any condition precedent to Buyer's obligation to close shall not be satisfied at the Closing Date (after giving consideration to any repairs, restoration or replacement to occur prior to the Closing Date), Seller shall promptly notify Buyer in writing of the circumstances, and Buyer, at any time within ten days after receipt of such notice, may elect by written notice to Seller either to (i) waive such defect and proceed toward consummation of the transactions contemplated by this Agreement in accordance with the terms hereof (provided that Seller will promptly remit to Buyer any insurance proceeds received by Seller following Closing with respect to such defect), (ii) terminate this Agreement and receive a return of the Escrow Deposit or (iii) subject to Section

11.1(d), postpone Closing until such time as those Station Assets which are the subject of the loss, damage, impairment, confiscation or condemnation have been repaired, replaced and restored (and if applicable, the parties will cooperate to timely request an extension of the FCC Consent).

(b) Seller shall give prompt written notice to Buyer if the regular broadcast transmission of the Station is interrupted or discontinued, including the operation of the Station at a power level less than 80% of its maximum authorized facilities. If prior to Closing the Station is off the air or operating at a power level that results in a material reduction in coverage (a "Broadcast Interruption"), then Seller shall use commercially reasonable efforts to return the Station to the air and restore prior coverage as promptly as possible in the ordinary course of business. Notwithstanding anything herein to the contrary, if prior to Closing there is a Broadcast Interruption in excess of 24 hours, then Buyer may postpone Closing until the date five (5) Business Days after the Station returns to the air and prior coverage is restored in all material respects, subject to Section 11.1(d) (and if applicable, the parties will cooperate to timely request an extension of the FCC Consent).

6.9 Further Assurances. After Closing, the Parties shall take all commercially reasonable actions and execute all documents, instruments or conveyances of any kind that may be reasonably necessary or advisable to put Buyer in possession and operating control of the Station Assets and the Station or to otherwise carry out any of the provisions hereof.

6.10 Cooperation with Financings. Seller shall reasonably cooperate with Buyer and its Affiliates, at Buyer's expense as to any out-of-pocket costs incurred, in connection with any financings undertaken by Buyer or reporting requirements to which Buyer may become subject in connection with the transactions contemplated by this Agreement (including any filings, registration statements or reports of Buyer or any of its Affiliates under the Securities Act of 1933, as amended, or the Securities and Exchange Act of 1934, as amended, and any rules and regulations promulgated thereunder). At Buyer's request, such cooperation shall include making available such financial information with respect to the Station as may reasonably be required in connection with any such financing, filing, registration statement or report, including using commercially reasonable efforts to facilitate Buyer's access to Seller's independent accountants with respect to the Station and the ability to request that Seller's independent accountants complete an audit of the Station for any pre-Closing period. The out-of-pocket cost of preparation of any such financial information or audit shall be borne by Buyer.

6.11 Accounts Receivable. Buyer shall not have any obligation to collect the Accounts Receivable.

6.12 Rescission. If Closing occurs prior to the FCC Consent becoming a Final Order, and prior to becoming a Final Order the FCC Consent is reversed or otherwise set aside, and there is a Final Order of the FCC (or court of competent jurisdiction) requiring the re-assignment of the FCC Licenses to Seller, then the purchase and sale of the Station Assets shall be rescinded. In such event, Buyer shall reconvey to Seller the Station

Assets, and Seller shall repay to Buyer the Purchase Price and reassume the contracts and leases assigned and assumed at Closing. Any such rescission shall be consummated on a mutually agreeable date within thirty days of such Final Order (or, if earlier, within the time required by such order). In connection therewith, Buyer and Seller shall each execute such documents (including execution by Buyer of instruments of conveyance of the Station Assets to Seller and execution by Seller of instruments of assumption of the contracts and leases assigned and assumed at Closing) and make such payments (including repayment by Seller to Buyer of the Purchase Price) as are necessary to give effect to such rescission.

6.13 Environmental. Prior to Closing, Buyer may obtain environmental assessments of the Real Property at its expense, provided that such assessments are conducted during normal business hours upon reasonable prior notice. If any such assessment (performed by a qualified, competent professional in accordance with good industry practice) identifies a condition requiring remediation under applicable environmental law (an "Environmental Condition") then Seller shall remediate any such Environmental Condition prior to Closing. Notwithstanding anything herein to the contrary, if at any time any such Environmental Condition exists and the reasonably estimated cost to remedy all such Environmental Conditions in the aggregate exceeds \$10,000, then either Seller or Buyer may terminate this Agreement upon written notice to the other, and Buyer shall receive a return of the Escrow Deposit.

6.14 Consents. Prior to Closing Seller shall use commercially reasonable efforts to obtain any Consents to assign the Assumed Contracts (if any). To the extent that any Assumed Contract may not be assigned without the consent of any third party, and such consent is not obtained prior to Closing, this Agreement and any assignment executed at Closing pursuant hereto shall not constitute an assignment thereof, but to the extent permitted by Law shall constitute an equitable assignment by Seller and assumption by Buyer of Seller's rights and obligations under the applicable Assumed Contract, with Seller making available to Buyer the benefits thereof and Buyer performing the obligations thereunder on Seller's behalf.

6.15 Employees. Buyer does not assume any of Seller's employee obligations (including any severance obligations), all of which are Non-Assumed Liabilities and not Assumed Liabilities. Nothing in this Agreement gives any rights to any Employee, and no Employee may enforce any provision of this Agreement against any of the parties hereto.

ARTICLE 7: CONDITIONS PRECEDENT TO OBLIGATION OF SELLER TO CLOSE

The obligations of Seller to sell the Station Assets and to otherwise consummate the Closing are subject to the satisfaction or waiver, on or prior to the Closing Date, of each of the following conditions:

7.1 Representations, Warranties and Covenants. All representations and warranties of Buyer contained in this Agreement shall be true and complete in all material respects at and as of the Closing Date as if such representations and warranties

were made at and as of the Closing Date except for (i) any representation or warranty that is expressly stated only as of a specified earlier date, in which case such representation or warranty shall be true as of such earlier date, or (ii) changes in any representation or warranty that are specifically permitted by this Agreement; and Buyer shall have performed all agreements and covenants required hereby to be performed by Buyer prior to or on the Closing Date in all material respects.

7.2 Closing Deliveries. Seller shall have received from Buyer the documents and other items to be delivered to Seller by Buyer pursuant to Section 9.3 of this Agreement.

7.3 FCC Consent. The FCC Consent shall have been issued.

7.4 No Injunction. No Law shall have been promulgated, enacted, entered or enforced, and no other action in any court proceeding shall have been taken, by any Governmental Authority that has the effect of making illegal or of restraining or prohibiting the consummation of the transactions contemplated hereby.

ARTICLE 8: CONDITIONS PRECEDENT TO OBLIGATION OF BUYER TO CLOSE

The obligations of Buyer to purchase the Station Assets and to otherwise consummate the Closing are subject to the satisfaction or waiver, on or prior to the Closing Date, of each of the following conditions:

8.1 Representations, Warranties and Covenants. All representations and warranties of Seller contained in this Agreement shall be true and complete in all material respects at and as of the Closing Date as if such representations and warranties were made at and as of the Closing Date except for (i) any representation or warranty that is expressly stated only as of a specified earlier date, in which case such representation or warranty shall be true as of such earlier date, or (ii) changes in any representation or warranty that are specifically permitted by this Agreement, and Seller shall have performed all agreements and covenants required hereby to be performed by Seller prior to or on the Closing Date in all material respects.

8.2 Closing Deliveries. Buyer shall have received from Seller the documents and other items to be delivered by Seller pursuant to Section 9.2 of this Agreement.

8.3 FCC Consent. The FCC Consent shall have been issued, and (except as otherwise agreed by Buyer in its sole discretion in writing prior to Closing) shall have become a Final Order, without the imposition of any condition that is reasonably likely to adversely affect, in any material respect, the financial condition of the Station's operation; *provided, however*, that Buyer shall have no obligation to close if the FCC Consent is conditioned upon (i) the divestiture by Buyer or its Affiliates of any broadcasting station owned by it or (ii) any other action by or restriction on Buyer that is reasonably expected to be materially adverse to Buyer or any of its Affiliates at or after Closing.

8.4 No Injunction. No Law shall have been promulgated, enacted, entered or enforced, and no other action in any court proceeding shall have been taken, by any Governmental Authority that has the effect of making illegal or of restraining or prohibiting the consummation of the transactions contemplated hereby.

8.5 No Material Adverse Effect. Between the date hereof and the Closing Date, there shall not have occurred any event that results, or would reasonably be expected to result, in a Material Adverse Effect.

8.6 Real Property. Any Environmental Conditions identified in any environmental assessments obtained by Buyer pursuant to this Agreement shall have been remediated.

8.7 Tower Lease. Buyer shall have entered into a tower license agreement with American Tower for the Station's transmission facilities on terms acceptable to Buyer in its sole discretion, which license shall set forth the terms upon which Buyer will license from and after the Closing Date the space previously licensed by Seller under the Tower License.

ARTICLE 9: THE CLOSING

9.1 The Closing. At Closing, Seller shall make such deliveries as are set forth in Section 9.2, and Buyer shall make such deliveries as are set forth in Section 9.3. All transactions at Closing shall be deemed to have taken place simultaneously and no transaction shall be deemed to have been completed, nor shall any document be deemed to have been delivered, until all transactions shall have been completed and all documents, delivered.

9.2 Deliveries by Seller to Buyer. Seller shall deliver to Buyer, in form and substance reasonably satisfactory to Buyer:

- (a) an Assignment of FCC Licenses assigning the FCC Licenses from Seller to Buyer;
- (b) an Assignment and Assumption of Contracts assigning the Assumed Contracts (if any) from Seller to Buyer;
- (c) bill of sale conveying all Station Assets from Seller to Buyer, together with endorsed vehicle titles conveying the vehicles included in the Equipment (if any) from Seller to Buyer;
- (d) a certificate of Seller attesting to its fulfillment of the conditions set forth in Section 8.1;
- (e) a copy of the resolutions of Seller, approving the transactions contemplated by this Agreement, which shall be in full force and effect;

(f) a good standing certificate with respect to Seller issued by the State of Texas and a qualification to do business certificate issued by the State of Florida;

(g) an affidavit signed by Seller and certifying that Seller is not a "foreign person" within the meaning of Section 1445(f)(3) of the Internal Revenue Code of 1986;

(h) UCC, mortgage and other lien releases as necessary to release all Liens on the Station Assets other than Permitted Liens; and

(i) any other documents and instruments of conveyance, assignment and transfer that may be reasonably necessary to convey, transfer and assign the Station Assets to Buyer, free and clear of Liens, except for Permitted Liens.

9.3 Deliveries by Buyer to Seller. Buyer shall deliver to Seller:

(a) the Closing Cash Payment in accordance with the provisions of Section 2.2 hereof;

(b) an Assignment and Assumption of Contracts assuming the obligations arising after Closing under the Assumed Contracts (if any);

(c) a certificate of Buyer attesting to its fulfillment of the conditions set forth in Section 7.1;

(d) a copy of the resolutions of Buyer approving the transactions contemplated by this Agreement, which shall be in full force and effect; and

(e) such other documents and instruments of assumption that may be reasonably necessary to assume the Assumed Liabilities.

ARTICLE 10: INDEMNIFICATION

10.1 Survival. The representations and warranties of the Parties contained in this Agreement shall survive Closing and remain in full force and effect for a period of eighteen (18) months following the Closing Date, provided, however, that the representations and warranties set forth in (i) Sections 3.1 (Organization and Authority), 3.2 (Authorization and Binding Obligations), the first sentence of Section 3.4 (Station Assets), 4.1 (Organization and Authority) and 4.2 (Authorization and Binding Obligations) shall survive without any time limitation and (ii) Sections 3.11 (Taxes) and 3.14 (Environmental Matters) shall survive until expiration of the applicable statute of limitations. The applicable period of such survival subsequent to Closing is referred to as the "Indemnity Period." The covenants and agreements of the Parties contained in this Agreement shall survive and remain in full force and effect until performed.

10.2 Seller's Indemnity. During the Indemnity Period (or thereafter, solely with respect to any claim for indemnification for which a Claim Notice has been given prior to the expiration of the Indemnity Period), Seller shall indemnify and hold harmless Buyer, its Affiliates and their respective directors, officers, members, stockholders,

employees and representatives (collectively, the “Buyer Indemnified Parties”) from and against any and all demands, losses, Liabilities, Actions, obligations, assessments, damages, fines, Taxes, penalties, reasonable costs and expenses (including reasonable expenses of investigation, and reasonable fees and disbursements of counsel, accountants and other experts), absolute or contingent, of any nature whatsoever (collectively, “Losses”) incurred or suffered by any Buyer Indemnified Party, arising out of, resulting from or relating to:

(a) Any breach of any of the representations or warranties made by Seller in this Agreement;

(b) Any failure by Seller to perform any of its covenants or agreements contained in this Agreement; or

(c) The Non-Assumed Liabilities and any Liabilities arising from the ownership of the Station Assets or the operation of the Station prior to Closing.

Notwithstanding the foregoing or anything else herein to the contrary, after Closing, (i) Seller shall have no liability to Buyer under clause (a) of Section 10.2 until Buyer’s aggregate Losses exceed \$20,000, after which such threshold amount shall be included in, not excluded from, any calculation of Losses, and (ii) the maximum aggregate liability of Seller under Section 10.2(a) shall be an amount equal to the Purchase Price.

10.3 Buyer’s Indemnity. During the Indemnity Period (or thereafter, solely with respect to any claim for indemnification for which a Claim Notice has been given prior to the expiration of the Indemnity Period), Buyer shall indemnify and hold harmless Seller, its Affiliates and their respective directors, officers, members, stockholders, employees and representatives (collectively, the “Seller Indemnified Parties”) from and against any and all Losses incurred or suffered by any Seller Indemnified Party, arising out of, resulting from or relating to:

(a) Any breach of any of the representations or warranties made by Buyer in this Agreement;

(b) Any failure by Buyer to perform any of its covenants or agreements contained in this Agreement; or

(c) The Assumed Liabilities and any Liabilities arising from the ownership of the Station Assets or Buyer’s operation of the Station after Closing.

Notwithstanding the foregoing or anything else herein to the contrary, after Closing, (i) Buyer shall have no liability to Seller under clause (a) of Section 10.3 until Buyer’s aggregate Losses exceed \$20,000, after which such threshold amount shall be included in, not excluded from, any calculation of Losses, and (ii) the maximum aggregate liability of Seller under Section 10.3(a) shall be an amount equal to the Purchase Price.

10.4 Procedures. In the event that any Party hereto shall sustain or incur any Losses in respect of which indemnification may be sought by such Party pursuant to this

Article 10, the Party seeking such indemnification (the "Claimant") shall assert a claim for indemnification by giving prompt written notice thereof (a "Claim Notice") which shall describe in reasonable detail the facts and circumstances upon which the asserted claim for indemnification is based, along with a copy of the claim or complaint, to the Party providing indemnification (the "Indemnitor"). For purposes of this paragraph, any Claim Notice that is sent within fifteen (15) days of the date upon which the Claimant learned of such Loss shall be deemed to have been "prompt notice;" *provided* that the failure of the Claimant to give the Indemnitor prompt notice as provided herein shall not relieve the Indemnitor of any of its obligations hereunder except to the extent that the Indemnitor is materially prejudiced by such failure.

(a) Upon the receipt of such Claim Notice, the Indemnitor shall have the right to undertake (at its own expense), by counsel or representatives of its own choosing, the good faith defense, compromise or settlement to be undertaken on behalf of the Claimant and shall keep the Claimant reasonably informed with respect thereto. Indemnity for such Losses shall not be deemed an admission of liability on the part of the Indemnitor as against any such third party. If the Indemnitor elects to undertake such defense by its own counsel or representatives, the Indemnitor shall give notice to the Claimant within ten (10) Business Days of its receipt of the Claim Notice. Notwithstanding the foregoing, the Indemnitor may not assume or control the defense if the named parties to the action giving rise to the Claim Notice (including any impleaded parties) include both the Indemnitor and the Claimant and representation of both Parties by the same counsel would be inappropriate (based on a written opinion of outside counsel) due to actual or potential differing interests between them, in which case the Claimant shall have the right to defend the action and to employ counsel reasonably approved by the Indemnitor, and, to the extent the matter is determined to be subject to indemnification hereunder, the Indemnitor shall reimburse the Claimant for all reasonable costs associated with such defense.

(b) The Claimant shall cooperate with the Indemnitor in such defense and provide the Indemnitor with all information and assistance reasonably necessary to permit the Indemnitor to settle and/or defend any such claim. Except as otherwise provided in the last sentence of Section 10.4(a), the Claimant may retain counsel (at the Claimant's expense) to monitor or participate in the defense of such claim, but the Indemnitor shall be entitled to control the defense unless the Claimant unconditionally agrees in writing to relieve the Indemnitor from liability with respect to the particular matter. The Indemnitor shall have the right in good faith to settle or compromise any such claim, *provided* that (i) at least ten (10) Business Days prior notice of such settlement or compromise is given to the Claimant and (ii) such settlement or compromise must not require the Claimant to take or refrain from taking any action, contain any admission by or on behalf of the Claimant, or otherwise fail to constitute a full release of the Claimant. Notwithstanding the foregoing, in connection with any such settlement or compromise negotiated by the Indemnitor, no Claimant shall be required by an Indemnitor to (i) enter into any settlement that does not include as an unconditional term thereof the delivery by the Claimant or plaintiff to the Claimant of a release from all liability in respect of such claim or litigation, or (ii) enter into any settlement that attributes by its terms any non-indemnified liability to the Claimant.

(c) If an Indemnitor fails, within ten (10) Business Days after the date of the Claim Notice to give notice to the Claimant of such Indemnitor's election to assume the defense thereof, the Indemnitor shall be bound by any determination made in such action or any compromise or settlement thereof effected by the Claimant and shall reimburse the Claimant for all Losses (including reasonable attorney's fees) incurred by the Claimant; provided, however, that the Claimant shall keep the Indemnitor advised on a timely basis of significant developments with respect to such defense and permit the Indemnitor to participate, at its own election and expense, at any time, in the defense thereof.

10.5 Qualifications and Limitations. Notwithstanding any provision contained in this Agreement to the contrary, the Indemnitor's obligations to indemnify the Claimant pursuant to Section 10.2 or 10.3 shall be subject to the following qualifications and limitations:

(a) In the determination of whether a breach has occurred with respect to any representation or warranty contained in Section 3 or Section 4 of this Agreement for purposes of the exercise by Buyer or Seller, as the case may be, of its indemnity rights under Section 10.2(a) or 10.3(a) hereof, any exception for "Material Adverse Effect" and any qualification by "in all material respects" in any representation or warranty shall be disregarded as if such representation or warranty did not contain such exception or qualification, and the phrase "material breach" or "material default" in any representation or warranty shall be read as if the word "material" were not present therein.

(b) Following the Closing Date, except for claims based on fraud, the sole and exclusive remedy for either Party for any claim based upon, relating to or arising out of this Agreement or the transactions contemplated hereby shall be a claim for indemnification pursuant to this Article 10.

(c) The indemnity rights of Buyer or Seller under this Article 10, as Claimant, with respect to any breach of a representation or warranty by the other Party as Indemnitor expire upon the expiration of the Indemnity Period except with respect to any claim for indemnification for which a Claim Notice is given prior to the expiration of the Indemnity Period.

(d) Neither Party shall have any liability to the other under any circumstances for special, indirect, consequential, punitive or exemplary damages or lost profits or similar damages of any kind, whether or not foreseeable.

ARTICLE 11: TERMINATION

11.1 Termination by the Parties. This Agreement may be terminated, and the purchase and sale of the Station Assets abandoned, by mutual written consent of the Parties, or by written notice to the non-terminating Party upon the occurrence of any of the following:

(a) Breach by Seller. By Buyer in the event Seller (i) does not perform the obligations to be performed by it under this Agreement on the Closing Date

(with no Cure Period) or (ii) otherwise breaches in any material respect any of its representations or warranties or defaults in any material respect in the performance of any of its covenants or agreements contained in this Agreement and such breach or default is not cured within the Cure Period.

(b) Breach by Buyer. By Seller in the event Buyer (i) does not perform the obligations to be performed by it under this Agreement on the Closing Date (with no Cure Period) or (ii) otherwise breaches in any material respect any of its representations or warranties or defaults in any material respect in the performance of any of its covenants or agreements contained in this Agreement and such breach or default is not cured within the Cure Period.

(c) FCC Denial. By Buyer or Seller if the FCC denies the Assignment Application.

(d) Outside Date. By Buyer or Seller if the Closing has not occurred on or before the date nine (9) months after the date of this Agreement.

(e) Other. As provided by Section 6.8 or Section 6.13.

As used herein, "Cure Period" means a period commencing on the date Buyer or Seller receives from the other written notice of a breach or default hereunder and continuing until the earlier of twenty (20) calendar days thereafter or the Closing Date.

11.2 Effect of Termination. Upon termination, this Agreement shall become null and void and there shall no liability or obligation on the part of any party hereto (or any of their respective officers, directors, employees, representatives or Affiliates); provided that termination of this Agreement shall not relieve any Party of any liability for breach or default under this Agreement prior to the date of termination. Notwithstanding anything in this Agreement to the contrary, the rights and obligations of the Parties described in Sections 2.2(b) (with respect to the Escrow Deposit), 6.4 (Confidentiality), 6.5 (Press Releases), Article 12 (Miscellaneous) and this Article 11 (Termination) shall survive any termination.

11.3 Specific Performance. The Parties recognize that if Seller refuses to perform under the provisions of this Agreement or otherwise breaches or threatens to breach its obligation to consummate this Agreement, monetary damages alone would not be adequate to compensate Buyer for its injury. Buyer shall therefore be entitled, in addition to any other remedies that may be available, to obtain specific performance of the terms of this Agreement. If any action is brought by Buyer to enforce this Agreement, Seller shall waive the defense that there is an adequate remedy at law, and Buyer shall not be required to pay or post any bond in connection with any such equitable relief.

Except as otherwise provided in this Agreement, Seller and Buyer shall each be liable for its own fees and expenses incurred in connection with the negotiation, preparation, execution or performance of this Agreement and the consummation of the transactions contemplated herein.

12.3 Choice of Law. This Agreement shall be construed and interpreted in accordance with the laws of the State of New York, without giving effect to the principles of conflicts of law.

12.4 Assignment. Neither party may assign all or part of this Agreement without the prior written consent of the other party hereto, provided, however, that Buyer may assign its rights hereunder to an affiliate of Buyer upon written notice to, but without

consent of, Seller, provided that (i) any such assignment does not materially delay processing of the Assignment Application, grant of the FCC Consent or Closing, (ii) any such assignee delivers to Seller a written assumption of this Agreement, and (iii) Buyer shall remain liable for all of its obligations hereunder. Each of Seller and Buyer may collaterally assign this Agreement and its rights hereunder to its secured lender. This Agreement shall be binding upon and inure to the benefit of the Parties hereto and their respective permitted successors and assigns, and no other person shall have any right, benefit or obligation hereunder.

12.5 Entire Agreement. This Agreement (together with all Schedules hereto) represents the entire understanding and agreement between the Parties hereto with respect to the subject matter hereof. All Schedules attached to this Agreement shall be deemed part of this Agreement and are incorporated herein. This Agreement supersedes all prior negotiations, letters of intent or other writings between the Parties and their respective representatives with respect to the subject matter hereof and may not be amended, supplemented or modified except by an agreement in writing that makes specific reference to this Agreement which is signed by both Parties.

12.6 Waivers of Compliance; Consents. Except as otherwise provided in this Agreement, any failure of any of the Parties to comply with any obligation, representation, warranty, covenant, agreement or condition herein may be waived by the Party entitled to the benefits thereof only by a written instrument signed by the Party granting such waiver, but such waiver or failure to insist upon strict compliance with such obligation, representation, warranty, covenant, agreement, or condition shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure. Whenever this Agreement requires or permits consent by or on behalf of any Party hereto, such consent shall be given in writing in a manner consistent with the requirements for a waiver of compliance as set forth in this Section 12.6.

12.7 Severability. In the event that any provision contained in this Agreement is held to be invalid, illegal or unenforceable under applicable Law by any Governmental Authority, then so long as no Party is deprived of the benefits of this Agreement in any material respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Agreement, and this Agreement shall be construed with the invalid, illegal or unenforceable provision deleted, and in a manner that, as nearly as possible, reflects the original intent of the Parties.

12.8 Counterparts. This Agreement may be executed in any number of counterparts, each of which, when so executed and delivered, shall be an original, and all of which counterparts together shall constitute one and the same fully executed instrument. Counterpart signature pages executed and delivered via email or facsimile transmission shall be sufficient to make this Agreement legally binding, and all such signatures shall be treated as original signatures for all purposes.
