Dear Ms.Hardy:

It has come to the attention of Calvary Chapel of Twin Falls, Inc. ("CCTF") that there exists an erroneous CP for W206AT on the CDBS Database. File No:BMPFT-19990719TF no longer exists because this site was modified and constructed at another site in Savannah, GA, before a license was issued at the site of BMPFT-19990719TF.

W206AT was granted a CP on July 10, 1996. A major modification of this CP was granted on October 28, 1998. A license was granted May 19, 2000. Prior to the grant of said license BLFT-19990713UC a modification was made, BMPFT-19990719TF, which is the CP that is still showing up as valid on the CDBS Database. BMPFT-19990719TF was then placed on the air and license File No. BLFT-20000517AEW was submitted. Before BLFT-20000517AEW was granted, a site location change was made in authorization BPFT- 20001204AIO resulting in the dismissal of BLFT- 20000517AEW on August 17, 2000. The present license BLFT-20010724AAV was granted to minor change application BPFT- 20001204AIO on September 26, 2001. W206AT has been in operating under this license since July 24, 2001.

CCTF is in the process of filing a minor change to License file No: BLFT-20010724AAV, but this minor change application will show up as a mutual exclusive conflict with BMPFT-19990719TF. Therefore, at this time, Calvary Chapel of Twin Falls, Inc. respectfully requests that BMPFT-19990719TF, Savannah, GA be dismissed.

Thank you for your attention to this matter. If you have any questions, please contact me at (208) 733-3133, extension 206.

Sincerely,
