

WUSJ 96.3 FM AUXILIARY FACILITY FILL-IN EXHIBIT

Applicant has specified facilities herein which will not extend the primary service area of the main station, WUSJ 96.3 FM (Facility ID 62050), as follows:

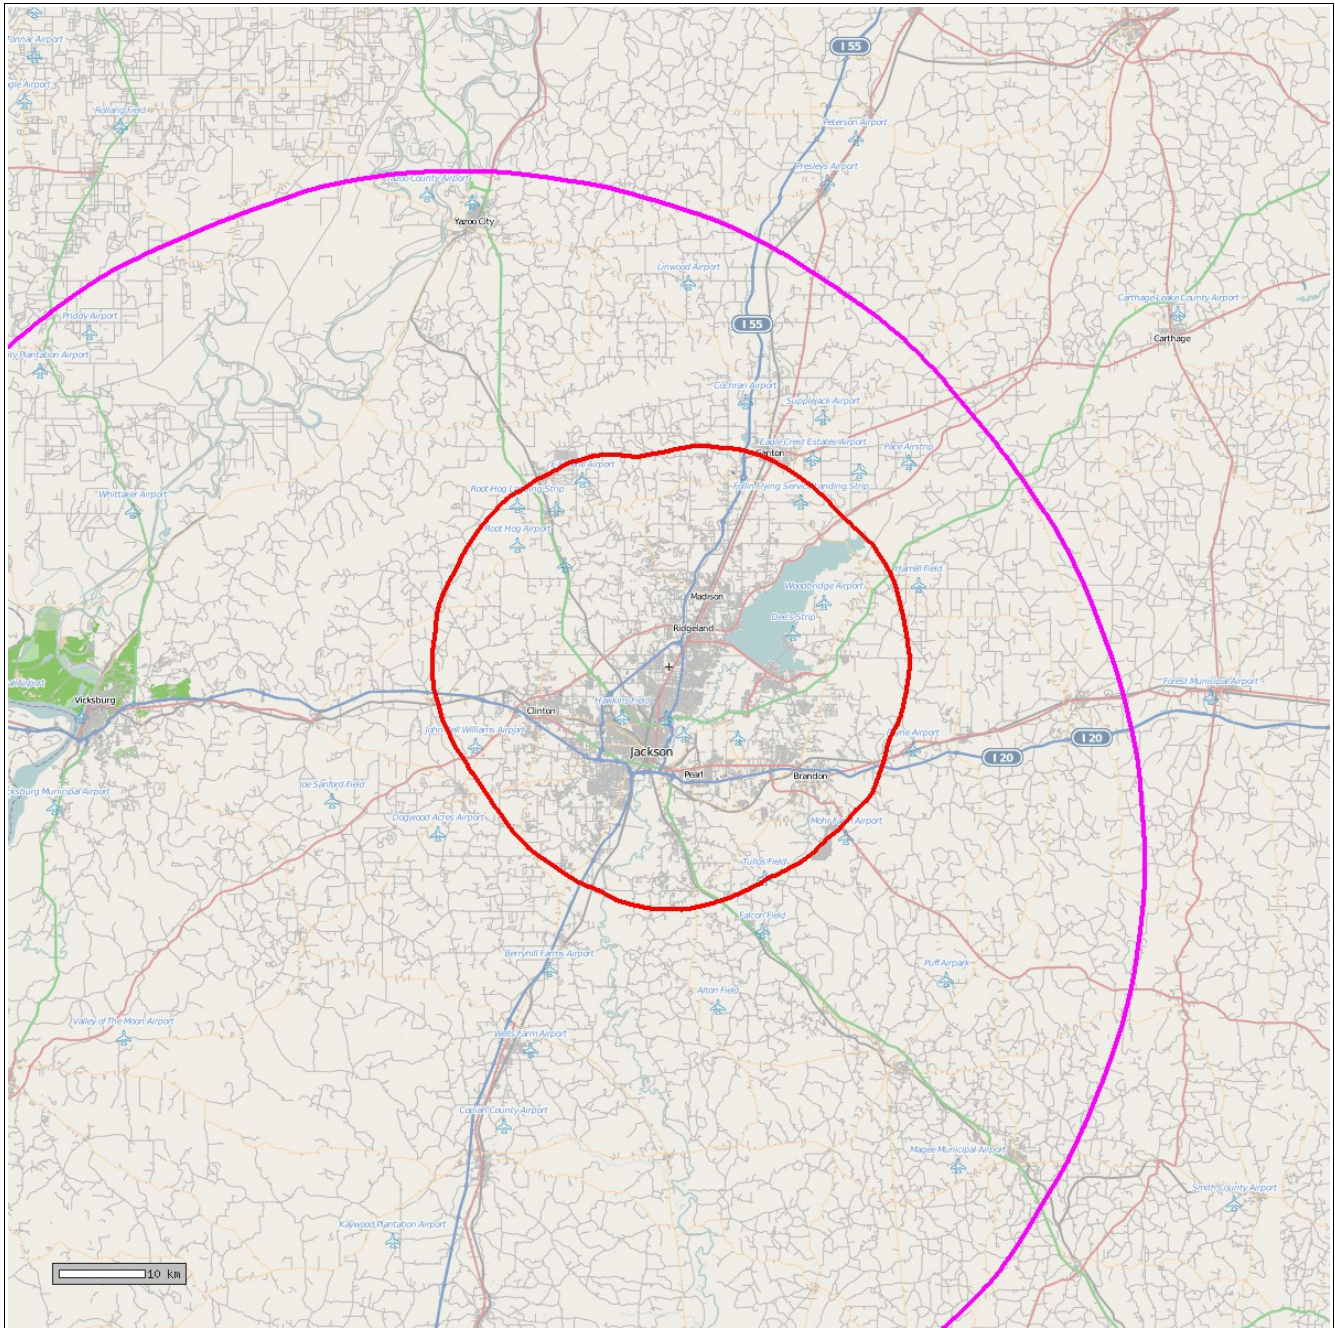

FIGURE 1: The F(50,50) 60 dBu primary service contour of the proposed auxiliary facility is shown above in red. The (50,50) 60 dBu primary service contour of WUSJ 96.3 FM (Facility ID 62050) is shown above in pink. At no point does the proposed auxiliary facility's primary service area exceed that of the main station.
