

## **MULTIPLE OWNERSHIP EXHIBIT 5**

According to the Commission's local ownership "tiers," in a Metro reported by BIA as having between 15 and 29 (inclusive) "home" commercial and noncommercial educational full-power radio stations, a party may have a cognizable interest in up to 6 commercial full-power radio stations, not more than 4 of which are in the same service (AM or FM). In the Abilene, Texas Arbitron Metro there are 23 commercial and noncommercial educational full-power radio stations. This application complies with the local radio ownership portion of the multiple ownership rules set forth in 47 C.F.R. Section 73.3555 because only four full-power radio stations (KCDD(FM), KBCY(FM), KHXS(FM) and KTLT(FM) (formerly KFQX-FM)) are attributable to Cumulus Licensing LLC ("Cumulus") and any party to this application.

In addition, the principal community contour of Station KCDD(FM) does not overlap the principal community contour of any full-power commercial or non-commercial radio station that (i) is not located within the Abilene, Texas Arbitron Metro and (ii) is attributable to Cumulus Licensing LLC or any party to this application.
