

## Directional Antenna Installation Affidavit

**Station: WLEY (FM)**  
**Frequency: 107.9 MHz**  
**Channel: 300**  
**Antenna model: ERI SHP-4AC-DA-HW**

In compliance with 47 C.F.R. Section 73.1690(c)(2). This is to certify that the new directional antenna manufactured by Electronics Research Inc. (ERI), model number SHP-4AC-DA-HW for WLEY operating at 107.9 MHz and licensed to Aurora, IL has been erected and installed per manufacturer's specification.

I have inspected the directional FM antenna installation for the facility listed above, and have found it to be installed pursuant to the manufacturer's installation instructions and drawings. I certify that the Electronic Research Inc. directional antenna system has been installed per manufacturer's specifications. I have been professional broadcast engineer for over 16 years and hold SBE certifications.
