Re: Waiver of Interference between K14MW-D / K03HY-D and San Juan Bautista Channel 4

I, Joseph Fiori, applicant for Channel 4 in San Juan Bautista, CA (BNPDVL-20090824BIS) accept and waive any and all interference that may be caused by an application by One Ministries, Inc. to increase the ERP to 3000 watts with the station K03HY-D / K14MW-D.

Likewise, let this letter also serve as a reciprocal agreement for Channel 4 in San Juan Bautista to also be able to increase ERP to 3000 watt without respect to interference caused to: K14MW-D / K03HY-D.

Very Truly Yours,

Joseph Fiori

Keith Leitch on Behalf of One Ministries, Inc.
