In re: WUNT(FM), Princeton, IL
Facility ID No. 90548
Silent since May 14, 2012

Request for Extension of Special Temporary
Authority to Remain Silent

Dear Mr. Peltzman:

This letter concerns the request you filed on February 11, 2013, on behalf of Road Map Ministries ("RMM"), for extension of Special Temporary Authority to permit FM Radio Station WUNT to remain silent.

Commission records reflect that RMM stated that Station WUNT(FM) went silent on May 14, 2012, pending the proposed modification of its facilities. The previous STA was granted on August 27, 2012, and expired on February 23, 2013. RMM requests extension of its STA pending the finalization of its proposed modifications. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

RMM's request is granted. Accordingly, Special Temporary Authority is granted to permit Station WUNT(FM) to remain silent until May 14, 2013. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station WUNT(FM) will automatically expire as a matter of law if broadcast operations do not commence by 12:01 a.m., May 15, 2013.**¹ See Section 312(g) of the Communications Act, 47 U.S.C. § 312(g).

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed. See 47 C.F.R. §§ 17.6 and 73.1740(a)(4).

Sincerely,

Lisa Scanlan
Assistant Chief, Audio Division
Media Bureau

¹ In addition to filing electronically with the Commission on the date operations resume, notification of resumption of broadcast operations must be emailed to Denise.Williams@FCC.gov.
