Potential Attributable Interest Under EDP Rule. Riverside Broadcasting, Inc. ("Riverside") is the licensee of Station WIMX(FM), Gibsonburg, Ohio. CBI has supplied financing to Riverside in an amount which it believes exceeds 33% of Riverside's total capitalization calculated under the FCC's equity/debt plus ("EDP") standard. CLC holds FCC

authorizations for other radio stations in the same market as WIMX, and, thus, the EDP attribution standard may apply to CBI's debt holding in Riverside.

CBI intends to assign its rights as creditor of Riverside to an independent third party and currently is taking steps to implement this plan as expeditiously as practicable. CBI anticipates that the assignment of its rights will be effectuated by the end of 2003. In the interim, and to the extent such a waiver is necessary, CLC will continue to request temporary waivers of the EDP rule with respect to CBI and WIMX until the proposed solution can be implemented.
