Request for Waiver of 47 C.F.R. § 73.1125
(Main Studio Rule)

Dear Mr. Wildmon:

The staff has under consideration the above-referenced request made by American Family Association ("AFA") for a waiver of the Commission's Main Studio Rule, Section 73.1125, in order to operate station KAXF(FM), Rochester, Indiana, as a "satellite" of commonly owned noncommercial educational ("NCE") station WAFR(FM), Tupelo, Mississippi.¹ For the reasons set forth below, we will waive Section 73.1125 and grant AFA's request.

Main Studio Waiver. Pursuant to Section 73.1125(a), a broadcast station's main studio must be located either (1) within a station's community of license, (2) within the principal community contour of any other broadcast station licensed to its community, or

¹ A "satellite" station meets all of the Commission's technical rules. However, it originates no programming and instead rebroadcasts the parent station's programming. *See Amendment of Multiple Ownership Rules, Memorandum Opinion and Order*, 3 RR2d 1554, 1562 (1964).

(3) within 25 miles of the center of its community of license.² However, under Section 73.1125(b)(2), the Commission will waive these requirements where “good cause” exists to do so and where the proposed studio location “would be consistent with the operation of the station in the public interest.” Each waiver request by an NCE station seeking to operate as the satellite of another NCE station is considered on a case-by-case basis. The Commission has recognized the benefits of centralized operations for NCE stations, given their limited funding, and thus found “good cause” exists to waive the main studio location requirement where satellite operations are proposed.³ A satellite station must, however, demonstrate that it will meet its local service obligation to satisfy the Section 73.1125 “public interest” standard.⁴

AFA’s request is based on the economies of scale, which would be realized by grant of its waiver. We agree and conclude that there is “good cause” to waive 47 C.F.R. Section 73.1125(a)(4) under these circumstances.

AFA proposes to operate KAXF(FM), Conroe, Texas, as a satellite station of WAFR(FM), Tupelo, Mississippi, approximately 486 miles from Conroe. Where there is a great distance between the parent and satellite station, as here, we are particularly concerned that the licensee take adequate measures to maintain its awareness of the satellite community’s needs and interests. To that end, AFA has pledged to meet its local service obligations by : (1) adding to its Community Advisory Board at least one resident of Conroe who will be asked to provide recommendations on community needs and programming directly to the management of AFA; (2) soliciting listeners’ opinions regarding community issues that should be addressed during program planning held at each regular “Shareathon” (pledge drives normally held every six months); (3) tracking the listener response by community and factoring those responses in its planning of the program schedule and issues to be addressed; (4) providing periodic programming for Conroe, including coverage of significant local news or cultural events; (5) providing for the broadcast of local public service announcements; (6) maintaining KAXF(FM)’s public file within the Conroe community; and (7) maintaining a toll-free telephone number, as required by Section 73.1125(d) of the rules.

In these circumstances, we are persuaded that AFA will meet its local service obligation and thus, that grant of the requested waiver is consistent with the public interest. We remind AFA, however, of the requirement that it maintain a public file for the Conroe station at the main studio of the “parent” station, WAFR(FM), Tupelo, Mississippi. It must also make reasonable accommodation for listeners wishing to examine the file’s contents.⁵ We further remind AFA that, notwithstanding the grant of

the waiver requested here, the public file for KAXF(FM) must contain the quarterly issues and programs list for Conroe, Texas, required by 47 C.F.R. Section 73.3527(e)(8).

Accordingly, the request made by American Family Association for waiver of 47 C.F.R. Section 73.1125 IS HEREBY GRANTED.
