

DECLARATION

1. I am the Vice President for Institutional Advancement of the University of Utah ("University"). I am authorized to execute this declaration on behalf of the University. I signed the Certifications in the applications for new noncommercial FM radio stations filed by the University with the FCC in October, 2007.

2. I am familiar with an amendment being filed to the University's Roosevelt application (BNPED-10192007AAQ) to, among other things, confirm the removal of mutually exclusivity of that application with all other applications as a result of a technical amendment filed by another applicant. I certify that no consideration (including agreement(s) for merger of interests) has been promised to or received by the University, or paid or promised by the University, directly or indirectly, in connection with its own or any other amendment.

Under penalty of perjury I declare that the foregoing is true and correct.
