

Exhibit 9

Lake Havasu Christian Television Interference Compliance Lake Havasu City, Arizona

This is to show compliance with OET Bulletin 69 concerning interference to existing stations. Included is a table of stations which were considered in the instant application. As can be seen in the last column of the table, no interference is caused to any other station. Therefore, the application is in compliance with FCC rules. K25AL analog, is predicted to receive interference from K25HD digital. However, when K25HD is flash-cut to digital operation, interference to K25AL will be within FCC requirements. Richard D. Tatham, President of Lake Havasu Christian Television, is also the applicant for K25HD.
