

**DEMONSTRATION OF COMPLIANCE WITH MULTIPLE OWNERSHIP RULES**

Gold Coast Broadcasting LLC (“Gold Coast”), the licensee of KCAQ(FM), Camarillo, California (F.I.D. 70563), hereby demonstrates that the instant modification application fully complies with the Commission’s multiple ownership rules.

KCAQ(FM) is “home” to the Arbitron Oxnard-Ventura radio market. Gold Coast is the licensee of one additional FM radio station and 3 AM radio stations in the Arbitron Oxnard-Ventura radio market: KFYV(FM), Ojai, California, KUNX(AM), Santa Paula, California, KKZZ(AM), Port Hueneme, California, and KVTa(AM), Ventura, California. Gold Coast’s commonly owned affiliate, Point Four LLC, is the licensee of another FM station in the market: KOCP(FM), Oxnard, California. Gold Coast has no attributable ownership interest, whether by ownership, LMA, or JSA, in any other station in the Oxnard-Ventura market.

The most recent available Arbitron data for the Oxnard-Ventura radio market reveals that there are 20 commercial and noncommercial radio stations in the market. See BIA FCC Geographic Market Definition for Oxnard-Ventura, attached hereto.<sup>1</sup> Under the broadcast multiple ownership rules, in a radio market with between 15 and 29 commercial and noncommercial radio stations, an entity and its affiliates may lawfully own, operate and control up to 6 radio stations, only 4 of which may be in one class. Accordingly, Gold Coast and its affiliate’s continued ownership of three FM stations and three AM stations in the market is fully compliant with the multiple ownership rules.<sup>2</sup>

---

<sup>11</sup> The attached list indicates that Gold Coast and Point Four’s six stations in the market are “owned” by Point Broadcast Company (“Point”). Point is the parent company of Gold Coast and Point Four, which are actually the station licensees.

<sup>2</sup> Under the Commission’s multiple ownership rules, a modified contour overlap analysis is also required if any station subject to the application does not have its community of license located within the geographic boundaries of any Arbitron Metro. See *Report and Order* at ¶ 286. KOCP is assigned to the Oxnard-Ventura Arbitron metro and Oxnard, KOCP’s community of license, is physically located in the Oxnard-Ventura Arbitron metro market, which encompasses Ventura County. Accordingly, a modified overlap analysis is not required.
