KUOM-FM, St. Louis Park, MN
Exhibit 10

Schedule of Designated School Days for ShareTime Agreement

Pursuant to the Special Operating Conditions in the Station KUOM-FM construction permit in FCC File No. BNPED-20000211ABE (and the Station KDXL-FM license in FCC File No. BMLED-20020814AAT), the station will operate according to a 1999 ShareTime Agreement between the Regents of the University of Minnesota and the Independent School District #283. As noted in Special Operating Condition #3 in the KUOM-FM permit, the University shall operate from 4:30 PM to 7:30 AM and the School District will operate from 7:30 AM to 4:30 PM on Designated School Days. On all other days, including weekends, holidays, and school vacations, the University shall be authorized unlimited operation.

Special Operating Condition #3 requires that a Schedule of Designated School Days be filed with the Commission and placed in the station's public files by August 1 of each calendar year. The University and the School District shall file the 2003-2004 Schedule of Designated School Days with the Commission by August 1, 2003. The following is the Schedule of Designated School Days for the remainder of the 2002-2003 school year.

Designated School Days will include Monday through Friday from March 4, 2003 until June 11, 2003, with the following exceptions: March 28, 2003, March 31, 2003 through April 4, 2003, April 11, 2003, April 18, 2003 and May 26, 2003.

Pursuant to Sections 73.1715(c) and 73.561 of the Commission's Rules, the University also notifies the Commission of a departure from the Sharetime Schedule, as necessitated by the availability of students to begin the School District's broadcast day at the previously agreed-to time. As a result, the University shall operate from 4:30 PM to 8:00 AM and the School District shall operate from 8:00 AM to 4:30 PM on Designated School Days. As required by Section 73.1715(c), the parties will file a written agreement with the FCC to document this departure from the Sharetime Schedule.
