Tony Evans, representative  
Family Worship Center

Re: Angulations/azimuth heading for tower antenna located at 1714 Maple Street, Panama City,  
Florida

Property address/description: 1714 Maple Street, Panama City, Florida

To Whom It May Concern:

This correspondence is notification that the azimuth direction currently set for the above  
referenced antenna is 255°(degrees) or 15°(degrees) south of due west.

Should you have any questions regarding this note, please call us at the office number(s) above.

Sincerely,

Henry C. Ritchie, II  
President
