DEA No. 21011002

Dear Mr. Evans:

New Life Media is proposing to construct a broadcast tower in Jackson County, Illinois. At this time, Dynamic Environmental Associates, Inc. (DEA) is conducting a Section 106 Review to assess the potential impact the proposed project may have on historic resources that are listed or eligible for listing in the National Register of Historic Places. As part of the Section 106 Review process, we are inquiring whether you have any knowledge of historic resources that may be affected by the project and/or whether you wish to comment on this proposed project.

Details on the proposed project are presented below.

Site Name:	WIBI Murphysboro
Address or Location:	North side of Crane Road
Parcel Number:	09-24-200-009
City, County, State:	DeSoto, Sumerset Township, Jackson County, IL
Latitude / Longitude:	N37-48-59.1, W89-15-57.4
Site Description:	The Site (project area) will be located in an agricultural field and will contain a fenced tower facility and proposed access/utility easements.
Proposed Project Description:	The proposed project will consist of a 125' tall self-support tower and associated equipment to be located within a 65' x 22' fenced compound. The Section 106 Review being conducted includes the assessment of the proposed tower, project area, and proposed access/utility easements.

In addition to contacting you, please be advised that we have also requested comments from the following parties:

Village of DeSoto
Somerset Township
Jackson County Historic Society
General Public via published Public Notice

The findings of our Section 106 Review will be submitted to the State Historic Preservation Office (SHPO) in the near future for their review. Therefore, we respectfully request receiving your comments within 30 days of receipt of this letter. If you have any questions regarding the proposed development or wish to discuss this project in more detail, please do not hesitate to contact us.

Your assistance is greatly appreciated.

Very truly yours,

Other Consulting Parties & Public Involvement

OTHER CONSULTING PARTIES AND PUBLIC INVOLVEMENT

DEA, on behalf of the Applicant, New Life Media, has made a reasonable and good faith effort to identify other parties that may potentially have an interest in participating in the Section 106 Process for the proposed project. A letter was mailed to the following party inviting its participation and comments on the proposed project's impact on historic resources:

Jackson County Historical Society

As of the date of this submission, no comments that "substantially relate to potentially affected Historic Properties"² have been received from the contacted party. However, any future material comments will be forwarded to the State Historic Preservation Office upon receipt. Copies of all correspondence are included in this Attachment.

In order to provide the General Public with an opportunity to participate in the Section 106 Process and/or to comment on the proposed project, a Public Notice has been published in a local "newspaper of record" which solicits comments on the proposed project's impact on historic resources. The following Public Notice was published in *The Southern Illinosan* on 11/24/10 & 12/01/10:

SECTION 106 PUBLIC NOTICE

New Life Media is proposing to construct a broadcast tower located along Crane Road (Parcel No. 09-24-200-009), DeSoto, Jackson County, IL at Latitude N37-48-59.1, Longitude W89-15-57.4. The tower is proposed to be a self-support design and 125' tall. New Life Media seeks comments from all interested persons on the impact of the tower on any districts, sites, buildings, structures, or objects significant in American history, architecture, archaeology, engineering, or culture, that are listed or eligible for listing in the National Register of Historic Places. Specific information about the project, including the historic preservation reviews that New Life Media is conducting pursuant to the rules of the Federal Communications Commission (47 C.F.R. Sections 1.1307(4)) and the Advisory Council on Historic Preservation (36 C.F.R. Part 800) will be made available to interested persons who request the information from the contact below. All questions, comments, and correspondence should be directed to Virginia Janssen, Principal Archaeologist, Dynamic Environmental Associates, Inc., 3850 Lake Street, Suite C, Macon, GA 31204, Sec106@DynamicEnvironmental.com by 12/24/2010.

As of the date of this submission, no comments that "substantially relate to potentially affected Historic Properties" have been received from the general public. However, any future material comments will be forwarded to the State Historic Preservation Office upon receipt.
