ENGINEERING REPORT

KSBL, FM Minor Site Change Amendment for 269B (Isla Vista, CA)

EXHIBIT 27 –ENGINEERING STATEMENT REGARDING SECTION 73.207

This proposal (as amended) is part of the following set of contingent applications:

Carpinteria, CA, 269A to Isla Vista, CA, 269B
(Minor modification of station KSBL; *This amended application*)

Santa Barbara, CA, 299B1 to Carpinteria, CA, 260B1
(Minor modification of station KIST-FM to change Community of License only)

The proposed transmitter site (as herein amended to the Mt. Pleasant site) meets the separation requirements of Section 73.207 (with the exception of KSCA 270B). A study based on Section 73.215 is included in Exhibit 30 of this application demonstrating adequate contour protection to KSCA.
