

EXHIBIT 16: OTHER MEDIA INTERESTS

LocusPoint Networks, LLC (“LPN”) wholly owns and controls LocusPoint WMKE Licensee, LLC (“LPN Licensee”), which is the proposed assignee, as its sole member and manager. Through its other direct, wholly owned licensee subsidiaries, LPN (and individuals and entities that hold a direct or indirect attributable interest in LPN) hold attributable interests in the following other broadcast licenses:

* The Commission has granted its consent for the assignment of this station license to an LPN subsidiary, but the transaction has not yet been consummated.

** These call signs are subject to assignment applications that are currently pending before the Commission.

*** Since these assignment applications were filed, the stations have been downgraded from digital Class A stations to digital low power stations. As a result, their call signs are now WSVT-LD and WUDT-LD.
