In re: NEW(FM), El Reno, OK  
BNPFT-20130321ADC  
Facility ID # 156309

Dear Applicant:

This refers to the above-captioned application for a new FM translator station in El Reno, Oklahoma.

A review of the proposal reveals that it is in violation of 47 C.F.R. Section 74.1204. Specifically, the proposed 100 dBu interfering contour overlaps the 60 dBu protected contour of the licensed facility of WWLS-FM, The Village, OK (BLH-20080721ACN). The application fails to recognize this deficiency. Therefore, the application will be dismissed.

Accordingly, application BNPFT-20130321ADC IS HEREBY DISMISSED. This action is taken pursuant to 47 C.F.R. § 0.283.

Sincerely,

James D. Bradshaw  
Deputy Chief  
Audio Division  
Media Bureau
