

**Exhibit 18**  
**Salisbury Ocean City Multiple Ownership Exhibit**

The six full power stations subject to this application are in the Salisbury Ocean City Arbitron rated market. The FCC looks to the BIA Media Access Pro database for determining the number of stations in a market, and will count all stations “above-the-line” or listed by BIA as “home” as being in a radio market, as well as any other licensed full power commercial or noncommercial radio station whose community of license is located within the Metro's geographic boundary. *Broadcast Ownership Rules - 2002 Biennial Regulatory Review*, 18 FCC Rcd 13620, July 2, 2003 at ¶280.

BIA Media Access Pro lists 42 full-power AM and FM radio stations as Salisbury Ocean City radio market stations. Accordingly, pursuant to §73.3555(a)(1) of the Commission’s rules, Salisbury Ocean City is a market with between 30 and 44 radio stations, and therefore, a single entity may own or have a cognizant interest in 7 commercial radio stations with not more than 4 in the same service. This application seeks to assign 6 commercial radio stations, comprised of 4 FM and 2 AM stations, all within the Salisbury Ocean City market, and therefore is in compliance with the Commission’s multiple ownership rules.
