

TV/RADIO CROSS-OWNERSHIP

The instant application seeks Commission consent to the acquisition by CMP KC Licensing, LLC of radio station KCHZ(FM), Ottawa, Kansas.

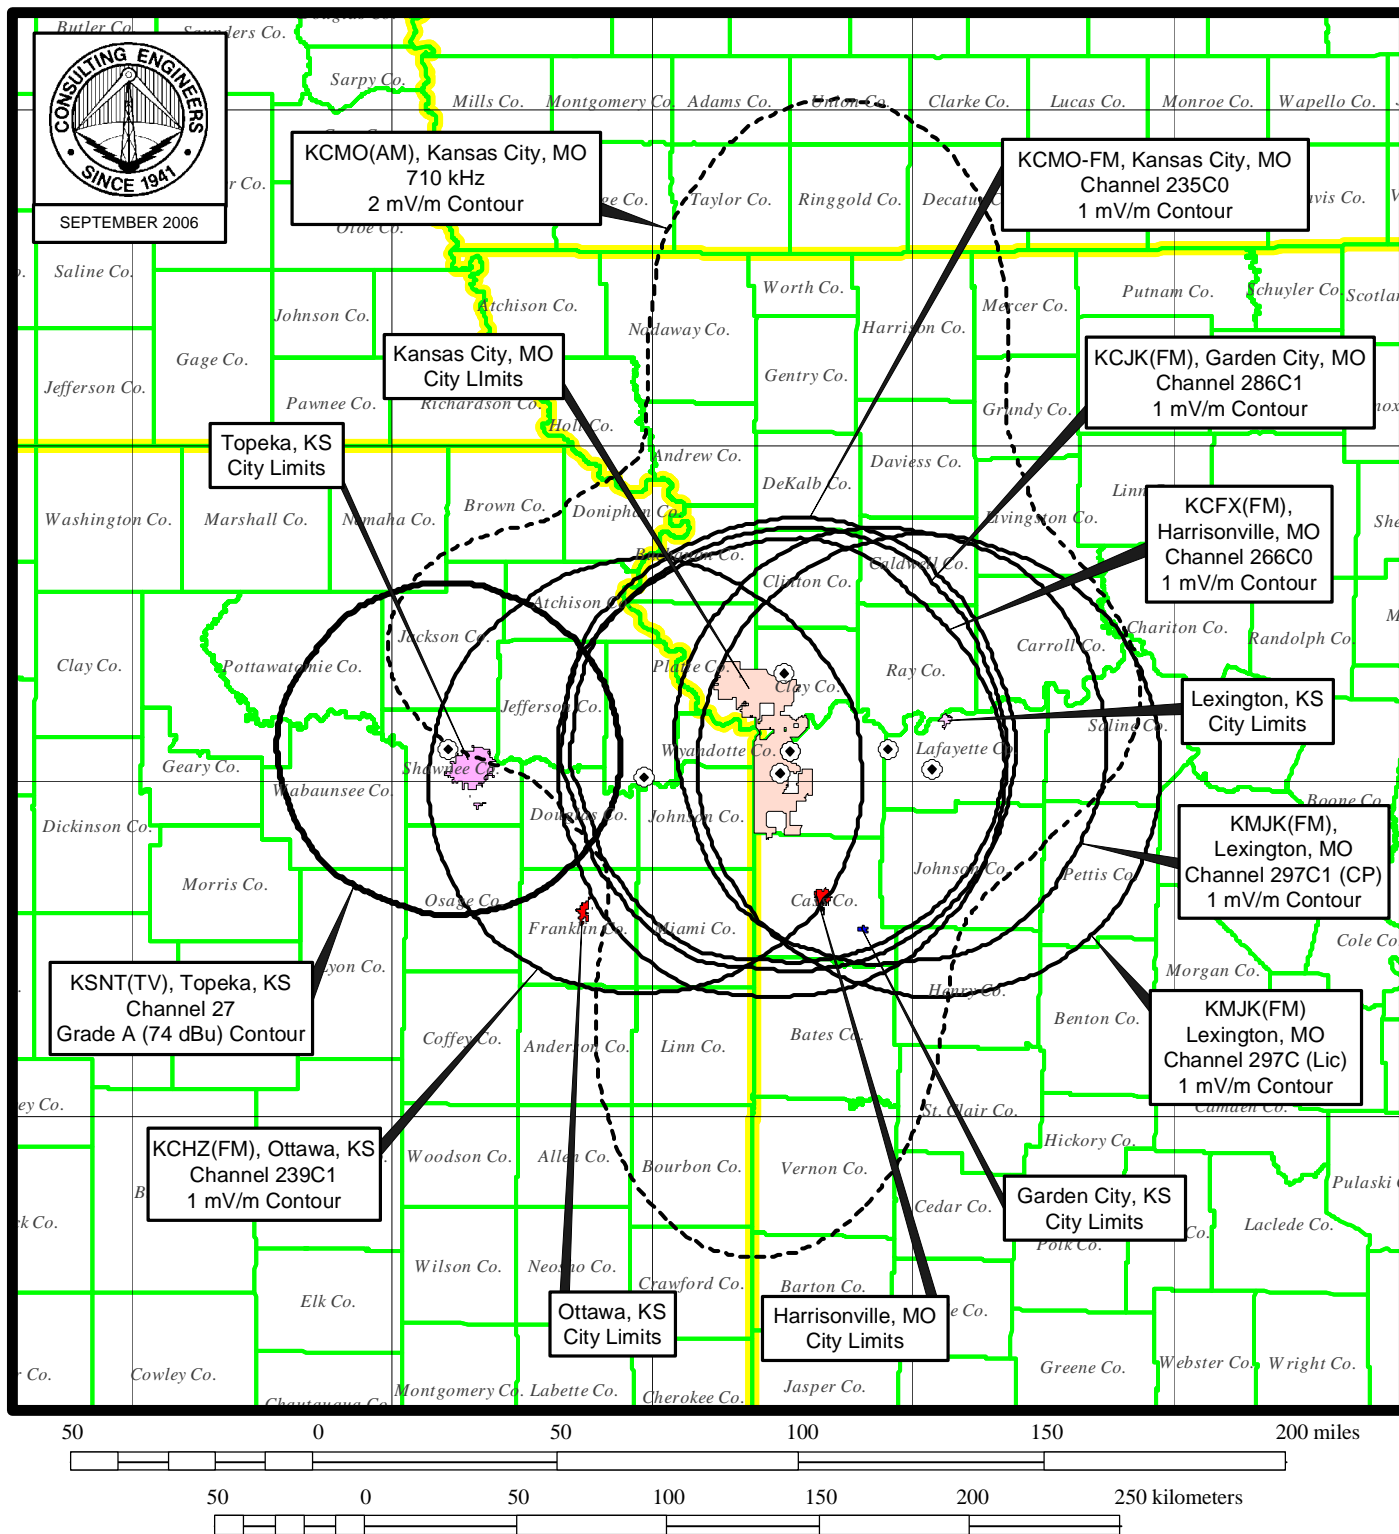

As a result of the proposed transaction, CMP KC Licensing, LLC and/or CMP Houston-KC, LLC, a common-owned entity (collectively, "CMP"), will control the licenses for the following radio stations located in the Kansas City, MO-KS radio market:

KCHZ(FM), Ottawa, KS (Facility ID #33332)
KMJK(FM), Lexington, MO (Facility ID #33713)
KCFX(FM), Harrisonville, MO (Facility ID # 27021)
KCJK(FM), Garden City, MO (Facility ID #87565)
KCMO-FM, Kansas City, MO (Facility ID #6385)
KCMO(AM), Kansas City, MO (Facility ID #33391)

Certain of the Blackstone Funds and/or their affiliates, which hold an attributable interest in CMP, also hold attributable interests in the parent of Montecito Television License Corporation of Topeka, the licensee of the following full-power television station:

KSNT(TV), Topeka, Kansas (Facility ID #67335)

Included as Attachment 1 is a map demonstrating that (1) the 1 mV/m contour of KCHZ(FM) encompasses Topeka, Kansas, the community of license of KSNT(TV) and (2) the Grade A contour of KSNT(TV) does not encompass the communities of license of any of the other above-listed radio stations controlled by CMP, and, similarly, neither the 1 mV/M contours of the above-listed FM stations controlled by CMP, other than KCHZ(FM), nor the 2 mV/m contour of the above-listed AM station controlled by CMP, encompass the community of license for KSNT(TV). Accordingly, for purposes of the TV/radio cross-ownership rule, the instant transaction creates a TV/radio combination of radio station KCHZ(FM) and television station KSNT(TV). Because the TV/radio cross-ownership rule permits common ownership of one television and one radio station in any market regardless of the number of media "voices" (see 47 C.F.R. § 73.3555(c)(2)), the proposed transaction complies with the rule.
