Special Temporary Authority (STA)
BESTA-20180926AAL

Dear Mr. Hearne:

This is in reference to the request filed on September 26, 2018. GCB requests a further extension of the STA granted on May 20, 2011, to continue operating with parameters at variance pending the filing of the required FCC Form 302 application.¹ In support of the request, GCB stated that it plans to file the application in a few weeks.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of STA IS HEREBY GRANTED, and GCB may continue to operate with DA parameters at variance and/or reduced power if needed to maintain monitor points within licensed limits. GCB must reduce power or cease operation if complaints of interference are received, and use whatever means are necessary to protect workers and the
