Dear Madam Secretary:

EBC Music, Inc., is the licensee of radio station WWTR(AM) Bridgewater, NJ (FACID 6684).

The FCC's CDBS shows that FM translator station W264BT Edison NJ (FACID 143711) is rebroadcasting primary station WWTR.

This is not accurate. From approximately June 2017 to present day, W264BT has rebroadcast primary radio station WWRL/WQHT(HD)

Sincerely,  
Alka Agrawal
