(q) the assets listed on Schedule 1.2(q), if any; and

(r) the contracts listed on Schedule 1.2(r) (the “Section 1.2(r) Contracts”).

1.3 Assumption of Obligations.

(a) On the Closing Date, Seller shall assign to Buyer, and Buyer shall assume from Seller (and Buyer shall thereafter pay, perform, discharge or otherwise satisfy in accordance with their respective terms) (i) all liabilities and obligations of the Business arising out of, or attributable to, any period of time after the Effective Time, including the liabilities and obligations under those Purchased Contracts that are assumed pursuant to Section 1.1(d) and the FCC Licenses, (ii) the obligations described in Section 5.6, (iii) sales commissions related to the sale of advertisements broadcast on the Stations in accordance with the sales commission plans referenced in Schedule 1.1(d) arising out of, or attributable to, any period of time after the Effective Time, (iv) all obligations and liabilities related to Program Rights (as defined below) arising out of, or attributable to, any period of time after the Effective Time, (v) any and all Taxes with respect to Purchased Assets arising out of, or attributable to, any period of time after the Effective Time, (vi) all other liabilities of Seller and the High Plains Entities listed on Schedule 1.3, and (vii) any liability or obligation to the extent of the amount of credit received by Buyer under Section 1.6 (collectively, the “Assumed Obligations”). For the avoidance of doubt, performance and stay bonuses and other compensation payable by Seller or any High Plains Entity in connection with the consummation of the transactions contemplated by this Agreement will not constitute Assumed Obligations.

(b) Except for the Assumed Obligations, Buyer does not assume, and will not be deemed by the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby to have assumed, any other liabilities or obligations of Seller or relating to the Purchased Assets, of any kind or nature, whether accrued, absolute, contingent or otherwise, or whether due or to become due, or otherwise, whether known or unknown, arising out of events, transactions or facts which shall have occurred, arisen or existed on or before the Effective Time, which liabilities and obligations, if ever in existence, shall continue to be liabilities and obligations of Seller and the High Plains Entities including any and all liabilities and obligations of or on behalf of Seller and the High Plains Entities for Taxes in respect of taxable periods (or portions thereof) ending on or before the Effective Time and those relating to the Excluded Assets or for borrowed money, including any liability of infringement, misappropriation or other conflict with the Intellectual Property of any third party arising on or before the Effective Time and all obligations related to accrued vacation time in respect of any Transferred Employee (the “Retained Obligations”). Seller shall timely perform and discharge in accordance with their respective terms all Retained Obligations. For purposes of clarity, and not in limitation of the foregoing, Seller shall be solely responsible for any forfeitures, fines and other payments (collectively, “Fines”) imposed by the FCC in connection with the Business’

operations prior to the Closing Date whether such Fines are imposed by the FCC in connection with a Renewal Application (as defined below) or otherwise and regardless of whether such Fines are imposed before or after the Closing Date.

1.4 Purchase Price. In consideration for the sale of the Purchased Assets, Buyer shall, at the Closing, in addition to assuming the Assumed Obligations, pay to Seller the sum of \$35,400,000.00 (the "Purchase Price"), subject to adjustment as provided in this Agreement. The Purchase Price shall be paid at Closing by wire transfer in immediately available funds to an account(s) designated by Seller.

1.5 Escrow Deposit. Upon execution and delivery of this Agreement and pursuant to the terms and conditions of an Escrow Agreement (the "Escrow Agreement") among Buyer, Seller and Wells Fargo Bank, N.A. (the "Escrow Agent"), Buyer shall deposit in escrow with the Escrow Agent in cash an amount equal to \$3,540,000.00 (the "Escrow Deposit") to be held by the Escrow Agent in an escrow fund (the "Escrow Deposit Fund") pursuant to the terms of this Agreement and the Escrow Agreement. The Escrow Deposit Fund shall be released to Seller in accordance with Section 10.5 hereof and to Buyer in accordance with Section 10.6 hereof. At the Closing, the Escrow Deposit Fund and all interest on, or other proceeds (the "Earnings") of, the Escrow Deposit Fund shall be applied toward the Purchase Price. The parties agree that any Taxes related to the Earnings shall be paid by Buyer. On the Closing Date, the Escrow Deposit Fund and any Earnings shall be disbursed to Seller and applied to the Purchase Price.

1.6 Prorations and Adjustments.

(a) All income and expenses arising from the Business, including Assumed Obligations and prepaid expenses, ad valorem and property taxes and assessments (but excluding Seller's and the High Plains Entities' Accounts Receivable), annual regulatory fees payable to the FCC, power and utilities charges, and rents and similar prepaid and deferred items shall be prorated between Seller and Buyer in accordance with the United States generally accepted accounting principles ("GAAP") to reflect the principle that Seller shall be entitled to all income and be responsible for all expenses arising from the Business through the Effective Time and Buyer shall be entitled to all income and be responsible for all expenses arising from the Business after the Effective Time.

(b) Notwithstanding anything in this Section 1.6 to the contrary, (i) except as set forth herein, with respect to Trade Agreements (as defined below) for the sale of time for goods or services assumed by Buyer, if at the Effective Time, the Trade Agreements have an aggregate negative balance (i.e., the amount by which the value of air time the Stations are obligated to provide after the Effective Time exceeds the fair market value of corresponding goods and services to be received by the Stations after such date), there shall be no proration or adjustment, unless the absolute value of the aggregate negative balance of the Stations' Trade Agreements exceeds \$100,000, in which event only such excess shall be treated as prepaid time sales of the Stations, and adjusted for as a proration in Buyer's favor, and (ii) there shall be no proration under this Section 1.6 to the extent there is an aggregate positive balance with respect to the Stations' Trade Agreements. For purposes of this Agreement, "Trade Agreement" means any contract, agreement or commitment, oral or written, other than film and program barter

agreements, pursuant to which Seller or any High Plains Entity has agreed to sell or trade commercial air time or commercial production services of a Station in consideration for any property or service other than cash.

(c) There shall be no proration under this Section 1.6 for Program Rights agreements except to the extent that any payments or performance due under such Program Rights agreements relate to a payment period that straddles the Effective Time in which case the amount payable in the payment period will be prorated based on the number of days in such period. For purposes of this Agreement, “Program Rights” means all rights of the Stations to broadcast television programs or shows as part of the Stations’ programming, including all rights of the Stations under film and program barter agreements, sports rights agreements, news rights or service agreements, affiliation agreements and syndication agreements.

(d) The prorations and adjustments to be made pursuant to this Section 1.6 are referred to as the “Closing Date Adjustments.” At least five (5) business days prior to the Closing Date, Seller shall estimate all Closing Date Adjustments pursuant to this Section 1.6 and shall deliver a statement of its estimates to Buyer, which statement shall set forth in reasonable detail the basis for those estimates. At the Closing, the net amount due to Buyer or Seller as a result of the estimated Closing Date Adjustments shall be applied as an adjustment to the Purchase Price, as appropriate. Within sixty (60) days after the Closing, Buyer shall deliver to Seller a statement of any adjustments to Seller’s estimate of the Closing Date Adjustments, and no later than the close of business on the tenth (10th) day after the delivery of such statement (the “Payment Date”), Buyer shall pay to Seller, or Seller shall pay to Buyer, as the case may be, any amount due as a result of the adjustment (or, if there is any good faith dispute, the undisputed amount). During the first sixty (60) days after Closing, each of Buyer and Seller agrees to provide representatives of the other party with prompt reasonable access to its related books, records and employees during regular business hours (or in lieu of such access, copies of reasonably requested materials and telephonic access to such employers shall be provided upon two (2) business days’ prior written notice to such party) for the purpose of preparing the statement of adjustments to Seller’s estimate of the Closing Date Adjustments, all substantially in accordance with the procedures and practices applied by Seller’s business offices.

(e) Except with respect to items that Seller notifies Buyer that it objects to prior to the close of business on the date that is at least one (1) business day prior to the Payment Date, the adjustments set forth in Buyer’s statement shall be final and binding on the parties effective at the close of business on the Payment Date. If Seller disputes Buyer’s determinations set forth in Buyer’s statement or Buyer disputes Seller’s determinations set forth in any such objection notice, the parties shall consult with regard to the matter and an appropriate adjustment and payment shall be made as agreed upon by the parties within thirty (30) days after the Payment Date. If such thirty (30) day consultation period expires and the dispute has not been resolved, then the parties shall retain a mutually acceptable, nationally recognized independent accounting firm that does not then have a relationship with Seller or Buyer (the “Independent Accountant”), to resolve the disagreement and make a determination with respect thereto as promptly as practicable. The determination by the Independent Accountant on the matter shall be binding. If an Independent Accountant is engaged pursuant to this Section 1.6, the fees and expenses of the Independent Accountant shall be borne by Seller and Buyer in inverse proportion as such parties may prevail on the resolution of the disagreement which proportionate allocation

also will be determined by the Independent Accountant and be included in the Independent Accountant's written report, and an appropriate adjustment and payment shall be made within three (3) business days of the resolution by the Independent Accountant, which resolution the parties will request the Independent Accountant to render within thirty (30) days after such retention.

1.7 Allocation. All amounts constituting consideration within the meaning of and for the purposes of Section 1060 of the Internal Revenue Code of 1986, as amended (the "Code") and the regulations thereunder shall be allocated among the Purchased Assets and any other rights acquired by Buyer hereunder, as applicable, in the manner required by Section 1060 of the Code. Prior to or promptly after the Closing, each of Buyer and Seller shall provide information to the other regarding the providing party's proposed allocation of the Purchase Price and any Assumed Obligations in accordance with the requirements of Section 1060 of the Code, and, if the parties reach agreement with respect to such allocation, then each party agrees to complete and timely file IRS Form 8594 (or any successor form), to file all income Tax Returns in accordance with such agreed allocation, and to take no action inconsistent with such agreed allocation. If the parties do not reach agreement with respect to such allocation, then the parties shall have no further obligation under this Section 1.7 and each party shall make its own determination of such allocation for financial and Tax reporting purposes.

1.8 Closing.

(a) Subject to any prior termination of this Agreement pursuant to Section 10.1, the consummation of the sale and purchase of the Purchased Assets pursuant to this Agreement and the assumption of the Assumed Obligations (the "Closing") shall take place at the offices of Weil, Gotshal & Manges LLP at 100 Federal Street, Floor 34, Boston, Massachusetts 02110 on the fifth (5th) business day after the FCC Consent (as defined below) shall have been granted and shall be in full force and effect and shall have become a Final Order (as defined below), subject to the satisfaction or waiver of the conditions to Closing set forth herein, or on such other date or at such other location as is mutually agreeable to Buyer and Seller; provided, however, that Buyer in its sole discretion and upon at least ten (10) days prior written notice to Seller may waive the requirement that the FCC Consent become a Final Order, in which event, the parties will in good faith negotiate a form of unwind agreement relating to the transactions contemplated hereby (the "Unwind Agreement") and execute and deliver such Unwind Agreement at Closing. For purposes of this Agreement, "Final Order" means an Action (as defined below) by the FCC (i) that has not been vacated, reversed, stayed, enjoined, set aside, annulled or suspended; (ii) with respect to which no request for stay, motion or petition for rehearing, reconsideration or review, or application or request for review or notice of appeal or sua sponte review by the FCC is pending; and (iii) as to which the time for filing any such request, motion, petition, application, appeal or notice, and for the entry of orders staying, reconsidering or reviewing on the FCC's own motion has expired.

(b) The date on which the Closing occurs is referred to herein as the "Closing Date" and, in respect of each Station 12:01 a.m. local time for such station on the Closing Date is referred to herein as the "Effective Time"; provided, however, that with respect to those certain Purchased Contracts relating to advertising time on the Stations, the Effective Time shall be deemed to be 5:00 a.m., local time, on the Closing Date.

1.9 Governmental Consent.

(a) Within five (5) business days after the date of this Agreement, Buyer and Seller shall file one or more applications with the FCC (the “FCC Application”) requesting FCC consent to the assignment of the FCC Licenses to Buyer. FCC consent to the FCC Application with respect to those FCC Licenses set forth on Schedule 1.9(a) (the “Primary FCC Licenses”) without any material adverse conditions other than those of general applicability is referred to herein as the “FCC Consent.” Buyer and Seller shall diligently prosecute the FCC Application and otherwise use their commercially reasonable efforts to obtain the FCC Consent as soon as possible; provided, however, except as provided in the following sentence or in Section 1.9(d), neither Buyer nor Seller shall be required to pay consideration to any third party to obtain FCC Consent. Buyer and Seller shall each pay one-half (1/2) of all FCC filing fees relating to the transactions contemplated hereby, irrespective of whether the transactions contemplated by this Agreement are consummated.

(b) Buyer and Seller each shall oppose any petitions to deny or other objections filed with respect to the FCC Application to the extent such petition or objection relates to such party. Neither Buyer nor Seller shall take any intentional action that would, or intentionally fail to take such action the failure of which to take would, reasonably be expected to have the effect of materially delaying the receipt of the FCC Consent.

(c) If the Closing shall not have occurred for any reason within the original effective period of the FCC Consent, and neither party shall have terminated this Agreement under Section 10.1, Buyer and Seller shall jointly request one or more extensions of the effective period of the FCC Consent. No extension of the FCC Consent shall limit the right of either party to exercise its rights under Section 10.1.

(d) The FCC Licenses of the Stations expire on the dates corresponding thereto as set forth in Schedule 1.1(a). If, at any point prior to Closing, an application for the renewal of any Primary FCC License (a “Renewal Application”) must be filed pursuant to the Communications Laws (as defined below), Seller shall timely execute, file and prosecute with the FCC such Renewal Application in accordance with Section 4.1(b) hereof. If the FCC Application is granted by the FCC subject to a renewal condition, then, without limitation of Section 1.9(a), the term “FCC Consent” shall be deemed to also include Seller’s satisfaction of such renewal condition. In order to avoid disruption or delay in the processing of the FCC Application, Buyer agrees, as a part of the FCC Application, to request that the FCC apply its policy permitting the assignment of FCC Licenses in transactions involving multiple stations to proceed, notwithstanding the pendency of one or more Renewal Applications. Buyer agrees to make such representations and undertakings as are necessary or appropriate to invoke such policy, including undertakings to assume, as between the parties and the FCC, the position of the applicant before the FCC with respect to any pending Renewal Application and to assume the corresponding regulatory risks relating to any such Renewal Application; provided, however, that nothing set forth in this Section 1.9(d) shall be deemed to amend or modify the provisions of Section 1.3 relating to the Retained Obligations. In addition, and exclusive of any agreements that Seller enters into pursuant to Section 4.1, Seller shall promptly enter into tolling agreements with the FCC to facilitate grant of any Renewal Application, to extend the statute of limitations for the FCC to determine or impose a Fine against a Station in connection with (i) any pending

complaints that such Station aired programming that contained obscene, indecent or profane material, or (ii) any other enforcement matters against a Station with respect to which the FCC may permit Seller to enter into a tolling agreement, and Seller will comply with such agreements. Buyer and Seller shall consult in good faith with each other prior to Seller entering into any such tolling agreement under this Section 1.9(d). For the purposes hereof, “Communications Laws” shall mean the Communications Act of 1934, as amended, and the rules, regulations and written policies of the FCC promulgated pursuant thereto).

(e) In connection with their obligations pursuant to this Section 1.9 with respect to pursuing the FCC Consent, Buyer and Seller shall (i) keep each other informed in all material respects and on a reasonably timely basis of any material communication received by such party from, or given by such party to, any governmental agency and of any material communication received or given in connection with any Action by a private party, in each case with respect to this Agreement, the Business or the transactions contemplated hereby, (ii) notify each other of all documents filed with or received from any governmental agency with respect to this Agreement, the Business or the transactions contemplated hereby, (iii) furnish each other with such information and assistance as the other may reasonably request in connection with their preparation of any governmental filing hereunder and (iv) cooperate in all respects with each other in connection with any filing or submission with a governmental agency in connection with the transactions contemplated by this Agreement and in connection with any investigation or other inquiry by or before any governmental agency relating to this Agreement, the Business or the transactions contemplated hereby, including any Action initiated by a private party. Subject to applicable laws relating to the exchange of information, each of Buyer and Seller shall have the right to review in advance, and to the extent practicable each will consult with the other on, all information relating to the other party or parties, as the case may be, and their respective Affiliates, that appears in any filing made with, or written materials submitted to, any third party and/or any governmental agency with respect to this Agreement, the Business or the transactions contemplated hereby. The FCC Consent is sometimes referred to herein as the “Governmental Consent.”

(f) Notwithstanding anything to the contrary contained herein (other than the first sentence of Section 1.9(b) or as expressly provided in this Section 1.9(f)): (i) neither Buyer nor any Affiliate of Buyer shall have any obligation to defend against, contest or resist any action, suit, claim, litigation, arbitration, investigation or proceeding by a Governmental Entity or other Person which questions the validity or legality of the transactions contemplated hereby or seeks damages in connection therewith, or if an injunction or other order is issued in any such action, suit, claim, litigation, arbitration, investigation or proceeding, to seek to have lifted or otherwise challenge such injunction or other order; and (ii) neither Buyer nor any of its Affiliates shall be required under this Section 1.9 (and Seller shall not agree to any of the following (without the prior written consent of Buyer)): (A) to proffer to, or agree to, sell, divest, lease, license, transfer, dispose of, hold separate or encumber before or after the Closing any assets, licenses, operations, rights, product lines, businesses or interest therein of Buyer, any of its Affiliates (including, for the avoidance of doubt, the Purchased Assets); (B) to consent to any sale, divestiture, lease, license, transfer, disposition or other encumbrance by Buyer or any of its Affiliates of any of their respective assets, licenses, operations, rights, product lines, businesses or interest therein (including, for the avoidance of doubt, the Purchased Assets); (C) to consent to any agreement to take any of the foregoing actions; or (D) to agree to any changes to or

restriction on, or other impairment of Buyer's ability to own or operate, any such assets, licenses, product lines, businesses or interests therein or Buyer's ability to transfer or otherwise exercise full ownership rights with respect to the Purchased Assets; provided, however, and for the avoidance of doubt, that Buyer and Seller shall cooperate in good faith to respond promptly to any request by the FCC or other Governmental Entity. As used herein, "Governmental Entity" means any (i) federal, state, municipal or other government, (ii) governmental or quasi-governmental entity of any nature (including any governmental agency, branch, department, official, or entity and any court or other tribunal) or (iii) body exercising or entitled to exercise any administrative, executive, judicial, legislative, police, regulatory, or taxing authority or power of any nature, including any arbitral tribunal.

In the event that one or more Other Seller Stations is party to, or has rights or obligations with respect to, a Purchased Contract (a "Multi-Station Agreement"), the rights and obligations under such Multi-Station Agreement that are assigned to and assumed by Buyer (and included in the Purchased Assets and Assumed Obligations, as the case may be) shall include only those rights and obligations under such Multi-Station Agreement that are applicable to the Stations. The rights of each Other Seller Station with respect to such Purchased Contract and the obligations of each Other Seller Station to such any such Purchased Contract shall not be assigned to and assumed by Buyer (and shall be Excluded Assets and Retained Obligations, as the case may be).

Each Benefit Plan that is intended to be qualified under Section 401(a) of the Code has received a currently favorable determination letter from the Internal Revenue Service and, to Seller’s Knowledge, nothing has occurred that would adversely affect the qualification of such Benefit Plan. With respect to each Benefit Plan to which Seller or any High Plains Entity is obligated to contribute under the Collective Bargaining Agreements, all contributions for all periods ending prior to or on the Closing Date shall have been made or will be made by Seller, the High Plains Entities or their respective Affiliates.

ARTICLE 3 BUYER REPRESENTATIONS AND WARRANTIES

Buyer hereby makes the following representations and warranties to Seller as of the date hereof and as of the Closing:

3.1 Organization. Buyer is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization. Buyer has the requisite power and authority to execute, deliver and perform this Agreement and all of the other agreements and instruments to be executed and delivered by Buyer pursuant hereto (collectively, the "Buyer Ancillary Agreements") and to consummate the transactions contemplated hereby.

3.2 Authorization. The execution, delivery and performance of this Agreement and the Buyer Ancillary Agreements and the consummation of the transactions contemplated hereby and thereby by Buyer have been duly authorized and approved by all necessary action of Buyer and its directors, officers and stockholders and do not require any further authorization or consent of Buyer or its directors, officers or stockholders. This Agreement is, and each Buyer Ancillary Agreement when executed and delivered by Buyer and the other parties thereto will be, a legal, valid and binding agreement of Buyer enforceable in accordance with its terms, except in each case as such enforceability may be limited by bankruptcy, moratorium, insolvency, reorganization or other similar laws affecting or limiting the enforcement of creditors' rights generally and except as such enforceability is subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

3.3 No Conflicts. Except for the Governmental Consent, the execution, delivery and performance by Buyer of this Agreement and the Buyer Ancillary Agreements and the consummation by Buyer of any of the transactions contemplated hereby or thereby does not

and will not conflict with, violate, result in a breach of the terms and conditions of, or, with or without notice or the passage of time, result in any breach, event of default or the creation of any lien under, any lease, contract or agreement to which Buyer is a party or to which its assets are subject, any organizational documents of Buyer, or any law, judgment, order or decree to which Buyer is subject, or require the consent or approval of, or a filing by Buyer with, any governmental or regulatory authority or any third party (other than required filings with the FCC and SEC).

3.4 Litigation. There is no Action pending or, to Buyer's Knowledge, threatened against Buyer which would reasonably be expected to affect Buyer's ability to perform its obligations under this Agreement or otherwise impede, prevent or materially delay the consummation of the transactions contemplated by this Agreement. Buyer is in compliance with Section 310(b) of the Communications Laws and the FCC's rules governing alien ownership. There are no facts or circumstances that would, under the Communications Laws and the existing procedures of the FCC, disqualify Buyer as an assignee of the FCC Licenses or as the owner and operator of the Stations. No waiver of or exemption from any provision of the Communications Laws and policies of the FCC is necessary for the FCC Consent to be obtained. To Buyer's Knowledge, there are no facts or circumstances that might reasonably be expected to (a) result in the FCC's refusal to grant the FCC Consent or otherwise disqualify Buyer, (b) materially delay obtaining the FCC Consent or (c) cause the FCC to impose a material condition or conditions on its granting of the FCC Consent.

3.6 Financing. Buyer has, or will have prior to the Closing, sufficient cash, available lines of credit or other sources of immediately available funds to enable them to make payment of the Purchase Price and any other amounts to be paid by them in accordance with the terms of this Agreement.

3.7 Solvency. Assuming (a) the satisfaction of the conditions in Article 7 hereof, and (b) the accuracy in all material respects of the representations and warranties of Seller set forth in Article 2 hereof, then immediately after giving effect to the transactions contemplated by this Agreement Buyer shall be Solvent (as defined below). For purposes of this Agreement: (i) "Solvent", when used with respect to Buyer, means that, as of any date of determination, (A) the Present Fair Salable Value (as defined below) of its assets will, as of such date, exceed all of its liabilities, contingent or otherwise, as of such date, (B) Buyer will not have, as of such date, an unreasonably small amount of capital for the business in which it is engaged or will be engaged and (C) Buyer will be able to pay its debts as they become absolute and mature, in the ordinary course of business, taking into account the timing of and amounts of cash to be received by it and the timing of and amounts of cash to be payable on or in respect of its indebtedness, in each case after giving effect to the transactions contemplated by this Agreement, and the term "Solvency" shall have a correlative meaning; (ii) "debt" means liability on a "claim"; (iii) "claim" for purposes of this Section 3.7 means (A) any right to payment,

whether or not such a right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, secured or unsecured or (B) the right to an equitable remedy for a breach in performance if such breach gives rise to a right to payment, whether or not such equitable remedy is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured or unsecured; and (iv) "Present Fair Salable Value" means the amount that may be realized if the aggregate assets of Buyer (including goodwill) are sold as an entirety with reasonable promptness in an arm's-length transaction under present conditions for the sale of comparable business enterprises.

3.8 Projections and Other Information. Buyer acknowledges that, with respect to any estimates, projections, forecasts, business plans, budget information and similar documentation or information relating to Seller, the High Plains Entities and the Business that Buyer has received from Seller, any of its Affiliates or Seller's advisors, (a) Buyer is not relying on such documentation in making its determination with respect to signing this Agreement or completing the transactions contemplated hereby, (b) there are uncertainties inherent in attempting to make such estimates, projections, forecasts, plans and budgets, (c) Buyer is familiar with such uncertainties, (d) Buyer is taking full responsibility for making its own evaluation of the adequacy and accuracy of all estimates, projections, forecasts, plans and budgets so furnished to it, and (e) Buyer does not have, and will not assert, any claim against Seller, the High Plains Entities, their respective Affiliates or any of their respective directors, officers, members, managers, employees, Affiliates or representatives, or hold Seller, the High Plains entities or any such Persons liable, with respect thereto. Buyer represents and warrants that neither of Seller, the High Plains Entities nor any of their respective Affiliates nor any other Person has made any representation or warranty, express or implied, as to the accuracy or completeness of any information regarding Seller, the High Plains Entities or the transactions contemplated by this Agreement not expressly set forth in this Agreement, and neither Seller, the High Plains Entities nor any of their respective Affiliates or any other Person will have or be subject to any liability to Buyer or any other Person resulting from the distribution to Buyer or its representatives or Buyer's use of, any such information, including any confidential memoranda distributed on behalf of Seller or any High Plains Entity relating to Seller or any High Plains Entity or other publications or data room information provided to Buyer or its representatives, or any other document or information in any form provided to Buyer or its representatives in connection with the sale of the Purchased Assets and the transactions contemplated hereby. Notwithstanding anything herein to the contrary, nothing in this Section 3.8 will in any way limit Buyer's rights (including under Section 7.1(a) and Article 9) with respect to representations and warranties of Seller explicitly included in this Article 3.

3.9 Brokers. No broker, investment banker, financial advisor or other third party has been employed or retained by Buyer in connection with the transactions contemplated by this Agreement or is or may be entitled to any broker's, finder's, financial advisor's or other similar fee or commission, or the reimbursement of expenses, in connection with the transactions contemplated by this Agreement based upon arrangements made by or on behalf of Buyer.

3.10 Buyer Superseding Contracts. With respect to each Section 1.2(r) Contract, Buyer (i) has a valid and binding contract with the applicable counterparty to such Section 1.2(r) Contract (each a "Buyer Superseding Contract"), and (ii) pursuant to the terms of such Buyer Superseding Contract, the Station(s) subject to such Section 1.2(r) Contract will,

upon Closing, be subject to and governed solely by the terms and conditions of such Buyer Superseding Contract.

ARTICLE 5 JOINT COVENANTS

Buyer and Seller hereby covenant and agree as follows:

5.1 Confidentiality. Seller and Buyer (or an Affiliate of Buyer) are parties to a nondisclosure agreement (the “NDA”) with respect to Seller, the High Plains Entities and their stations. To the extent not already a direct party thereto, Buyer hereby assumes the NDA and agrees to be bound by the provisions thereof applicable to its Affiliate which is a party thereto and such NDA shall remain in effect in accordance with its terms. Notwithstanding anything to the contrary contained in the NDA, Buyer’s obligations under the NDA shall terminate upon the Closing.

5.2 Announcements. Prior to Closing, no party shall, without the prior written consent of the other, issue any press release or make any other public announcement concerning the transactions contemplated by this Agreement, except to the extent that such party is so obligated by law or any rule or regulation of any securities exchange upon which the securities of such party are listed or traded, in which case such party shall give advance notice to the other, and except that the parties shall cooperate to make a mutually agreeable announcement.

5.3 Control. Notwithstanding any other provision set forth in this Agreement, Buyer shall not, directly or indirectly, control, supervise or direct the business or operations of the Business prior to Closing. Consistent with the Communications Laws, control, supervision and direction of the operation of the Business prior to Closing shall remain the responsibility of the respective FCC Licensees as the holders of the FCC Licenses.

5.4 Risk of Loss.

(a) Seller shall bear the risk of any loss of or damage to any of the Purchased Assets at all times from the date hereof until the Effective Time, and Buyer shall bear the risk of any such loss or damage thereafter.

(b) If after the date hereof and prior to the Effective Time any Purchased Asset is lost, damaged or destroyed or otherwise not in the condition described in Section 2.6, then:

(i) Seller shall promptly notify Buyer of such loss, damage or destruction of such Purchased Asset, which notice shall specify in reasonable detail the nature of such loss, damage or destruction, the cause thereof (if known or reasonably ascertainable) and the insurance coverage, if any, available with respect to such lost, damaged or destroyed Purchased Asset; provided, however, that, without limiting Seller’s obligations pursuant to Section 5.4(a), 5.4(b)(ii) and 5.4(b)(iii), which shall apply irrespective of the value of the lost, damaged or destroyed Purchased Asset, Seller shall not be required to deliver the notice contemplated by this Section 5.4(b)(i) if the value of the lost, damaged or destroyed Purchased Asset is less than \$25,000;

(ii) Seller shall, and shall cause each of its subsidiaries and the High Plains Entities to, use commercially reasonable efforts to repair or replace such Purchased Asset,

including by submitting one or more claims under any applicable insurance policy maintained by Seller or any High Plains Entity with respect to such lost, damaged or destroyed Purchased Asset and applying the full amount of proceeds received by Seller or any High Plains Entity to the repair or replacement of such lost, damaged or destroyed Purchased Asset; provided, however, that, neither Seller nor any High Plains Entity shall be obligated to repair or replace any lost, damaged or destroyed Purchased Asset if (A) such Purchased Asset was obsolete or unnecessary for the continued operation of the Business in the ordinary course of business and in accordance with the FCC Licenses; provided, however, that, Seller shall provide Buyer with written notice of the foregoing within five (5) days of such Purchased Asset being lost, damaged or destroyed or (B) the value of the lost, damaged or destroyed Purchased Asset is less than \$25,000; and

(iii) if such repair or replacement is not completed prior to Closing, then, subject to Section 10.1(d), the parties shall proceed to Closing (with Seller's representations and warranties deemed modified to take into account any such condition) and Seller shall or shall cause a High Plains Entity promptly so repair or replace such Purchased Asset after Closing (and Buyer will provide Seller access and any other reasonable assistance requested by Seller with respect to such obligation), except that if such damage or destruction materially disrupts the operations of any Station, then Buyer may postpone Closing until the date five (5) business days after operations are restored in all material respects, subject to Section 10.1; provided, notwithstanding anything else herein to the contrary, any amounts paid by or on behalf of Seller pursuant to, or in connection with, this Section 5.4, shall not reduce the Cap with respect to Seller's obligation to indemnify any Buyer Group Member pursuant to, and subject to, the terms and conditions of Article 9.

5.5 Consents.

(a) The parties shall, and Seller shall cause each of its subsidiaries and the High Plains Entities to, use commercially reasonable efforts to obtain (i) any third party consents necessary for the assignment of any Purchased Contract (which shall not require any payment to any such third party), and (ii) estoppel certificates reasonably acceptable to Buyer from lessors under any Real Property Leases requiring consent to assignment (if any), but no such third party consents or estoppel certificates are conditions to Closing except for consents and estoppel certificates with respect to the Purchased Contracts identified on Schedule 5.5(a) (the "Required Consents").

(b) To the extent that any Purchased Contract may not be assigned without the consent of any third party, and such consent is not obtained prior to Closing, this Agreement and any assignment executed pursuant to this Agreement shall not constitute an assignment of such Purchased Contract; provided, however, with respect to each such Purchased Contract, Seller and Buyer shall cooperate, and shall cause any relevant High Plains Entity to cooperate, to the extent feasible in effecting a lawful and commercially reasonable arrangement under which Buyer shall receive the benefits under the Purchased Contract from and after Closing, and to the extent of the benefits received, Buyer shall pay and perform Seller's obligations arising under the Purchased Contract from and after Closing in accordance with its terms and indemnify and hold harmless Seller and its Affiliates for any costs, expenses or liabilities (including reasonable legal fees and expenses) incurred by them in connection with the enforcement of such Purchased Contract as it relates to any period after the Effective Time, and Buyer and Seller shall continue to use

commercially reasonable efforts after Closing to obtain consents to assign such Purchased Contracts.

5.6 Employees.

(a) Schedule 5.6(a) sets forth a list as of the date hereof showing employee names, positions, departments, salary, target incentive bonus and status for all employees of Seller and/or each High Plains Entity engaged directly in the Business (the “Employees”), it being understood that any employee of Seller whose principal work location is at Seller’s headquarters or whose employment responsibilities relate substantially to the corporate operations of Seller taken as a whole shall be deemed not an Employee for any purpose hereunder. Seller shall update Schedule 5.6(a) not more than fifteen (15) business days and at least ten (10) business days prior to Closing, which update will include accrued vacation and sick leave of each Employee.

(b) Contingent upon the Closing, Buyer shall offer employment effective as of the Effective Time in accordance with the provisions of this Section 5.6 to each Employee listed on Schedule 5.6(a) who is actively employed as of the date such offers are made. Such offers of employment pursuant to the preceding two sentences to the Employees who are not on short-term or long-term disability as of the Effective Time shall be made not more than fifteen (15) business days and at least ten (10) business days prior to the Closing Date and must remain outstanding for at least five (5) business days but in no event later than the business day immediately preceding the Closing Date. Notwithstanding the foregoing, the offers of employment to any Employee who is covered by (x) any of the Collective Bargaining Agreements identified on Schedule 1.1(d) (collectively, the “Union Employees”) shall be made in accordance with the term and conditions set forth in the applicable Collective Bargaining Agreement and (y) a written employment agreement shall be made in accordance with the terms and conditions set forth in the applicable employment agreement. Buyer’s offer of employment to each Employee on short-term or long-term disability who is not actively employed as of the Effective Time shall be made promptly when such Employee is eligible to return to active service at any time within the six-month period following the Closing, or if longer, during the period Employee has a right to re-employment under applicable law. Employees whose employment with Seller terminates and who accept or are treated by Buyer as accepting such offers of employment by and actually commence employment with Buyer (or its Affiliates) in accordance with this Section 5.6 are referred to collectively herein as the “Transferred Employees.” For a period of one (1) year following the Closing (provided the applicable Transferred Employee is still employed by Buyer), Buyer shall provide each Transferred Employee (i) substantially similar (or greater) salary, hourly wage rate, overtime and premium pay and substantially similar (or greater) target bonus, commission and incentive pay opportunity as applicable to similarly situated employees of Buyer having the same or similar job functions and responsibilities and seniority as such Transferred Employee and (ii) employee benefits that are substantially similar in the aggregate to those provided to similarly situated employees of Buyer. At the Closing, Buyer shall provide Seller with a list of the Transferred Employees. Buyer shall provide Seller a copy of its form of employment offer prior to distribution to Employees. Unless otherwise provided under the terms of an employment agreement identified on Schedule 1.1(d), each Transferred Employee shall be employed by Buyer on an at will basis and nothing shall prohibit Buyer from terminating the employment of any such Transferred

Employees at any time after the Closing Date or changing any of the terms and conditions of employment related to such Transferred Employees at any time, except for such changes that are inconsistent with Buyer's obligations as set forth in this Section 5.6.

(c) In the case of each Transferred Employee under a written employment agreement identified on Schedule 1.1(d) as of the date hereof or entered into prior to the Closing in accordance with the terms hereof, including Section 4.1, Buyer shall assume Seller's obligations under such Purchased Contract at the Effective Time. For the avoidance of doubt, without limiting the foregoing, Buyer shall not assume any written employment agreement identified on Schedule 1.1(d) (or entered into prior to the Closing) of, nor owe any obligation to, any Employee who is not a Transferred Employee.

(d) If any Employee to whom Buyer has offered employment does not consent to employment with Buyer or for any other reason (other than rescission of such offer by Buyer) does not commence employment with Buyer and severance benefits are owed to such employee as a result, such severance benefits will be paid by Seller or the High Plains Entities (as applicable).

(e) Buyer shall permit Transferred Employees (and their spouses and dependents) to participate in its "employee welfare benefit plans" (including without limitation health insurance plans) and "employee pension benefit plans" (as defined in Section 3(1) and 3(2) of ERISA, respectively) in which similarly situated employees of Buyer are generally eligible to participate, with coverage effective immediately upon the Closing (and without exclusion from coverage on account of any pre-existing condition except to the extent such persons were subject to such pre-existing condition limitations under Seller's group health plan), with service with Seller (and any predecessors of Seller) deemed service with Buyer for purposes of eligibility, waiting periods, vesting periods (but not benefit accrual) based on length of service and calculation of vacation and severance benefits, if applicable.

(f) Effective as of the Closing Date or the payroll period ending immediately after the Closing Date, Seller shall have contributed to Seller's 401(k) Plan all matching or other employer contributions, if any, with respect to the Transferred Employees' employment service rendered prior to the Effective Time (irrespective of any end-of-year service requirements otherwise applicable to such contributions) and cause the matching and other employer contribution amounts of all Transferred Employees under the Seller 401(k) Plan to become fully vested as of the Closing Date. Following the Closing Date, Seller shall take all actions necessary or appropriate to ensure that under the terms of the Seller 401(k) Plan, each Transferred Employee with an account balance is eligible to receive a distribution as a result of the Closing. From and after the Closing, Buyer shall permit each Transferred Employee who participates in Seller's 401(k) plan to elect to make direct rollovers of their account balances (including any outstanding loan balances) into Buyer's 401(k) plan as of the Closing (or as soon as practicable thereafter when Buyer's 401(k) plan is capable of accepting such rollovers), subject to compliance with applicable law and subject to the reasonable requirements of Buyer's 401(k) plan.

(g) To the extent permitted by applicable Legal Requirements and, with respect to sick leave, not to exceed the maximum amount of sick leave afforded to similarly

situated employees of Buyer (after giving credit for past service with Seller and its predecessors and Affiliates), each Transferred Employee will be credited under Buyer's vacation and sick leave policy with (i) the full amount of vacation leave accrued by such Transferred Employee but unused as of the Closing Date under the vacation policy of Seller applicable to such Transferred Employee and (ii) the lesser of forty (40) hours or the full amount of sick leave accrued by such Transferred Employee but unused as of the Closing Date under the sick leave policy of Seller applicable to such Transferred Employee. To the extent that any unused vacation is not credited to any Transferred Employee under this Section 5.6(g), Seller and the High Plains Entities will pay to each such Transferred Employee the cash value of such unused vacation as of the first payroll date ending after the Closing Date or such other time as required by applicable Legal Requirements.

(h) All workers' compensation obligations relating to, arising out of or resulting from any claim by any Employee that results from an injury that occurred at or prior to the Effective Time shall be retained by Seller and the High Plains Entities. All workers' compensation obligations relating to, arising out of or resulting from any claim by a Transferred Employee that results from an injury that occurs after the Effective Time shall be the exclusive responsibility of the Buyer. Seller further agrees that (A) any Employee, including any Transferred Employee, who has received an offer of employment from Buyer but has not yet commenced employment with Buyer and who as of the Closing Date is receiving or is entitled to receive short-term or long-term disability benefits under Seller's short-term or long-term disability benefit plans shall receive or continue to be paid such benefits after the Closing in accordance with the terms of the disability plans of Seller and the High Plains Entities and (B) Buyer shall have no obligation to provide any disability or other benefits or compensation to any such Person.

(i) Buyer or its Affiliates will have responsibility for complying with the continuation coverage requirements under Section 4980B of the Code ("COBRA") solely for the "M&A qualified beneficiaries" (as defined in Q&A-4 of Treasury Regulation Section 54.4980B-9) who are listed on Schedule 5.6(i), as disclosed as of the Effective Time. Schedule 5.6(i) will set forth a list of (i) each individual who is receiving or entitled to receive COBRA coverage from Seller as of the Effective Time (or potentially entitled to receive COBRA coverage from Seller at a later time in the case of each Employee on short-term or long-term disability) and who immediately prior to the Effective Time is an employee principally of the Business or was last employed principally in the Business (or is an eligible beneficiary of any of the foregoing), but not any other individual, (ii) the effective date of such coverage for each such individual, (iii) the amount of the monthly COBRA cost with respect to such individual and (iv) the expected duration of such coverage. Except as provided in this Section 5.6(i), Buyer shall have no responsibility at any time arising under or in connection with COBRA with respect to any individual who is a former employee of Seller as of immediately prior to the Closing.

(j) The parties expressly acknowledge and agree that nothing contained in this Section 5.6 or any other provision of this Agreement, shall (i) be construed to establish, amend, or modify any benefit or compensation plan, program, agreement, contract, policy or arrangement of Seller, the High Plains Entities or Buyer, (ii) limit the ability of Buyer or any of its Affiliates to amend, modify or terminate any benefit or compensation plan, program, agreement, contract, policy or arrangement at any time assumed, established, sponsored or

maintained by any of them, (iii) create any third-party beneficiary rights or obligations in any Person (including any Employee, Transferred Employee, or Labor Union) other than the parties to this Agreement or create a contract between Buyer, Seller, any High Plains Entity or any of their respective Affiliates on the one hand and any employee of Seller or any High Plains Entity on the other hand, and no employee of Seller may rely on this Agreement as the basis for any breach of contract claim against Buyer or Seller, (iv) be deemed or construed to require Buyer or any of its Affiliates to continue to employ any particular employee of Seller or any High Plains Entity for any period after the Closing, or (v) be deemed or construed to limit Buyer's or any of its Affiliates' right to terminate the employment of any Transferred Employee during any period after the Closing Date or confer on any Person any right to employment or continued employment or to a particular term or condition of employment with Buyer or any of its Affiliates.

(k) Schedule 5.6(a) separately identifies each Employee who is represented by a Labor Union (and specifies which such Labor Union) as of the date hereof and will be updated by Seller no more than fifteen (15) business days and at least ten (10) business days prior to the Closing pursuant to Section 5.6(a). Buyer shall adopt each Collective Bargaining Agreement listed on Schedule 1.1(d) and assume all obligations with respect to any Transferred Employee under such Collective Bargaining Agreement that arise out of, or are attributable to, the period after the Effective Time. To the extent required by applicable law, Buyer shall recognize each Labor Union as the exclusive representative of the specific group of Transferred Employees that such Labor Union represents pursuant to any assumed Collective Bargaining Agreement to which it is a party.

5.7 Accounting Services; Access to and Retention of Records.

(a) During the first sixty (60) days after the Closing, Buyer shall provide to Seller at no additional cost the reasonable services of the Business' business offices, together with reasonable access to related systems and records, for the purposes of closing the books of the Business for the period prior to the Closing, all substantially in accordance with the procedures and practices applied by Buyer's business offices, as amended from time to time.

(b) From and after the Closing Date, Buyer shall preserve, in accordance with Buyer's normal document retention procedures and practices, all books and records transferred by Seller to Buyer pursuant to this Agreement and shall provide Seller a reasonable opportunity to access and obtain copies, at Seller's expense, of any such books and records. In addition to the foregoing, from and after the Closing, Buyer shall afford to Seller, and its counsel, accountants, and other authorized agents and representatives, at Seller's expense, during normal business hours, reasonable access to the employees, books, records and other data relating to the Purchased Assets, the Assumed Obligations, or the Transferred Employees in its possession with respect to the periods prior to the Closing, and the right to make copies and extracts therefrom, to the extent that such access may be reasonably required by Seller (a) to facilitate the investigation, litigation and final disposition of any claims which may have been or may be made against Seller, (b) for the preparation of Tax Returns and audits and (c) for any other reasonable and proper business purpose, provided in each case that such access does not unreasonably disrupt the business and operations of the Business or of Buyer.

5.8 Further Action. In furtherance (and not in limitation) of the provisions set forth in this Agreement, at all times prior to the Closing, Buyer and Seller shall use their respective commercially reasonable efforts to take or cause to be taken all action necessary or desirable in order to consummate the transactions contemplated by this Agreement as promptly as is practicable.

5.9 Notice. Each party will give prompt written notice to the other party of any fact or condition that causes or constitutes a breach of any of its representations, warranties or covenants in this Agreement, or of any action, suit, proceeding or investigation that is instituted or threatened against such party to restrain, prohibit or otherwise challenge the legality or propriety of any transaction contemplated by this Agreement. Without limiting the foregoing, pending the Closing, Seller shall give Buyer prompt written notice of the occurrence of any of the following:

- (a) Any loss, damage or destruction, as required pursuant to Section 5.4;
- (b) the commencement of any proceeding before the FCC or any other Governmental Entity involving any of the FCC Licenses or which could have a Material Adverse Effect, other than proceedings or litigation of general applicability to the television broadcasting industry that do not have a disproportionate impact on the Business or the Stations as compared with other broadcast television stations generally;
- (c) any material labor grievance, material controversy, strike or material dispute affecting the Business or the Stations and the scheduling of any bargaining discussions with the certified bargaining unit;
- (d) any violation by Seller, any High Plains Entity or any Station of any Legal Requirement which would reasonably be expected to have a Material Adverse Effect;
- (e) any notice received by Seller of any High Plains Entity of any material breach, material default, claimed material breach or material default or termination of any Contract that, if it were in effect on the Closing Date, would be a Purchased Contract;
- (f) any material correspondence received by Seller or any High Plains Entity from or sent by Seller or any High Plains Entity to any MVPD concerning must carry status, retransmission consent and other matters arising under the Communications Laws, including any material correspondence related to the status of negotiations with any MVPD; and
- (g) the loss of carriage or change in channel position of any Station on any MVPD or the cessation of broadcasting or failure of a Station to broadcast at least 80% of its authorized power for more than twenty-four (24) consecutive hours or any other development which has a Material Adverse Effect on the operation of the Business or the Stations.

5.10 Title Insurance; Survey. Buyer may obtain, at its sole option and expense, and Seller shall and shall cause each High Plains Entity (as applicable) to grant Buyer access to obtain (a) commitments for owner's and lender's title insurance policies on the Owned Real Property and commitments for lessee's and lender's title insurance policies for all Leased Real Property (collectively the "Title Commitments"), and (b) an ALTA survey on each parcel of

Real Property (the “Surveys”); provided, however, that Seller and each High Plains Entity (as applicable) shall provide Buyer with any existing Title Commitments and Surveys in its possession. The Title Commitments will evidence a commitment to issue an ALTA title insurance policy insuring good, marketable and indefeasible fee simple (or leasehold, if applicable) title to each parcel of the Real Property contemplated above for such amount as Buyer directs and will contain no exceptions except for Assumed Liabilities or Permitted Liens. Seller and each High Plains Entity (as applicable) shall reasonably cooperate with Buyer in obtaining such Title Commitments and Surveys (including by providing customary representations and affidavits to Buyer’s title company), provided that neither Seller nor any High Plains Entity shall be required to incur any cost, expense or other liability in connection therewith. If the Title Commitments or Surveys reveal any Lien on the title, other than Assumed Liabilities or Permitted Liens, Buyer may notify Seller in writing of such objectionable matter as soon as Buyer determines that such matter is not an Assumed Liability or Permitted Lien, and Seller shall and shall cause each High Plains Entity to use commercially reasonable efforts to remove such objectionable matter as required pursuant to the terms of this Agreement.

5.11 Environmental Assessments; Phase I Investigations. Within sixty (60) days from the date of this Agreement, Buyer shall have the right, at its sole cost and expense, to engage an environmental consulting firm to conduct a Phase I Environmental Site Assessment and Compliance Review, as such terms are commonly understood (a “Phase I Environment Assessment”), with respect to the Real Property, provided such Phase I Environment Assessment shall be conducted only (i) during regular business hours, (ii) with no less than two (2) business days prior written notice to Seller, (iii) in a manner which will not unduly interfere with the operation of the Business or the use of access to or egress from the Real Property and (iv) without any material damage to any property, real or personal, of Seller.

5.12 Accounts Receivable and Accounts Payable.

(a) On or as soon as practicable after the Closing Date, but in no event later than ten (10) business days after the end of the calendar month in which the Closing occurs, Seller will deliver to Buyer a statement setting forth the outstanding accounts receivable of the Business as of the Effective Time (the “Accounts Receivable”).

(b) Subject to the terms and provisions in this Section 5.12, Buyer will collect the Accounts Receivable in the same manner and with the same diligence that Buyer uses to collect its own accounts receivable including account reconciliation procedures for a period of 180 calendar days following the Closing Date (the “Collection Period”). Buyer will not be obligated to, and without the prior written consent of Seller will not, institute litigation, employ any collection agency, legal counsel, or other third party, or take any other extraordinary means of collections or pay any expenses to third parties to collect the Accounts Receivable. All amounts collected by Buyer after the Closing from an account debtor will be applied first to the Accounts Receivable of such account debtor in the order of their origination, unless the account debtor disputes such Accounts Receivable in writing or designates payment of a different Accounts Receivable in writing. If during the Collection Period a dispute arises with regard to an account included among the Accounts Receivable, Buyer shall promptly advise Seller thereof and may (or, if requested by Seller, shall) return that account to Seller. Buyer shall not issue any

credit or accommodation against any Accounts Receivable without the prior written consent of Seller.

(c) Buyer shall pay, within forty (40) calendar days after the end of the month of receipt of such Accounts Receivable, related commissions or bonuses due to Employees or national sales representatives (unless already paid by Seller or the High Plains Entities) (such Accounts Receivable, less the amount of such commissions and bonuses, the “Net Receivables”) as applicable (any payment to national sales representatives shall be reconciled to actual collections). Such commissions and bonuses shall be paid in consultation with Seller and consistent with its current business practices subject to holdbacks and offsets as reasonably directed by Seller and consistent with its current business practices.

(d) Except as otherwise provided in this Section 5.12, during the Collection Period, Buyer will use the Net Receivables collected to pay the accounts payable in a timely manner, provided, however, Buyer has no obligation to use its own funds in excess of the Net Receivables to pay accounts payable. Within thirty (30) calendar days after the end of each month during the Collection Period, Buyer will deliver to Seller a written report, prepared in good faith and accompanied by reasonable supporting documentation, with respect to (i) the collections made with respect to the Accounts Receivable, (ii) the calculation of Net Receivables and (iii) payments remitted with respect to the accounts payable together with a copy of the invoices therefor. Such report shall be accompanied by a payment to Seller of the amount by which the collected Net Receivables paid during such month exceed the amount of the accounts payable during such month. The parties shall cooperate in good faith to answer any questions and resolve any issues raised by Seller in connection with its review of such report.

(e) Within forty (40) calendar days after the end of the Collection Period, Buyer shall deliver to Seller a final written report (“Final Report”) which report shall be accompanied by a final payment to Seller of the amount by which the Net Receivables collected during the Collection Period exceeded the amount paid in respect of the accounts payable during the Collection Period less any interim amounts theretofore remitted to Seller. The Final Report shall be prepared in good faith, accompanied by reasonable supporting documentation and contain (i) a statement of accounts for each account prepared in a manner consistent with Buyer’s own record-keeping practices, (ii) copies of all invoices received by Buyer after the Closing Date for periods ending on or before the Closing Date and not previously provided to Seller pursuant to Section 5.12(b), and (iii) an Accounts Receivable aging report for the Business. Buyer shall use commercially reasonable efforts to deliver the Final Report to Seller in an electronic format. The parties shall cooperate in good faith to answer any questions and resolve any issues raised by Seller in connection with its review of the Final Report.

(f) Following the expiration of the Collection Period, Buyer shall have no further obligations pursuant to this Section 5.12, except to remit to Seller any amounts received by Buyer which can be specifically identified as a payment on account of any Accounts Receivable will be promptly paid over or forwarded to Seller.

(g) All amounts due to Seller or Buyer under this Section 5.12 that are not paid in accordance with the provisions hereof shall bear interest until paid at a rate per annum equal to the generally prevailing prime interest rate (as reported by The Wall Street Journal).

The parties acknowledge and agree that Accounts Receivable collected by Buyer for Seller pursuant to this Section 5.12 shall not be subject to a right of offset for any claim by Buyer against Seller.

(h) After the Closing, Seller, at its own expense, shall have the right to access and/or audit the books, records and operating practices and procedures of the Business, upon reasonable notice to Buyer and during the normal business hours of the Business, to confirm compliance by Buyer with the provisions of this Section 5.12.

(i) Notwithstanding anything to the contrary in this Section 5.12, the parties acknowledge and agree that Buyer shall not assume, or in any way become liable for, any liabilities or obligations of Seller of any kind or nature with respect to the accounts payable. Buyer shall have no obligation to make payment respecting any accounts payable, if at such time, accounts payable exceed the amount of collected Net Receivables. If at any time or from time to time during the Collection Period the amount owing in respect of any accounts payable exceeds the amount of available collected Net Receivables, Buyer will promptly notify Seller of such deficit and Seller shall thereafter pay to Buyer such difference within thirty (30) calendar days after the delivery to Seller of such notice. If Seller shall not pay the deficit to Buyer within the time period specified, Buyer shall have the option in its sole discretion to pay such deficit, and Seller shall thereafter reimburse Buyer immediately for such amount, including interest at the rate set forth in Section 5.12(h) above.

(j) Effective upon the Closing Date and solely for purposes of facilitating Buyer's compliance with this Section 5.12, Seller hereby irrevocably constitutes and appoints Buyer, its successors and assigns, the true and lawful attorney of Seller with full power of substitution, in the name of Buyer, or the name of Seller, on behalf of and for the benefit of Seller, to collect the Accounts Receivables, to endorse, without recourse, checks, notes and other instruments in the name of Seller, to pay the Accounts Payables and to do all such further acts and things in relation thereto as is contemplated by Section 5.12 hereof. Seller agrees that the foregoing powers are coupled with an interest and shall be irrevocable by Seller except as provided herein. Each Seller further authorizes Buyer and its officers, successors and assigns to receive and open all mail, telegrams, packages, electronic mail and other communications that are addressed to such Seller and that relate to the Business and/or any Purchased Asset, and to reply to and retain such communications. The preceding sentence constitutes full authorization to the postal authorities, express courier companies and other persons to make delivery of such communications directly to Buyer or to persons specified by Buyer. Seller confers this authority upon Buyer and its officers, successors and assigns on the condition that Buyer shall promptly forward to Seller all such mail, telegrams, electronic mail and other communications that do not relate solely to the Business or the Purchased Assets.

5.13 Cooperation. Buyer shall exercise reasonable efforts to cooperate with Seller to release any Liens on the Purchased Assets. Buyer acknowledges that Seller may make use of the proceeds from the Purchase Price for the repayment of indebtedness associated with any Liens on the Purchased Assets.

5.14 Tax Returns and Payments.

(a) All material Tax Returns, estimates, and reports with respect to the Purchased Assets or operation of the Business that are required to be filed by Seller prior to the Closing Date or relating to periods prior to the Closing Date will be timely filed when due with the appropriate taxing authorities or extension requests will have been timely filed and granted. All material Taxes pertaining to Seller's ownership of the Purchased Assets or Seller's operation of the Business prior to the Closing Date will be paid by Seller when due and payable unless protested in good faith.

(b) All transfer, documentary, sales, use, stamp, registration and other Taxes and fees (including any penalties and interest), incurred in connection with the transactions consummated pursuant to this Agreement with respect to the Assets conveyed by Seller will be paid one-half by Buyer and one-half by Seller. Any Tax Returns that are required to be filed in connection with transfer Taxes will be prepared by Buyer, at its own expense (except where Seller is legally required to file any such Tax Return, in which case Seller will prepare and file such Tax Return at its own expense). Without limiting the foregoing, Buyer and Seller will cooperate in all reasonable respects to prepare and file all necessary Tax Returns.

5.15 Fulfillment of Conditions. Seller will use commercially reasonable efforts to satisfy each of the conditions for Closing of Buyer set forth in Article 7, and Buyer will use its commercially reasonable efforts to satisfy each of the conditions for Closing of Seller set forth in Article 6.

5.16 Further Action Regarding Intangible Property. If, after the Closing Date, either Buyer or Seller identifies any Intangible Property that is then owned by Seller or any High Plains Entity, Seller shall, or shall cause such High Plains Entity to, transfer all rights in and to and, if applicable, deliver, such Intangible Property to Buyer or its designated Affiliate for no additional consideration. If, after the Closing Date, either Buyer or Seller identifies any Intellectual Property that was transferred to it from Seller but that does not constitute Intangible Property, Buyer shall, or shall cause the applicable Affiliate to, promptly transfer all rights in and to and, if applicable, deliver, such Intellectual Property to Seller for no additional consideration. Each party shall take such further actions, and execute and deliver such further documents, instruments and agreements, as the other party may reasonably request, whether on or after the Closing Date, to implement and/or give effect to the provisions of this Section 5.16.

5.17 Sublicense under NexGen Source Code.

(a) For purposes of this Agreement:

(i) "Source Code" means all of Seller's rights (including all of Seller's Intellectual Property rights (if any)) in and to the NexGen TV source code in the form delivered by Seller to Buyer on or before the Closing Date.

(ii) "Section 5.19 of the CC APA" means Section 5.19 of the Asset Purchase Agreement, made as of April 20, 2007, by and among the company or companies set forth as Seller on the signature page thereto, Clear Channel Broadcasting, Inc., and TV

Acquisition LLC, of which Buyer has been provided a true and correct copy of Section 5.19 thereof.

(b) Effective upon the Closing Date:

(i) Buyer covenants and agrees that it shall use the Source Code in connection with Buyer's ownership and operation of the Stations and, to the extent permitted by Section 5.19 of the CC APA, other television stations owned or controlled by Buyer. Except as expressly set forth in this Section 5.17, neither Buyer nor its Affiliates shall sell, assign, license, or grant any of its rights with respect to the Source Code to any other Person, or otherwise permit any other Person to possess or use the Source Code in any manner, other than to a Person that, directly or indirectly, acquires one of more of the Stations from Buyer or its Affiliates, in which case, Buyer shall ensure that such Person agrees to be bound to the terms and conditions set forth in this Section 5.17. Buyer acknowledges and agrees that Clear Channel Communications, Inc. and its Affiliates are using and may continue to use, and that Seller is not sublicensing to Buyer or its Affiliates, certain software, firmware and hardware that may have previously been used in connection with or bundled with the Source Code or into which the Source Code may have been previously integrated, and Buyer covenants and agrees that it will not (and shall require any Person that acquires, directly or indirectly, one of more of the Stations from Buyer or its Affiliates not to) make any claim or initiate or maintain any suit or other proceeding against Clear Channel Communications, Inc. and its Affiliates in respect of such retained software, firmware and hardware or the use, sale, assignment, license or other disposition thereof.

(ii) Seller hereby grants to Buyer and its Affiliates a non-exclusive, perpetual, royalty-free, fully paid-up, non-sublicensable, non-transferable (except as set forth in this Section 5.17(b)(ii)), worldwide license to use, reproduce, distribute, display, perform, improve, modify, update, upgrade, enhance, make derivative works based upon and otherwise exploit the Source Code, but in each case, in connection with the ownership and operation of the Stations and, to the extent permitted by Section 5.19 of the CC APA, other television stations owned or controlled by Buyer. Neither Buyer nor any Affiliate shall sell, assign, license, or grant any of its rights with respect to the Source Code to any other Person, or otherwise permit any other Person to possess or use the Source Code in any manner, except that the sublicense granted pursuant to this Section 5.17(b)(ii) may be assigned by Buyer to any Person that acquires, directly or indirectly, one of more of the Stations from Buyer or its Affiliates. For the avoidance of doubt, the rights granted to Buyer and its Affiliates hereunder with respect to the Source Code include the right to use and otherwise exploit the object code version of NexGen TV.

(c) Notwithstanding any other provision of this Section 5.17, Buyer acknowledges and agrees that none of the rights and sublicenses granted to Buyer pursuant to this Section 5.17 shall be construed, interpreted or otherwise deemed to amend, contravene or otherwise exceed the scope of the rights granted to Seller with respect to the Source Code pursuant to Section 5.19 of the CC APA.

ARTICLE 9

SURVIVAL; INDEMNIFICATION

9.1 Survival. The representations, warranties and covenants in this Agreement and any agreements required to be performed prior to the Closing, including the Seller Ancillary Agreements and the Buyer Ancillary Agreements, or in the certificate delivered pursuant to Section 8.1(c), shall be deemed representations, warranties and covenants of Seller regardless of any investigation, audit or inspection made by or on behalf of Buyer. All such representations and warranties shall survive the Closing and will remain in full force and effect until the date that is twelve (12) months after the Closing Date, at which time they will terminate (and no claims with respect to such representations and warranties (or in such certificates, to the extent they relate to such representations and warranties) shall be made by any Person for indemnification thereafter); provided, that claims for fraud with scienter shall not be subject to such limitations; provided, further, such covenants and agreements of the parties hereto shall survive until they are fully performed or, if earlier, until the expiration thereof set forth in the terms of such covenant and agreement (except that no claims with respect to such covenants and agreements shall be made by any Person after the date that is twelve (12) months after the Closing Date).

9.2 Indemnification.

(a) Subject to Section 9.2(b), from and after Closing, each Seller, jointly and severally, shall defend, indemnify and hold harmless Buyer, its Affiliates, and their respective employees, officers, directors, representatives and agents and all of their successors and assigns (the “Buyer Indemnified Parties”) from and against any and all losses, costs, damages, taxes, liabilities and expenses, including reasonable attorneys’ fees and expenses (collectively, “Damages”) incurred by the Buyer Indemnified Parties, whether or not resulting from third party claims, arising out of or resulting from:

(i) any breach by Seller of its representations or warranties made under this Agreement or in the certificate delivered pursuant to Section 8.1(c) (in each case, without giving effect to any materiality or Material Adverse Effect qualifiers, except in the case of the representations and warranties set forth in the first sentence of Section 2.16);

(ii) any default by Seller of any covenant or agreement made in this Agreement;

(iii) the Excluded Assets and Retained Obligations; and

(iv) the ownership, business or operation of the Business before the Effective Time.

(b) Notwithstanding the foregoing or anything else herein to the contrary, after Closing, (i) Seller shall have no liability to Buyer under Section 9.2(a)(i) unless the aggregate amount of the Damages exceeds \$354,000.00 (the “Deductible”) after which Seller will be liable for Damages under Section 9.2(a)(i) only in excess of the Deductible, (ii) the maximum aggregate liability of Seller under Section 9.2(a)(i) shall be an amount equal to \$3,540,000.00 (as adjusted pursuant to Section 9.2(c), the “Cap”), it being understood that the Buyer Indemnified Parties shall not be entitled to collect any Damages under Section 9.2(a)(i) from Seller or its Affiliates in excess of the Cap and none of Seller or its Affiliates shall have any liability for any Damages under Section 9.2(a)(i) in excess of the Cap, and (iii) Seller shall have no liability to Buyer under Section 9.2(a)(i) for any claims arising out of or relating to any circumstances occurring after the expiration of the Survival Period; provided, that claims for fraud with scienter shall not be subject to the Deductible or the Cap.

(c) On and as of the date that is six (6) months following the Closing Date, the Cap shall be reduced to an amount equal to (x) \$1,770,000.00 plus (y) the sum of the amount of all unpaid Closing Date Adjustments, if any, payable by Seller pursuant to Section 1.6 plus (z) the amount of any claims by the Buyer Indemnified Parties for indemnification under this Agreement outstanding and unpaid as of such date, if any, pursuant to the terms and subject to the conditions set forth in this Agreement. On the date that is twelve (12) months following the Closing Date, the Cap shall be reduced to the amount of any claims by the Buyer Indemnified Parties for indemnification under this Agreement outstanding and unpaid as of such date, if any, pursuant to the terms and subject to the conditions set forth in this Agreement.

(d) On the date hereof, Providence Equity Partners VI L.P. and Providence Equity Partners VI-A L.P. (collectively, “Providence”) are delivering a guarantee in favor of

Buyer, in substantially the form attached hereto as Exhibit H (the “Providence Guarantee”), pursuant to which Providence is guaranteeing Seller’s obligations under this Article 9.

(e) From and after Closing, Buyer shall defend, indemnify and hold harmless Seller and its successors and assigns (the “Seller Indemnified Parties”) from and against any and all Damages incurred by the Seller Indemnified Parties, whether or not resulting from third party claims, arising out of or resulting from:

(i) any breach by Buyer of its representations and warranties made under this Agreement or in the certificate delivered pursuant to Section 8.2(d) (in each case, without giving effect to any materiality or Material Adverse Effect qualifiers);

(ii) any default by Buyer of any covenant or agreement made in this Agreement;

(iii) the Assumed Obligations and Transfer Taxes that Buyer is responsible for pursuant to Section 11.1;

(iv) the ownership, business or operation of the Business after the Effective Time; and

(v) any Damages Seller incurs as a result of Buyer’s failure to assume any Section 1.2(r) Contract.

9.3 Procedures with Respect to Third Party Claims.

(a) The indemnified party shall give prompt written notice to the indemnifying party of any demand, suit, claim or assertion of liability by third parties that is subject to indemnification hereunder (a “Claim”), but a failure to give such notice or delaying such notice shall not affect the indemnified party’s rights or the indemnifying party’s obligations except to the extent the indemnifying party’s ability to remedy, contest, defend or settle with respect to such Claim is thereby materially prejudiced and provided that, where applicable, such notice is given within the time period described in Section 9.1.

(b) The indemnifying party shall have the right to undertake the defense or opposition to such Claim with counsel selected by it. In the event that the indemnifying party does not undertake such defense or opposition, the indemnified party may undertake the defense, opposition, compromise or settlement of such Claim with counsel selected by it at the indemnifying party’s cost, except that the indemnified party shall not, without the indemnifying party’s written consent, settle or compromise any Claim or consent to entry of any judgment which settlement, compromise or judgment does not include the giving by the claimant to the indemnifying party of a release from all liability to the claimant in respect of such Claim, if the indemnifying party is party to such Claim.

(c) Anything herein to the contrary notwithstanding:

(i) the indemnified party shall have the right, at its own cost and expense, to participate in the defense, opposition, compromise or settlement of the Claim;

(ii) the indemnifying party shall not, without the indemnified party's written consent, settle or compromise any Claim or consent to entry of any judgment which (A) settlement, compromise or judgment does not include the giving by the claimant to the indemnified party of a release from all liability in respect of such Claim, and (B) contains any covenants or undertakings binding on the indemnified party other than customary agreements to keep the terms of such settlement or compromise confidential; and

(iii) in the event that the indemnifying party undertakes the defense of or opposition to any Claim, the indemnified party, by counsel or other representative of its own choosing and at its sole cost and expense, shall have the right to consult with the indemnifying party and its counsel concerning such Claim and the indemnifying party and the indemnified party and their respective counsel shall cooperate in good faith with respect to such Claim.

9.4 No Special Damages, Mitigation. No indemnifying party shall be liable to any indemnified party for special, indirect, consequential, punitive or exemplary damages, or lost profits, unless and to the extent such damages are payable to a third party. Each party agrees to exercise its commercially reasonable efforts to mitigate any Damages in respect of any pending or threatened Claim.

9.5 Offset. The amount of any Damages indemnifiable by any indemnifying party to any indemnified party pursuant to this Article 9 will be reduced to reflect (a) the value of any net Tax benefit (whether monetary or otherwise) that will be realized, directly or indirectly, by the indemnified party as a result of such Damages and (b) any amount actually recovered or recoverable by the indemnified party under insurance policies or otherwise with respect to such Damages.

9.6 Treatment of Indemnity Benefits. All payments made by Seller or Buyer, as the case may be, to or for the benefit of the other pursuant to any indemnification obligations under this Agreement shall be treated as adjustments to the Purchase Price for Tax purposes and such agreed treatment shall govern for purposes of this Agreement.

9.7 Environmental Liabilities. Notwithstanding anything herein to the contrary (and subject in all respects to the Cap), with respect to any claim for indemnification regarding any breach of any representation or warranty under Section 2.9, Seller shall have no obligation to indemnify or hold harmless a Buyer Indemnified Party for (a) any Damages that would not have arisen but for any intrusive investigation (including any soil, groundwater or surface water sampling) by Buyer or any of its agents or representatives, except to the extent such intrusive investigation was consented to by Seller, was required by or required to attain compliance with Environmental Laws or environmental permits or a Governmental Entity, was necessary to address a significant risk to human health or safety, or was affirmatively required in writing by a landlord or by a lease agreement, or (b) any investigation, monitoring or remedial costs or other related costs that exceed the cost to meet a reasonably cost-effective standard or remedy required by applicable Environmental Laws that is consistent with the commercial or industrial use of the site as of the Closing Date, as applicable (including any site-specific standards based on risk assessments and any remedies or standards that require or are limited to the imposition of deed restrictions, land use restrictions or monitored natural attenuation), that do not materially interfere with the use of or materially impair the value of the property and

provided that such remedy is acceptable to (i) the Governmental Entity with jurisdiction over the condition if the approval of such Governmental Entity is required therefor under applicable Environmental Laws and (ii) any landlord (with respect to conditions on leased real property) if the approval of such landlord is required therefor, including the applicable lease. Notwithstanding the foregoing, Buyer may clean up to more stringent standards, but the increased cost shall be borne by Buyer and not subject to indemnification by Seller.

9.8 Exclusive Remedies. Buyer and Seller acknowledge and agree that, if the Closing occurs, the indemnification provisions of this Article 9 shall be the sole and exclusive remedies of Buyer and Seller for any breach of the representations or warranties or nonperformance of or default under any covenants or agreements of Buyer or Seller contained in this Agreement or any Buyer Ancillary Agreements or Seller Ancillary Agreements, and neither party shall have any liability to the other party under any circumstances for special, indirect, consequential, punitive or exemplary damages, or lost profits, unless and to the extent such damages are payable to a third party; provided, however, that nothing contained in this Agreement shall relieve or limit (a) the liability of any party from any liability or Damages arising out of or resulting from such party's fraud with scienter in connection with the transactions contemplated in this Agreement, the Seller Ancillary Agreements or the Buyer Ancillary Agreements, (b) Seller's obligations under Section 5.4(b)(iii). In furtherance of the foregoing, each of Buyer and Seller hereby waive, to the fullest extent permitted under applicable law, except in the case of fraud with scienter, any and all rights, claims and causes of action it may have against the other arising under or based upon any federal, state or local law, rule or regulation (including any such rights, claims or causes of action arising under or based upon common law, tort or otherwise and relating to this Agreement, any Seller Ancillary Document or any Buyer Ancillary Document (including any certificate delivered pursuant to Section 6.1(c) or Section 7.1(c)) or the transactions contemplated hereby) other than any rights, claims or actions arising under Section 5.4(b)(iii) and this Article 9.

9.9 Effect of Investigation. The right to indemnification or any other remedy based on representations, warranties, covenants and agreements in this Agreement, any Seller Ancillary Agreement or Buyer Ancillary Agreement shall not be affected by any investigation conducted at any time, or any knowledge acquired (or capable of being acquired) at any time, whether before or after the execution and delivery of this Agreement, with respect to the accuracy or inaccuracy of or compliance with, any such representation, warranty, covenant or agreement.

ARTICLE 10 TERMINATION AND REMEDIES

10.1 Termination. Subject to Section 10.3, this Agreement may be terminated prior to Closing as follows:

- (a) by mutual written agreement of Buyer and Seller;
- (b) by written notice of Buyer to Seller if (i) Buyer is not in material breach of its obligations under this Agreement, (ii) Seller breaches its representations or warranties, or defaults in the performance of its covenants, contained in this Agreement and (iii) all such Seller

breaches and defaults that are not cured within the Cure Period (as defined in Section 10.2) would prevent the conditions to the obligations of Buyer set forth in Section 7.1 from being satisfied;

(c) by written notice of Seller to Buyer if (i) Seller is not in material breach of its obligations under this Agreement, (ii) Buyer breaches its representations or warranties, or defaults in the performance of its covenants, contained in this Agreement and (iii) all such Buyer breaches and defaults that are not cured within the Cure Period would prevent the conditions to the obligations of Seller set forth in Section 6.1 from being satisfied; provided, however, that no Cure Period shall apply to Buyer's obligations to pay the Escrow Deposit Fund on the date hereof and to pay the Purchase Price at Closing.

(d) by written notice of Buyer to Seller, or by Seller to Buyer, if the Closing does not occur by the date that is twelve (12) months after the date of this Agreement (such date, the "Outside Date"), unless the Closing has not occurred by such date as a result of a material breach of this Agreement by the party providing such notice of termination.

10.2 Cure Period. Each party shall give the other party prompt written notice upon learning of any breach or default by the other party under this Agreement, and such notice shall include a description of the breach. The term "Cure Period" as used herein means a period commencing on the date Buyer or Seller receives from the other written notice of breach or default hereunder and continuing until the earlier of (i) thirty (30) calendar days thereafter or (ii) five (5) business days after the day otherwise scheduled for Closing; provided, however, that if the breach or default is non-monetary and cannot reasonably be cured within such period but can be cured before the date five (5) business days after the scheduled Closing Date, and if diligent efforts to cure promptly commence, then the Cure Period shall continue as long as such diligent efforts to cure continue, but not beyond the date five (5) business days after the scheduled Closing Date.

10.3 Termination and Survival. Subject to Section 10.4 and Section 10.5, in the event of a termination of this Agreement by either Seller or Buyer as provided in Section 10.1, this Agreement shall forthwith become null and void and, subject to Section 10.5, there shall be no liability or obligation on the part of Seller, Buyer or their respective directors, officers, employees, incorporators, members, partners, equityholders, Affiliates, agents, attorneys or representatives; provided that the provisions of this Section 10.3 and Section 5.1 (Confidentiality), Section 10.5 (Liquidated Damages), Section 10.6 (Return of Escrow Deposit), Section 11.1 (Expenses), Section 11.6 (Entire Agreement), Section 11.9 (Governing Law; Consent to Jurisdiction; Waiver of Jury Trial), Section 11.10 (Neutral Construction), Section 11.12 (Counterparts; Delivery by Facsimile/Email) and Section 11.13 (Interpretation) shall remain in full force and effect and survive any termination of this Agreement; provided, however, that, subject to Section 10.5, any such termination shall not relieve any party of any liability for any breach or default that occurred prior to such termination.

10.4 Specific Performance.

(a) Subject to Sections 10.4(b), 10.5 and 1.8, the parties hereto acknowledge and agree that the parties hereto would be irreparably damaged if any of the provisions of this

Agreement are not performed in accordance with their specific terms or are otherwise breached and that any non-performance or breach of this Agreement by any party hereto could not be adequately compensated by monetary damages alone and that the parties hereto would not have any adequate remedy at law. Accordingly, in addition to any other right or remedy to which any party hereto may be entitled, at law or in equity (including monetary damages), subject to Sections 10.4(b), 10.5 and 1.8, prior to the termination of this Agreement pursuant to Section 10.1, such party shall be entitled to enforce any provision of this Agreement by a decree of specific performance and to temporary, preliminary and permanent injunctive relief, subject to obtaining the required Governmental Consent, to prevent breaches or threatened breaches of any of the provisions of this Agreement without posting any bond or other undertaking. Without limiting the generality of the foregoing, the parties hereto agree that, subject to Section 10.4(b), the party seeking specific performance shall be entitled to enforce specifically (a) a party's obligations under Section 1.9; (b) Buyer's obligation (subject to Section 5.17) to draw upon and cause the Financing to be funded, if available; and (c) a party's obligation to consummate the transactions contemplated by this Agreement (including the obligation to consummate the Closing and to pay the Purchase Price, if applicable), if the conditions set forth in Article 6 or Article 7, as applicable, have been satisfied (other than those conditions that by their nature are to be satisfied at the Closing) or waived.

(b) Notwithstanding the foregoing, it is explicitly agreed that Seller shall be entitled to seek specific performance of Buyer's obligation to consummate the Closing (including Seller's obligation to cause the High Plains Entities to consummate the sale of the High Plains Purchased Assets in accordance with the Option Agreement and the Option Exercise Agreement) if and only if (i) all of the conditions set forth in Article 6 and Article 7 have been satisfied or waived (other than those conditions that by their nature would be satisfied at the Closing, but subject to such conditions being satisfied assuming a Closing would occur) and nothing has occurred and no condition exists that would cause the failure of any of the conditions set forth in Article 6 and Article 7 to be satisfied, (ii) Buyer is required to complete the Closing pursuant to Section 1.8(a) but has failed to do so as of two (2) business days following the receipt of Seller's confirmation referred to in clause (iv), (iii) the Financing has been funded or the provider(s) of the Financing have acknowledged in writing that the Financing will be funded at the Closing and (iv) Seller has irrevocably confirmed in writing that, if an order of specific performance is granted and the Financing is funded, then Seller would perform its obligations to consummate the Closing and the Closing would occur. Without limiting the foregoing, Seller agrees that Buyer may enforce Seller's rights the High Plains Entities' obligations under the Option Agreement (as that term is defined in the Option Exercise Agreement), as it relates to the Stations, and under the Option Exercise Agreement directly against the High Plains Entities.

10.5 Liquidated Damages. If Seller terminates this Agreement pursuant to Section 10.1(c) (only in a situation where (a) all of the conditions set forth in Article 6 and Article 7 (other than those conditions that (i) by their nature would be satisfied at the Closing by actions that Seller has indicated in writing to Buyer that Seller is willing and able to take or (ii) are unsatisfied as a result of Buyer's breach of its obligations under this Agreement and the failure of such breach to be cured within the Cure Period to the extent provided herein) have been satisfied or waived), then the Escrow Deposit Fund shall be paid to Seller (or Seller's designee) pursuant to the terms of this Agreement and the Escrow Agreement, and such payment shall constitute liquidated damages. Buyer acknowledges and agrees that the recovery of the

Escrow Deposit Fund as set forth herein shall constitute payment of liquidated damages and not a penalty and that such liquidated damages amount is reasonable in light of the substantial but indeterminate harm anticipated to be caused by Buyer's material breach or default under this Agreement, the difficulty of proof of loss and damages, the inconvenience and non-feasibility of otherwise obtaining an adequate remedy, and the value of the transactions to be consummated hereunder. Seller acknowledges and agrees that, notwithstanding anything to the contrary herein, if it terminates this Agreement pursuant to Section 10.1, or in any other event prior to the occurrence of the Closing, Seller's sole and exclusive remedy hereunder shall be the right (if any) to seek payment from the Escrow Deposit Fund pursuant to this Section 10.5 (or, in the alternative, and solely under the circumstances described in Section 10.4(b), the right to specific performance by Buyer of the transactions to be consummated at the Closing). Except in the case of fraud with scienter, in no event shall any party be liable for punitive damages.

10.6 Return of Escrow Deposit. In all cases other than a termination of this Agreement by Seller as described in Section 10.5, which shall result in the payment of the Escrow Deposit Fund to Seller (or Seller's designee) in accordance with Section 10.5 hereof, the Escrow Deposit Fund shall be released to Buyer upon a termination of this Agreement in accordance with its terms.

ARTICLE 11 MISCELLANEOUS

11.1 Expenses. Except as may be otherwise specified herein, each party shall be solely responsible for all costs and expenses incurred by it in connection with the negotiation, preparation and performance of and compliance with the terms of this Agreement. Buyer shall pay one-half (1/2) and Seller shall pay one-half (1/2) of all governmental fees and charges applicable to any requests for Governmental Consent. Buyer shall pay one-half (1/2) and Seller shall pay one-half (1/2) of all governmental Taxes, fees and charges applicable to the transfer of the Purchased Assets under this Agreement (including sales, use and real property transfer taxes and the costs of recording or filing all applicable conveyance instruments) (collectively, "Transfer Taxes"). The parties will cooperate in the preparation, execution and filing of all Tax Returns regarding Transfer Taxes and in seeking or perfecting any available exemption from Transfer Taxes. Each party is responsible for any commission, brokerage fee, advisory fee or other similar payment that arises as a result of any agreement or action of it or any party acting on its behalf in connection with this Agreement or the transactions contemplated hereby. In the event of any litigation regarding or arising from this Agreement prior to the Closing, the prevailing party as determined by a court of competent jurisdiction in a final non-appealable judgment shall be entitled to recover its reasonable costs and expenses (including attorneys' fees and expenses) incurred therein or in the enforcement or collection of any judgment or award rendered therein.

11.2 Further Assurances. After Closing, each party shall from time to time, at the request of and without further cost or expense to the other, execute and deliver such other instruments of conveyance and assumption and take such other actions as may reasonably be requested in order to more effectively consummate the transactions contemplated hereby.

11.3 Assignment. Neither party may assign this Agreement without the prior written consent of the other party hereto, provided, however that Buyer may by written notice to, but without consent of, Seller, assign its rights and obligations hereunder to an Affiliate of Buyer, provided that any such assignment does not materially delay the processing of the FCC Application, the grant of the FCC Consent or the Closing. The terms of this Agreement shall bind and inure to the benefit of the parties' respective successors and any permitted assigns, and no assignment shall relieve any party of any obligation or liability under this Agreement.

11.4 Notices. Any notice pursuant to this Agreement shall be in writing and shall be deemed delivered on the date of personal delivery or confirmed facsimile transmission or confirmed delivery by a nationally recognized overnight courier service, and shall be addressed as follows (or to such other address as any party may request by written notice):

11.5 Amendments. No amendment or waiver of compliance with any provision hereof or consent pursuant to this Agreement shall be effective unless evidenced by an instrument in writing signed by the party against whom enforcement of such amendment, waiver, or consent is sought.

11.6 Entire Agreement. The Schedules and Exhibits hereto are hereby incorporated into this Agreement. This Agreement, together with any other agreement executed on the date hereof in connection herewith, constitutes the entire agreement and understanding

among the parties hereto with respect to the subject matter hereof, and supersedes all prior agreements and understandings with respect to the subject matter hereof, except the NDA, which shall remain in full force and effect. No party makes any representation or warranty with respect to the transactions contemplated by this Agreement except as expressly set forth in this Agreement (or in any other agreement or any of the Buyer Ancillary Agreements or Seller Ancillary Agreements executed on the date hereof or thereof in connection herewith).

11.7 Severability. If any Governmental Entity holds any provision in this Agreement invalid, illegal or unenforceable as applied to any party or to any circumstance under any applicable law, then, so long as no party is deprived of the benefits of this Agreement in any material respect, (a) such provision, as applied to such party or such circumstance, is hereby deemed modified to give effect to the original written intent of the parties to the greatest extent consistent with being valid and enforceable under applicable law, (b) the application of such provision to any other party or to any other circumstance will not be affected or impaired thereby and (c) the validity, legality and enforceability of the remaining provisions of this Agreement will remain in full force and effect.

11.8 Third Party Beneficiaries. Nothing in this Agreement expressed or implied is intended or shall be construed to give any rights to any Person other than the parties hereto and their successors and permitted assigns; provided that any person providing the Financing shall be an express third-party beneficiary of and may enforce Sections 11.6, 11.9 and this Section 11.8.

11.9 Governing Law; Consent to Jurisdiction; Waiver of Jury Trial. This Agreement and the negotiation, execution, performance or nonperformance, interpretation, termination, construction and all matters based upon, arising out of or related to this Agreement, whether arising in law or in equity (collectively, the “Covered Matters”), and all claims or causes of action (whether in contract or tort) that may be based upon, arise out of or relate to the Covered Matters, except for documents, agreements and instruments that specify otherwise, shall be governed by the laws of the State of Delaware without giving effect to the choice of law provisions thereof. All recording matters relating to the conveyance of each parcel of Owned Real Property will be conducted in conformity with the applicable requirements of local law governing the location of such parcel.

(b) All Actions arising out of or relating to this Agreement shall be heard and determined exclusively in the courts of the State of New York located in the City of New York, Borough of Manhattan, or of the United States of America for the Southern District of New York, and the parties hereto hereby irrevocably submit to the exclusive jurisdiction of such courts (and, in the case of appeals, appropriate appellate courts therefrom) in any such Action and irrevocably waive the defense of an inconvenient forum to the maintenance of any such action or proceeding. The consents to jurisdiction set forth in this Section 11.9 shall not constitute general consents to service of process in the State of New York and shall have no effect for any purpose except as provided in this Section 11.9 and shall not be deemed to confer rights on any third party. The parties hereto agree that a final judgment in any such Action shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable law.

(c) BUYER AND SELLER HEREBY IRREVOCABLY WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE ACTIONS OF BUYER OR SELLER IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE AND ENFORCEMENT HEREOF.

11.10 Neutral Construction. Buyer and Seller agree that this Agreement was negotiated at arms-length and that the final terms hereof are the product of the parties' negotiations. This Agreement shall be deemed to have been jointly and equally drafted by Buyer and Seller, and the provisions hereof should not be construed against a party on the grounds that the party drafted or was more responsible for drafting the provision.

11.11 Cooperation. After Closing, each party shall cooperate with the other in the investigation, defense or prosecution of any third party Action which is pending or threatened against either party or its Affiliates with respect to the Business or the Purchased Assets, whether or not any party has notified the other of a claim for indemnity with respect to such matter. Without limiting the generality of the foregoing, Buyer shall make available its Transferred Employees to give depositions or testimony and shall furnish all documentary or other evidence that Seller may reasonably request. Seller shall reimburse Buyer for all reasonable and necessary out-of-pocket third party expenses incurred in connection with the performance of Buyer's obligations under this Section 11.11.

11.12 Counterparts; Delivery by Facsimile/Email. This Agreement may be executed in separate counterparts, each of which will be deemed an original and all of which together will constitute one and the same agreement. This Agreement, the agreements referred to herein, and each other agreement or instrument entered into in connection herewith or therewith or contemplated hereby or thereby, and any amendments hereto or thereto, to the extent signed and delivered by facsimile transmission or electronic mail in pdf form, shall be treated in all manner and respects as an original agreement or instrument and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. At the request of any party hereto or to any such agreement or instrument, each other party hereto or thereto shall re-execute original forms thereof and deliver them to all other parties. No party hereto or to any such agreement or instrument shall raise the use of a facsimile machine or email to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of a facsimile machine or email as a defense to the formation or enforceability of a contract and each such party forever waives any such defense.
