

### COMPLIANCE WITH LOCAL RADIO OWNERSHIP RULES

Upon consummation of the transaction contemplated by this application and an associated application, the proposed assignee will be the licensee of the four following FM stations:

KKSS(FM), Santa Fe, NM  
KJFA(FM), Santa Fe, NM  
KKRG(FM), Albuquerque, NM  
KIOT, Los Lunas, NM

The four stations are home to the Albuquerque Arbitron Metro. The attached report demonstrates that 43 commercial and noncommercial educational radio full-power stations are located within or are reported by BIA as “home” to the Albuquerque Metro. In a Metro reported by BIA as having between 30 and 44 (inclusive) “home” commercial and noncommercial educational full-power radio stations, a party may have a cognizable interest in up to 7 commercial full-power radio stations, not more than 4 of which are in the same service (AM or FM). Since the proposed assignee will have a cognizable interest in only four stations in the same service in the Albuquerque market, the proposed assignment complies with the Commission’s rules.

Two of the four stations—KKSS(FM) and KJFA(FM)—are also geographically located in the Santa Fe Arbitron Metro. The attached report demonstrates that 19 commercial and noncommercial educational radio full-power stations are located within or are reported by BIA as “home” to the Santa Fe Metro. In a Metro reported by BIA as having between 15 and 29 (inclusive) “home” commercial and noncommercial educational full-power radio stations, a party may have a cognizable interest in up to 6 commercial full-power radio stations, not more than 4 of which are in the same service (AM or FM). Since the proposed assignee will have a cognizable interest in only two stations geographically located in the Santa Fe market, the proposed assignment complies with the Commission’s rules.
