Special Temporary Authority (STA)
BSTA-20160906ABD

Dear Licensee:

This is in reference to the request filed September 6, 2016 on behalf of Educational Media Foundation ("EMF"). EMF determined that this station (which was acquired from another licensee) was not constructed in accordance with the station's authorization. EMF is surveying the installation and intends to file a corrective construction permit application on FCC Form 340. In the meantime, EMF requests Special Temporary Authority (STA) to continue operation with the existing installation, for which it provides corrected technical parameters.

The request for STA IS GRANTED. Station KLCQ may continue to operate with the parameters specified in the STA request. EMF must use whatever means are necessary to protect workers and the public from radiofrequency exposure in excess of the Commission's exposure guidelines. See 47 CFR § 1.1310.

This authority expires on March 13, 2017.

Sincerely,

Dale Bickel
Senior Engineer
