Amendment to Pending Application

Caballero Television Texas, LLC (Licensee), by its counsel, and pursuant to Section 1.51 of the Commission's Rules, hereby submit a minor amendment in response to the Commission's letter regarding the above-referenced application (the "Application"), (letter of Hossein Hashemzadeh, Supervisory Engineer, Low Power Television Branch, Video Services Division, Media Bureau, dated December 30, 2002). A copy of the letter is attached hereto.

Applicant's amendment is more fully set forth in the attached engineering statement and accompanying exhibits.

Due to virus treats our email provider has prevented us from getting emails with attachments. This has slowed down the process of obtaining Longley Rice analysis from Dr. St. Clair to support the

application. Licensee respectfully request an additional two weeks in which to respond to the Letter of December 30, 2002.

WHEREFORE, the premises considered, Caballero Television Texas, LLC respectfully requests that their amendment to its application be accepted, nunc pro tunc, and, as amended, it's application be granted.

Respectfully submitted,

Benjamin Perez, Attorney
Abacus Communications Company
