

EXHIBIT 9

As of the date of filing of this application, signed written documentation for the instant *pro forma* transfer of control does not exist. As such, transferee is unable to certify that a written agreement detailing the specifics of this *pro forma* transfer has been placed in the public inspection files for WAPA-TV, WIRS(TV), WTIN(TV), or WNJX-TV, Inc.¹ Transferor and transferee certify, however, that the agreement for this *pro forma* transfer of control, upon execution, will comply fully with the Commission's rules and policies and will be placed in the stations' public inspection files.

The Commission's CDBS online filing system will not accept a "No" certification in response to Section II, Item 6(a) or Section III, Item 4. Thus, the parties to this application answered the questions with a "Yes" response. Nonetheless, as explained above, the parties hereby clarify that the requested certification is, in fact, "No".

¹ Agreements for the transfer of control of Televiscentro of Puerto Rico, LLC's and WNJX-TV, Inc.'s licensed stations to InterMedia Partners VII, L.P. have been placed in the stations' public inspection files.
